Close Quarters - William Golding 2013-11-05

Lose yourself in an epic naval journey in the second novel in the Booker Prize-winning Sea Trilogy by the author of Lord of the Flies. This tropical nowhere was the whole world - the whole imaginable world. A decrepit warship is becalmed halfway to Australia, stilled in an ocean wilderness of heat and sea mists. In this surreal, fête-like atmosphere, a ball is held with a passing ship: the passengers dance and flirt, while beneath them seaweed like green hair spreads omniously over the hull. Half-mad with fear, drink, love and opium, both vessel and passengers feel themselves going to pieces: and the very planks seem to twist themselves alive as the ship comes apart at the seams . . . 'No living writer has represented the fragility of man's experience so marvellously as Golding.' AS Byatt 'It is in Golding's magnificent, therapeutic, terrifying descriptions of seascapes that the deepest meanings can be found.' Kate Mosse 'Stunning . . . As exciting as any thriller.' Sunday Times 'A feat of imaginative reconstruction, as vivid as a dream.' Daily Mail 'Tells an utterly absorbing tale, in language of immense force and subtlety.' Financial Times To The Ends of the Earth: A Sea Trilogy - Book Two

Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In Everything, Everything, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black-black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's The Sun Is Also A Star, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions.

One Flew Over the Cuckoo's Nest - Ken Kesey 2012-01-19
Ken Kesey's bracing, insightful novel about the meaning of madness and the value of self-reliance, and the inspiration for the new Netflix original series Ratched Boisterous, ribald, and ultimately shattering, Ken Kesey's One Flew Over the Cuckoo's Nest has left an indelible mark on the literature of our time. Turning

conventional notions of sanity and insanity on their heads, the novel tells the unforgettable story of a mental ward and its inhabitants, especially tyrannical Big Nurse Ratched and Randle Patrick McMurphy, the brawling, fun-loving new inmate who resolves to oppose her. We see the story through the eyes of Chief Bromden, the seemingly mute half-Indian patient who witnesses and understands McMurphy's heroic attempt to do battle with the powers that keep them all imprisoned. Hailed upon its publication as "a glittering parable of good and evil" (The New York Times Book Review) and "a roar of protest against middlebrow society's Rules and the invisible Rulers who enforce them" (Time), Kesey's powerful book went on to sell millions of copies and remains as bracing and insightful today as when it was first released. This new deluxe hardcover edition commemorates the fiftieth anniversary of the original publication of the novel on February 1, 1962, and will be a must have for any literature lover.

Let the Lord Sort Them - Maurice Chammah 2021-01-26
NEW YORK TIMES EDITORS' CHOICE • A deeply reported, searingly honest portrait of the death penalty in Texas—and what it tells us about crime and punishment in America "If you're one of those people who despair that nothing changes, and dream that something can, this is a story of how it does."—Anand Giridharadas, The New York Times Book Review WINNER OF THE J. ANTHONY LUKAS AWARD
In 1972, the United States Supreme Court made a surprising ruling: the country's death penalty system violated the Constitution. The backlash was swift, especially in Texas, where executions were considered part of the cultural fabric, and a dark history of lynching was masked by gauzy visions of a tough-on-crime frontier. When executions resumed, Texas quickly became the nationwide leader in carrying out the punishment. Then, amid a larger wave of criminal justice reform, came the death penalty's decline, a trend so durable that even in Texas the punishment appears again close to extinction. In Let the Lord Sort Them, Maurice Chammah charts the rise and fall of capital punishment through the eyes of those it touched. We meet Elsa Alcalá, the orphaned daughter of a Mexican American family who found

her calling as a prosecutor in the nation's death penalty capital, before becoming a judge on the state's highest court. We meet Danalynn Recer, a lawyer who became obsessively devoted to unearthing the life stories of men who committed terrible crimes, and fought for mercy in courtrooms across the state. We meet death row prisoners—many of them once-famous figures like Henry Lee Lucas, Gary Graham, and Karla Faye Tucker—along with their families and the families of their victims. And we meet the executioners, who struggle openly with what society has asked them to do. In tracing these interconnected lives against the rise of mass incarceration in Texas and the country as a whole, Chammah explores what the persistence of the death penalty tells us about forgiveness and retribution, fairness and justice, history and myth. Written with intimacy and grace, *Let the Lord Sort Them* is the definitive portrait of a particularly American institution.

