*Little Herb Encyclopedia*  
- Jack Ritchason 1995  
"And God said, Behold I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is

the fruit of a tree yielding seed; to you it shall be for meat."  
(Genesis 1:29)The Bible refers to herbs more than 3,000 times! Many are mentioned by name. That herbs are

for our use is undisputed. How we should use herbs, however, has been the subject of much controversy. The Little Herb Encyclopedia (Revised Edition) ends the debate. It includes a thorough list of the most common and beneficial herbs and widely acclaimed herbal combinations. In addition, The Little Herb Encyclopedia list the most prevalent health problems, and their most effective herbal remedies. No longer is extensive research necessary before using Nature's medicine. The Little Herb Encyclopedia is a ready reference, a quick way to find the answers to your most common herb questions.

Complete Balalaika Book  
- BIBS EKKEKEL 2011-08-18  
The balalaika is most often associated with Russian folklore. In this comprehensive method book, concert and recording artist Bibs Ekkel shares his extensive knowledge of the balalaika as taught

in Russia today. This 160-page book is divided into four sections: an extensive Foreword, the Tutor, A Brief History of the Balalaika, and a Repertoire Section. Unlike many Mel Bay books, the Complete Balalaika Book does not begin with the rudiments of music notation. Rather, the 20-page Foreword offer insights on the tunings of all the instruments in the balalaika family, hand positions, string sources and height adjustment, and chord shapes. the author even describes how to make a bass balalaika pick from shoe leather. the Tutor or instruction segment is written for the 'prima balalaika' which is correctly played with the fingers only rather than with a pick. the Tutor jumps right in with exercises and tunes in quarter, eighth, and sixteenth-note values with occasional dotted notes and syncopation. Perhaps half of the music in this section is shown in both standard notation and tablature.

A glossary of musical signs and Russian musical terms is included. A Brief History of the Balalaika is well written and nicely illustrated. Very few Mel Bay books contain such a comprehensive historical overview of the subject instrument. the Repertoire Section offers a valuable resource of Eastern European folk tunes. All but two selections in this section are written in both notation and tab with suggested guitar chords, the exceptions being an arrangement for balalaika and piano, and a balalaika orchestra score. More than simple melody chord leadsheets, these are the author's own arrangements of tunes for solo balalaika and balalaika orchestra. A companion CD with selections performed by the author completes this highly effective instructional package.

**Candida Höfer** - Candida Höfer 2010  
Candida Hofer turns her attention to the vast universe of one of the

most important European networks of culture transmission, the Way of St. James that leads to Santiago de Compostela in Galicia. This new series of photographs enables readers to reconstruct the classical paths of pilgrimage that lead to Santiago de Compostela from all directions: places in Italy, Germany, France, Portugal, Ireland, England, or the south of Spain, with a special focus on the Cathedral of Santiago.

**Jazz Anecdotes** - Bill Crow 1990  
Drawing on a rich verbal tradition, jazz writer Bill Crow has culled stories and amusing quips as well as more detailed anecdotes from interviews, biographies and autobiographies, the remarkable collection of oral histories of the Institute of Jazz Studies at Rutgers University, and his own columns to paint these fascinating portraits of jazz musicians.

Blackmailed! Wrongly discredited as a space pilot, Panglor Balef is doomed to die in space, if sheer luck doesn't bring him through. But luck has never been in Panglor's cards. Bad enough to be coerced into a mission of murder and suicide, he must also contend with Alo—a young woman, stowaway, and impossible companion. Neither of them, nor his empathic ou-ralot, could possibly anticipate the journey through space-time they are about to embark on, through a door to an insane reality from which there is almost certainly no return. It could be the discovery of the millennium, but the only way home is to journey even further into the heart of madness. The stunning prequel to the famed Star Rigger Universe of Jeffrey A. Carver, Nebula-nominated author of Eternity's End and The Chaos Chronicles.

REVIEWS: "An original and very charming novel, with a particularly unusual protagonist."

Cases in Public [Downloaded from sixideasapps.pomona.edu](https://sixideasapps.pomona.edu)  
on by @guest

Relations Strategy draws on original, real-world case studies to provide students with a strategic approach to meeting the needs of a client before, during, and beyond a campaign. Using the RACE (Research, Action Planning, Communication, and Evaluation) model, students explore successful contemporary campaigns and evaluate best practices in all major areas of public relations activity. This practical, client-oriented text shows students how to systematically evaluate and adapt to the needs of a particular client—whether big or small, global or local, for-profit or nonprofit—in order to launch the most effective campaign. Each case includes a brief

introduction focused on fundamentals and core competencies, and all cases have been carefully selected to present a wide range of client types. In addition to the lessons from professionals in the case studies, a section on PR consulting and an appendix on advancing your PR career give students the knowledge and skills they need for success in the field. Give your students the SAGE edge! SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review, study, and further exploration, keeping both instructors and students on the cutting edge of teaching and learning.
