Arrest and Detention in India - Dipa Dube
2021-11-01

Human rights enshrined in the Constitution of India protect Indian citizens against misuse of powers by the State and its functionaries.

However, detainee rights are often neglected in custody. Arrest and Detention in India: Law, Procedure and Practice critically examines arrest and detention laws in India, focusing on constitutional guarantees and criminal jurisprudence. The book studies legislations that have invited much criticism from human rights

activists, such as the Code of Criminal Procedure (CrPC), Unlawful Activities (Prevention) Act (UAPA), Armed Forces (Special Powers) Act (AFSPA) and Narcotic Drugs and Psychotropic Substances Act (NDPS). It explores topical areas such as inter-state arrests, juvenile crime, remand and detainee rights. This book evaluates the controversial powers of arrest and detention, arguing for stricter regulation in terms of the international, constitutional and human rights mandates. The book examines public safety and whether it can be implemented through legal standards that compromise personal liberty.

Sixty Years of European Integration and Global Power Shifts - Julien Chaisse

2020-02-06

This book focuses on a review of how sixty years of case-law and regulatory activity transformed the European continent and the world. It provides a critical analysis of the key features of EU integration and how this integration is perceived (internally and externally). In this

context, this book also explores the EU's interactions with a number of other countries and organisations with the objective of assessing the EU's role in global governance.

Administrative Law in Tanzania. A Digest of Cases - D. Chipeta 2009-10-15

Administrative law may best be defined by describing what it encompasses: it is that branch of law which deals with the individual versus governmental or administrative power. It covers court restraint of actions or inactions of public institutions, administrative processes of central and local government, parliamentary and subordinate legislation and the means and procedures by which the rights of individuals are protected against abuse of power by public or local authorities, public corporations, tribunals and other bodies which discharge functions of public nature entrusted to them by law for the benefit of the citizen. It is hoped that this book will act as a wake-up call to all those who have been entrusted with the duty of making decisions affecting the rights of citizens to update themselves so as to discharge their duties correctly and in spirit of good governance. Administrative Law in Tanzania: A Digest of Cases covers high profile and landmark cases in topical areas of constitutional and

administrative law from colonial days to present time, names, procedures in applying for prerogative remedies, constitutional principles and human rights, separation of powers between the Executive, the Legislature and the Judicature, natural justice and the rule of law, statutory ouster of jurisdiction of courts, and the right to legal representation.

Evolution of Indian Judiciary - Dr Lm Singhvi
2012-01-01

Judicial institutions evolved in India in the context of India's social, economic and political conditions and because of the reception of legal concepts and institutions known to English and Scottish judges, lawyers and administrators.

Modern Indian judiciary bears the hallmarks of its genesis and evolution during the British rule but it has progressively gone for beyond the colonial confines after the republican Constitution came into force. The theme of fundamental Rights and the role of the Supreme Court and the High Courts as vigilant custodians of fundamental rights are at the heart of India's constitutional democracy. We owe a deep debt of gratitude to our apex judicature, the higher judiciary and the country's bar in the evolution of the common law of the Constitution. It constitutes by common consent a remarkable chapter in our national life. *H v H* The Constitution of India is not the last word in human wisdom, but it was certainly a glorious achievement of national consensus and national commitment. The higher Indian judiciary can be said to have broadly fulfilled its constitutional ethos. There have been aberrations, notably during the Emergency and in some cases, of overstating and unduly enlarging the scope of

judicial power. More seriously, there are grave and growing problems of inefficient case management, arrears, delays, corruption and incompetence. Those issues have to be addressed urgently, effectively and comprehensively if the Indian judiciary is to emerge as a fit instrument for Rule of Law for the teeming millions in the largest democracy in the world and if the Indian judiciary is to flourish in the twenty-first century holding its head high as an institution of freedom, liberty and balance, with a commitment to the constitutional goals and aspirations of We the People of India. *National Union Catalog* - 1973

INDIAN GOVERNMENT AND POLITICS, Third Edition - Ghosh, Peu 2020-11-01

After years of subjugation by the British colonial rulers, India attained a status of Independent State on 15 August 1947, a day to be reckoned with pride by all Indians. Struggling for her Independence, facing the trauma of partition, and finally establishing a sovereign democratic status for itself, the journey has undoubtedly been a roller coaster ride for India. This book comprehensively outlines the evolution of the Indian Politics, discussing all the constraints, challenges and shortcomings faced by Indian Polity till date. The book shows how State-Society interface, with special emphasis on civil society activities, can play an integral role in

shaping the political fate of the country. In addition, this book not only presents the institutional aspects of Indian politics by underlying in details, the provisions of the Constitution, but also brings out the real working of the institutional framework in an ever-changing social and political environment. Organized into 23 chapters, the book discusses, in detail, the Constitutional development, The Preamble, The Fundamental Rights, The Directive Principles of State Policy, The Executive, The Legislature and The Judiciary at national and state levels followed by their critical appraisals as well as the Centre-State relation with its continuing tensions. To give a clear and panoramic view of Indian Political Scenario the book also focuses on local-self governments, national and regional parties in India, challenges to Indian political system and new social movements. THIRD EDITION
HALLMARK • Thorough updation with contemporary events in Indian political scenario.

- Coverage of General elections to constitute the 17th Lok Sabha.
- Political Developments of recent times. Intended as a textbook for the undergraduate and postgraduate students of Political Science and Law, this book is also useful for the aspirants for Civil Service and competitive examinations like NET and SLET.

KEY FEATURES • Gives a wide coverage of conventional topics pertaining to the Constitution of India, relating them to the working of the Indian polity in the real world. • Tackles issues related to new social movements in India encompassing environmental movements, women's movements, human rights movements and anti-corruption movement. • Highlights the continuing challenges to the Indian Political System from different social and cultural factors, like religion, language, caste, tribe, regionalism and also corruption and criminalization of politics. • Deals with current developments in administrative policies.
