*Bee Fearless: Dream Like a Kid* - Mikaila Ulmer  
2020-08-18

A business memoir from fifteen year-old lemonade entrepreneur and one of TIME Magazine's Top 30 Most Influential Teens, Mikaila Ulmer, and her advice for life and business. When Mikaila

Ulmer was four, she was stung by a bee--twice in one week. She was terrified of going outside, so her parents encouraged her to learn more about bees so she wouldn't be afraid. It worked. Mikaila didn't just learn what an important role bees play in our ecosystem, but

she also learned bees are endangered, and set out to save them. She started by selling cups of lemonade in front of her house and donating the small proceeds to organizations dedicated to bee conservation. When she realized the more lemonade she sold, the more bees she could help, Me & the Bees Lemonade was born. Now she sells her lemonade across the country. From meetings with Fortune 500 CEOs, to securing a deal on Shark Tank, to even visiting the Obama White House, Mikaila's lemonade and passion for bee conservation have taken her far. In Bee Fearless, part memoir, part business guide, Mikaila--now fifteen-- shares her personal journey and special brand of mindful entrepreneurship and offers helpful tips and guidance for young readers interested in

pursuing their own ventures, instilling in them the bee-lief that they can be fearless and achieve their dreams too.

*You Don't Have to Be a Shark* - Robert Herjavec  
2016-05-17

From bestselling author and Shark Tank star Robert Herjavec comes a business book in which he transcends the business world, helping us all learn the art of persuasion in order to get ahead in our personal and professional lives. A Wall Street Journal Bestseller! Many people assume that effective sales ability demands a unique personality and an aggressive attitude. It's not true, and Robert Herjavec is proof. Known as the "Nice Shark" on the ABC's Emmy Award-winning hit show SHARK TANK, Robert Herjavec is loved by viewers, who respond

to his affable nature. He has developed an honest and genuine approach to life and selling that has set him apart from his cut-throat colleagues, and rewarded him with a degree of wealth measured in hundreds of millions of dollars. In *You Don't Have to Be a Shark*, Robert transcends pure sales technique and teaches "non-business people" what they need to know in order to sell themselves successfully. We are each our own greatest asset, and in order to achieve our goals, we need to be able to communicate with others, position ourselves and even look the part. Robert's philosophy is simple: Great salespeople are made, not born, and no one achieves success in life without knowing how to sell. Entertaining, enlightening and effective, *You Don't*

*Have to Be a Shark* will reveal the secrets of one of North America's most successful businessmen, who also happens to be one of today's most prominent TV personalities, delivered in a friendly, down-to-earth manner, and filled with anecdotes and observations to support its hard-nosed advice.

**White Fragility** - Dr. Robin DiAngelo  
2018-06-26

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us

to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

The War on Normal People  
- Andrew Yang 2018-04-03  
From 2020 Democratic presidential candidate Andrew Yang, a

captivating account of how "a skinny Asian kid from upstate" became a successful entrepreneur, only to find a new mission: calling attention to the urgent steps America must take, including Universal Basic Income, to stabilize our economy amid rapid technological change and automation. The shift toward automation is about to create a tsunami of unemployment. Not in the distant future--now. One recent estimate predicts 45 million American workers will lose their jobs within the next twelve years--jobs that won't be replaced. In a future marked by restlessness and chronic unemployment, what will happen to American society? In *The War on Normal People*, Andrew Yang paints a dire portrait of the American economy. Rapidly advancing technologies

like artificial intelligence, robotics and automation software are making millions of Americans' livelihoods irrelevant. The consequences of these trends are already being felt across our communities in the form of political unrest, drug use, and other social ills. The future looks dire-but is it unavoidable? In *The War on Normal People*, Yang imagines a different future--one in which having a job is distinct from the capacity to prosper and seek fulfillment. At this vision's core is Universal Basic Income, the concept of providing all citizens with a guaranteed income--and one that is rapidly gaining popularity among forward-thinking politicians and economists. Yang proposes that UBI is an essential step toward a

new, more durable kind of economy, one he calls "human capitalism."

