The suggested itineraries and practical information are designed to help you make a dream trip happen for yourself. Be inspired by what is spurring travellers to get out and see more of the world.

**Unlikely Destinations: The Lonely Planet Story** - Tony Wheeler 2007-05-15

Founders of the phenomenally successful publishing company Lonely Planet, Tony and Maureen Wheeler have produced travel guides to just about every corner of the globe. Lonely Planet Publications was born in 1973 when the Wheelers self-published a quirky travel guide, *Across Asia on the Cheap*. This was quickly followed by what soon became the backpackers' bible, *South-East Asia on a Shoestring*. Going boldly where no other travel publisher had ventured, they catered to a new generation of independent, budget-conscious travelers long before the advent of mass tourism. *Unlikely Destinations: The Lonely Planet Story* is a unique mix of autobiography, business history and travel book. It traces Tony and Maureen Wheeler's personal story as well as the often bumpy evolution of their travel guide business into the world's largest independent travel publishing company. Not surprisingly, after thirty years in the business the Wheelers have an unrivalled set of anecdotes which they share in *Unlikely Destinations: The Lonely Planet Story*. They have been hassled by customs, cheated by accountants, let down by writers, banned in Malawi, berated for their Burma guide and had books pirated in Vietnam. Tony has been gored by a cow in Benares, declared dead around the world in an assortment of gruesome and greatly exaggerated accounts and their company has been accused of the "Lonely Planetization" of the world. Through it all, from the heady days of discovery in the '70s to the rocky patch after the September 11th terrorist attacks, the Wheelers' passion for the planet and traveling certainly hasn't diminished, and comes shining through in this enthralling travelogue. But above all, their memoir reveals the spirit of adventure that has made them, according to the *New York Daily News*, "the specialists in guiding weird folks to weird places."

America's National Parks - Lonely Planet Kids 2019-03-01  
Explore America's 60 amazing national parks! From Acadia's seaside cliffs and coves to Zion's enchanting red valleys, you'll discover wolf-howling, water-rushing, lava-exploding, heart-racing destinations. Find out each park's secrets and surprises, plus their best

It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Sweet and Bitter Island - Tabitha Morgan 2010-07-12

On a sweltering day in July 1878, the men of the 42nd Royal Highlanders - the Black Watch - waded ashore at Larnaca Bay to begin the British occupation of Cyprus. Today, Britons on sunbeds colonise the same stretch of sand, the latest visitors to an island which has long held a special place in the English imagination - and a controversial role in British imperial ambitions. From Britain's acquisition of the island in 1878 up to independence in 1960, a true understanding of the complexity of Cypriot society and its aspirations eluded most British administrators. In the late 19th century, the British worked furiously to outmanoeuvre a restless Russian Empire bent on southward expansion. In this 'Great Game' of superpowers, few episodes were bolder than the British acquisition of Cyprus through a secret treaty with the Ottoman Empire. Initially considered strategically vital for the defence of India, the island soon lost its importance as a military staging post, when Britain occupied Egypt. Nevertheless, Cyprus became a major centre of Allied espionage and counter-espionage in both World Wars - a role that up to now has never been fully revealed. But despite the island's importance, British rule on Cyprus was often somewhat lackadaisical: low salaries resulted in a colourful staff of hard drinking colonial rejects and scholarly classicists of independent means. Disastrous governance combined with a misunderstanding by the British of the growing desire for enosis, the union of Cyprus with Greece, contributed to increasing Cypriot disillusionment with British rule. Drawing on largely unpublished material, Morgan reflects on why successive administrations failed so catastrophically to engage with their Cypriot subjects, and how social segregation, confusion about Cypriot identity and the poor calibre of so many administrators all contributed to the bloody guerilla conflict that led, finally, to Cypriot independence. Sweet and Bitter Island explores for the first time the unique bond between Britain and Cyprus and the complex, sometimes tense, relationship between the two nations which endures to the present day. Extensively researched and lyrically written, this is the definitive portrait of British colonial life on the Mediterranean island.

**Northeast India** - Joe Bindloss 2007

Complemented by easy-to use, reliable maps, helpful recommendations, authoritative background information, and up-to-date coverage of things to see and do, these popular travel guides cover in detail countries, regions, and cities around the world for travelers of every budget, along with extensive itineraries, maps with cross-referencing to the text, "Top 10" and "Top 5" lists, and other practical features.

**The Island of Missing Trees** - Elif Shafak 2021-11-02

A REESE'S BOOK CLUB PICK Winner of the 2022 BookTub Silver Medal in Fiction \* Shortlisted for the Women's Prize for Fiction "A wise novel of love and grief, roots and branches, displacement and home, faith and belief. Balm for our bruised times." -David Mitchell, author of Utopia Avenue A rich, magical new novel on belonging and identity, love and trauma, nature and renewal, from the Booker-shortlisted author of 10 Minutes 38 Seconds in This Strange World. Two teenagers, a Greek Cypriot and a Turkish Cypriot, meet at a taverna on the island they both call home. In the taverna, hidden beneath garlands of garlic, chili peppers and creeping honeysuckle, Kostas and Defne grow in their forbidden love for each other. A fig tree stretches through a cavity in the roof, and this tree bears witness to their hushed, happy meetings and eventually, to their silent, surreptitious departures. The tree is there when war breaks out, when the capital is reduced to ashes and rubble, and when the teenagers vanish. Decades later, Kostas returns. He is a botanist looking for native species, but really, he's searching for lost love. Years later a Ficus carica grows in the back garden of a house in London where Ada Kazantzakis lives. This tree is her only connection to an island she has never visited--- her only connection to her family's troubled history and her complex identity as she seeks to untangle years of secrets to find her place in the world. A moving, beautifully written, and delicately constructed story of love, division, transcendence, history, and eco-consciousness, The Island of Missing Trees is Elif Shafak's best work yet.