The Seven Basic Plots - Christopher Booker 2005-11-11
This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

The Allegory of the Cave - Plato 2021-01-08

The Allegory of the Cave, or Plato's Cave, was presented by the Greek philosopher Plato in his work *Republic* (514a–520a) to compare "the effect of education (παίδεια) and the lack of it on our nature". It is written as a dialogue between Plato's brother Glaucon and his mentor Socrates, narrated by the latter. The allegory is presented after the analogy of the sun (508b–509c) and the analogy of the divided line (509d–511e). All three are characterized in relation to dialectic at the end of Books VII and VIII (531d–534e). Plato has Socrates describe a group of people who have lived chained to the wall of a cave all of their lives, facing a blank wall. The people watch shadows projected on the wall from objects passing in front of a fire behind them, and give names to these shadows. The shadows are the prisoners' reality.

Jay Shetty, social media superstar and host of the #1 podcast *On Purpose*, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts - How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the *Forbes* magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, *On Purpose*, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

The Spire - William Golding 2013-11-05

Succumb to one churchman's apocalyptic vision in this prophetic tale by the radical Nobel Laureate and author of *Lord of the Flies*, William Golding (recorded by Benedict Cumberbatch as an audiobook). There were three sorts of people. Those who ran, those who stayed, and

those who were built in. Dean Jocelin has a vision: that God has chosen him to erect a great spire. His master builder fearfully advises against it, for the old cathedral was miraculously built without foundations. But Jocelin is obsessed with fashioning his prayer in stone. As his halo of hair grows wilder and his dark angel darker, the spire rises octagon upon octagon, pinnacle by pinnacle, watched over by the gargoyles - until the stone pillars shriek, the earth beneath creeps, and the spire's shadow falls like an axe on the medieval world below ... 'Astounding ... So recklessly beautiful, so sad and so strange ... Holds such a place in my soul that it's more or less a sacred text.' Sarah Perry 'A kind of miracle ... Genius.' Guardian 'Quite simply, a marvel.' NYRB 'Superb ... A classic.' Rebecca West 'A master fabulist .. An iconoclast.' John Fowles 'A visionary ... His masterwork [of] faith, folly and desperate desire ... Golding at his best.' Benjamin Myers

Born a Crime - Trevor Noah 2016-11-15

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. *Born a Crime* is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless,

rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

Rites of Passage - William Golding 1980

Winner of the 1980 Booker Prize *Sailing to Australia* in the early years of the nineteenth century, Edmund Talbot keeps a journal to amuse his godfather back in England. Full of wit and disdain, he records the mounting tensions on the ancient, sinking warship where officers, sailors, soldiers and emigrants jostle in the cramped spaces below decks. Then a single passenger, the obsequious Reverend Colley, attracts the animosity of the sailors, and in the seclusion of the fo'castle something happens to bring him into a "hell of degradation," where shame is a force deadlier than the sea itself. William Golding's *To the Ends of the Earth* trilogy is now a BBC/PBS Masterpiece miniseries starring Benedict Cumberbatch, Jared Harris and Sam Neill. *To the Ends of the Earth*: 1. *Rites of Passage* 2. *Close Quarters* 3. *Fire Down Below*

The Strange Case Of Dr. Jekyll And Mr. Hyde - Robert Louis Stevenson 2022-10-19

"The Strange Case of Dr. Jekyll and Mr. Hyde" Stevenson's famous exploration of humanity's basest capacity for evil, has become synonymous with the idea of a split personality. Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

Darkness Visible - William Golding 2007-05-15

Hideously scarred and orphaned during the bombing of London, Matty sees himself as set apart from others, and his wanderings bring him into contact with Mr. Pedigree, a respected teacher and obsessed pederast, and Sophy and Toni, angelic-looking terrorist twins.

Into the Wild - Jon Krakauer 2009-09-22

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —*New York Times* In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be

free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