Go Where There Is No Path - Christopher Gray 2021-08-03

For all who dare to go off the beaten track, this is the inspirational, power-packed playbook for transforming your life and your world—from a young, Black social entrepreneur whose dorm-room tech startup has helped millions pay for college and access unprecedented opportunity. Gray, the son of a single working mother who had him at age fourteen, grew up in deep poverty in Birmingham, Alabama. An

academic star, he had every qualification for attending a top college—except for the financial means.

Desperate, Gray headed off the beaten path, searching online to apply for every scholarship he could find. His hustle resulted in awards of 1.3 million dollars and became his call to action to help other students win their own “schollys.” It inspired him to start up Scholly, an app that matches college applicants with millions of dollars in outside scholarships that often go unclaimed. When he was a senior at Drexel University, he appeared on Shark Tank as CEO of Scholly. In the most heated fight in the show’s history, the sharks challenged Gray as to whether his app was a charity or a profitable business. Both, he insisted,

proposing a new paradigm for social entrepreneurship and netting deals from Lori Grenier and Daymond John. At the time Scholly's subscriber base was 90,000 users. Today the app has 4 million subscribers who have won scholarships totaling more than \$100 million. Meanwhile, Gray—without help from the mostly all-white boy's club of Silicon Valley—has emerged as a tech startup superhero now tackling the crisis of student debt with innovative, unrivaled strategies. Gray's premise is that when you lead with the good—confronting issues such as poverty and racism—the money will follow. His story is proof that when you develop a mindset for success, you turn disadvantages into gold. And when you create opportunities for

others, you enrich the marketplace for yourself too. Gray shows us, we can carve out new paths to better days and leave trails for others.

**Powershift** - Daymond John 2020-03-10

The bestselling author and star of ABC's Shark Tank reveals how to master the three prongs of influence:

reputation, negotiation, and relationships. Have you ever wanted to make a big change in your life but weren't sure where to start? In Powershift, Daymond John shares the answer. To take control of your destiny and drive the change you want to see, you need to lay the groundwork so you're prepared to seize every opportunity that comes your way. And that means mastering •

Influence—make an impression: Develop a reputation that highlights what you stand for. •

Negotiation—make a deal:

Hone a win-win negotiating style. • Relationships—make a connection last: Nurture those connections you make along the way. Through never-before-told stories from his life and career, Daymond shares the lessons that got him to where he is today: from how he remade his public image as he transitioned from clothing mogul to television personality, to how he mastered the negotiation strategies that determine whether deals are won or lost “in the tank,” to his secrets for building long-lasting—and profitable—relationships with founders and brands. Throughout the book, some of the world's most successful personalities reveal how they shifted their power in meaningful ways: Kris Jenner on determining your value: “You don't have to go ask somebody

else for permission. You have the power to be able to stick to your guns and demand your worth." Mark Cuban on finding and understanding your why: "Time is the one asset we don't own, we can't buy, and we can never get back." Pitbull on tapping into your inner power: "A lot of people feel that to be powerful is to exude strength. I think it's the total opposite. To be powerful is to be powerless. It's when you give everybody what you got." Whether you're an innovator working to turn your big idea into a reality, a professional looking to land a major promotion, or a busy parent trying to find more time to focus on what's really important to you, Daymond shows you how to shift your power and energy towards positive change.

**You Turn** - Ashley Stahl

2021-01-26

If you're thinking about buying this book, it's probably because it feels like something's missing in your career. Guess what? It could be YOU. Whether you're living for the weekends or counting the minutes until 5 pm every day, life is too short to wish it away because you feel stuck in your job. The good news is that you have the power to stop living on autopilot and turn your career around. "Follow your passion," "find your purpose," and "do what you love" have joined the parade of bland directives that aren't doing much to actually help you figure out what you're meant to do with your career. Instead, they only create more confusion. If all we had to do is "follow our bliss" . . . why aren't we blissful yet? The truth is, the best

career is not one where you only do what you love, but one where you honor who you are. In *You Turn*, counterterrorism professional turned career coach Ashley Stahl shares the strategies she's used to help thousands ditch their Monday blues, get clarity on what work lights them up, and devise an action plan to create a career they love. This book gives readers access to Stahl's coveted 11-step roadmap that has guided thousands of coaching clients in 31 countries to self-discovery and success. Throughout her process, you'll:

- Discover your Core Skillset. Uncover your gifts and talents to create an intentional career path that's fulfilling and aligned with who you are—and what you're good at.
- Understand your "Inner

Money Blueprint."

Discover the root of your money mindset, and how to break free of financial limitation. • Clarify your Core Interests. Identify the difference between a passion, gift, and calling so you can get clear on what's meant to be a hobby—and what's meant to be a career! • Become your own coach. Walk away with a unique set of tools for staying true to your best self in times of stress, frustration, or anxiety. Whether you're considering a career pivot, or just curious about what else is possible for you, it's time to make a "you turn"—to get unstuck, discover your true self, and thrive (not just survive) in your career.

**Don't Bullsh\*t Yourself!**

- Jon Taffer 2018-03-13  
New York Times

Bestseller and Wall Street Journal Bestseller! Bar Rescue's Jon Taffer presents a new guide to getting what you want in life and business--to stop making excuses so you can get back to winning. During his many years as an entrepreneur, consultant, and star of the Paramount Network's hit show Bar Rescue, Jon Taffer has witnessed the destruction that results when people bullsh\*t themselves. Excuses are the root cause of nearly every business and personal problem, but fortunately, Jon knows how to fix your excuse habit for good. This book is almost as good as having Jon in your face on Bar Rescue, telling you the hard truths you've been avoiding. Don't Bullsh\*t Yourself! is Jon Taffer's brutally honest, no-nonsense guide to help you kick

those excuses to the curb. If you can stop bullsh\*tting yourself and address your real issues, you will gain the power to turn your life around completely. Taffer breaks excuses down into six major categories, illustrating them with real-life examples such as Marcus Luttrell, the lone survivor of a SEAL team mission in Afghanistan who barely escaped Taliban territory, and Christine King, founder and CEO of Your Best Fit, who, despite being paralyzed in a horrific boating accident, went on to build a successful fitness company. These inspiring stories, combined with Taffer's own experiences, will give you the confidence to identify and face your own excuses head-on. It's Taffer Time! Time to stop bullsh\*tting yourself and start crushing it!

2030. In *Let Them See You*, Braswell briefly chronicles how the majority-culture workplace evolved and why it's a business imperative to have a more diverse workforce, and then explains how you can:

- overcome not-so-invisible obstacles
- create perceived value
- get recognition
- be true to yourself at work
- build a personal brand
- harness fear of failure
- embrace uncomfortable conversations, and
- drive diversity and inclusion, whether you're entry-level or in management

In essence, Braswell delivers all the context, tactics, and language you need to let them see you.

### **Principles of Management**

- Openstax 2022-03-25  
Principles of Management is designed to meet the scope and sequence requirements of the introductory course on

management. This is a traditional approach to management using the leading, planning, organizing, and controlling approach. Management is a broad business discipline, and the Principles of Management course covers many management areas such as human resource management and strategic management, as well as behavioral areas such as motivation. No one individual can be an expert in all areas of management, so an additional benefit of this text is that specialists in a variety of areas have authored individual chapters.

As a young man, he founded a modest line of clothing on a \$40 budget by hand-sewing hats between his shifts at Red Lobster. Today, his brand FUBU has over \$6 billion in sales.

Convenient though it might be to believe that you can shortcut your way to the top, says John, the truth is that if you want to get and stay ahead, you need to put in the work. You need to out-think, out-hustle, and out-perform everyone around you. You've got to rise and grind every day. In the anticipated follow-up to the bestselling *The Power of Broke*, Daymond takes an up close look at the hard-charging routines and winning secrets of individuals who have risen to the challenges in their lives and grinded their way to the very tops of their fields. Along the way, he also reveals how

grit and persistence both helped him overcome the obstacles he has faced in life and ultimately fueled his success.

How to Prevent the Next Pandemic - Bill Gates  
2022-05-03

From the author of the #1 New York Times best seller *How to Avoid a Climate Disaster: The COVID-19 pandemic isn't over, but even as governments around the world strive to put it behind us, they're also starting to talk about what happens next. How can we prevent a new pandemic from killing millions of people and devastating the global economy? Can we even hope to accomplish this?* Bill Gates believes the answer is yes, and in this book he lays out clearly and convincingly what the world should have learned from COVID-19 and what all of us can do to ward off

another disaster like it. Relying on the shared knowledge of the world's foremost experts and on his own experience of combating fatal diseases through the Gates Foundation, he first helps us understand the science of infectious diseases. Then he shows us how the nations of the world, working in conjunction with one another and with the private sector, can not only ward off another COVID-like catastrophe but also eliminate all respiratory diseases, including the flu. Here is a clarion call—strong, comprehensive, and of the gravest importance—from one of our greatest and most effective thinkers and activists.

Display of Power -

Daymond John 2015-08-04

Daymond John was inexperienced. He was

uneducated. With no formal business training to speak of, he was just a hustler from Hollis with a pipedream of making it big. That was all before he turned the world of fashion on its head. And now, more than a decade after FUBU's wildly successful launch, founder and CEO Daymond John is out to tell the story of the FUBU fashion empire. More than just another amazing American success story, Display of Power tells how four ordinary guys from Queens, New York, rose from street corners to corner offices and became the greatest trendsetters of our generation. Daymond John lays it all out on the line--his secrets to success, his triumphs, and his utter failures--to show what it takes to harness and display the power that resides in us all. I WearYour Shirt). Later he auctioned off his last name twice, for \$50K each time. He then self-published his first book Creativity for Sale by nabbing sponsors and generating \$75K in revenue. Now Own Your Weird is targeted to other potential "out of the box" thinkers who dream not only of doing work on their own terms, but also creating a meaningful life. Consider Jason your spirit guide, offering strategies for honing in on what makes you weird, recognizing when feedback is just another form of procrastination, and how to stop with social media already. There's a specific set of strategies and exercises that can help you prioritize your life over your business, by identifying your MMM (Minimum Monthly Magic) number. He also offers examples from his own

life (how he got out of \$124K worth of debt, escaped the pressure to have a big wedding, and has thrived on social media by primarily ignoring it). Own Your Weird is the permission slip you need to take that big risk. To finally chase down that big idea. And to let go of "supposed to" thoughts. See how life opens up when you break out of the blueprint.

The Warrior Within -

D.J. Vanas 2022-08-02

A transformational guide to getting yourself right in order to accomplish the work you were meant to do, from speaker, former U.S. Air Force officer, and member of the Ottawa tribe D.J. Vanas. When faced with an important job, and people depending on you to do it, most of us will give and give until there's nothing left. But running on empty, even for a worthy cause, only sets you up for failure

in the long run. To persevere on the path to success requires more than sheer fearlessness and willpower. It requires what D.J. Vanas calls the warrior spirit, the kind of strength that looks outward but comes from deep within. Drawing inspiration from Native American philosophy and tradition, *The Warrior Within* outlines a new model for personal power in the face of overwhelming chaos. A true warrior is not the toughest or bravest person in the room. A true warrior is committed to self-mastery, knows how to navigate change and disruption, transforms setbacks into opportunities for achievement, refuses to quit, and most importantly, always fights for something bigger than the self. With a vast array of

stories and examples, from vision quests to treacherous hikes to veterans and service providers at the front lines, Vanas shows how to apply these principles to transform how you show up both for yourself and those around you. More than an empowerment manual, *The Warrior Within* is a call to accomplish the world-changing work you were meant for by tapping into the power of the warrior spirit.