**Kenya** - Joseph Bindloss 2003

With some of the world's best wildlife viewing, most intriguing tribes and striking scenery, Kenya will take your breath away. Let this guide lead you on the trip of a lifetime. \* Spotting the wild and furry: 16-page colour wildlife guide \* The last word on politics, history and culture, including a Swahili language chapter \* Camel, balloon, trek or 4WD? **Cyprus - Culture Smart!** - Culture Smart! 2022-04-14

Don't just see the sights—get to know the people. For much of its history Cyprus was regarded as the Cinderella of empires--beautiful, abused, isolated. Today, the island is divided between the Greek-Cypriot south and the Turkish occupied north. However, both sides take pride in a shared "Cypriotness," and are united in their common hopes, pain, memories, music, excellent cuisine, rich history, and majestic landscape. Culture Smart! Cyprus equips you with essential information on the history, values, and attitudes of the people you will meet, their customs and traditions, and offers tips on etiquette and socializing. Have a richer and more meaningful experience abroad through a better understanding of the local culture. Chapters on history, values, attitudes, and traditions will help you to better understand your hosts, while tips on etiquette and communicating will help you to navigate unfamiliar situations and avoid faux pas.

**Epic Hikes of the World** - Lonely Planet 2018-08-01

With stories of 50 incredible hiking routes in 30 countries, from New Zealand to Peru, plus a further 150 suggestions, Lonely Planet's Epic Hikes of the World will inspire a lifetime of adventure on foot. From one-day jaunts and urban trails to month-long thru-hikes, cultural rambles and mountain expeditions, each journey shares one defining feature: being truly epic. In this follow-up to Epic Bike Rides and Epic Drives, we share our adventures on the world's best treks and trails. Epic Hikes is organised by continent, with each route brought to life by a first-person account, beautiful photographs and charming illustrated maps. Additionally, each hike includes trip planning advice on how to get there, where to stay, what to pack and where to eat, as well as recommendations for three similar hikes in other regions of the world. Hikes featured include: Africa & the Middle East: Cape Town's Three Peaks (South Africa) Kilimanjaro (Tanzania) Camp to Camp in South Luangwa National Park (Zambia) Americas: Angel's Landing, Zion National Park (USA) Skyline Trail, Jasper National Park (Canada) Concepción volcano hike (Nicaragua) Asia: 88

Sacred Temples of Shikoku Pilgrimage (Japan) Markha Valley (India) Gubeikou to Jinshanling on the Great Wall (China) Europe: Wordsworth's Backyard: Dove Cottage and around Rydal and Grasmere (UK) Alpine Pass Route (Switzerland) Camino de Santiago (Spain) Oceania: Sydney's Seven Bridges Walk (Australia) The Routeburn Track (New Zealand) Kokoda Track (Papua New Guinea) About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travellers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

**Cyprus** - Jessica Lee 2018

Your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you

**Cyprus South & North** - Rolf Goetz 2019-03-28

Cyprus is not only famous for its cultural heritage and 9000 year old past - "Aphrodite's Island" is one of the most popular hiking destinations in the eastern Mediterranean. The centre of the island is dominated by the Troodos mountain measuring some 2000 m in height,

which despite its considerable altitude is more reminiscent of European low mountains, due to its softly rounded and forested peak. This Rother hiking guide proposes 50 routes mostly ranging from easy to medium level. Next to mountain tours, it also includes a selection of coastal paths along bizarre cliffs and adventurous ravine tours. Forest paths and nature trails lead through aromatic cedar woods, silent valleys and to remote Byzantine churches and monasteries. Classic spring tours are those which take visitors across the peninsula of Akamas, when colourful carpets of flowers and orchids blossoming by the wayside unveil their typical Mediterranean charm.

Top 10 Cyprus - DK Travel 2017-02-01

An unbeatable guide to Cyprus, packed with insider tips and ideas, colour maps and top 10 lists - all designed to help you see the very best of Cyprus. Spend time exploring the Akamas Peninsula, head into the Troodos Mountains, visit the Selimiye Mosque or experience Cyprus's famous nightlife in Ayia Napa. From Top 10 beaches to the Top 10 galleries and museums - discover the best of Cyprus with this easy-to-use travel guide. Inside Top 10 Cyprus: - Five easy-to-follow itineraries, perfect for a day trip, a weekend or a week - Top 10 lists showcase Cyprus's best attractions, covering Akamas Peninsula, Ayia Napa, Kourion and many more - In-depth neighbourhood guides explore Cyprus's most interesting areas, with the best places for shopping, going out and sightseeing - Colour-coded chapters divided by area make it easy to find information quickly and plan your day - Essential travel tips including our expert choices of where to stay, eat, shop and sightsee, plus useful transport, visa and health information - Colour maps help you navigate with ease - Covers Central Cyprus, Northern Cyprus, the Troodos Mountains and more. About DK Eyewitness Travel: DK's Top 10 guides take the work out of planning a short trip, with easy-to-read maps, tips and tours to inform and enrich your weekend trip or cultural break. DK is the world's leading illustrated reference publisher, producing beautifully designed books for adults and children in over 120 countries.

**Birds of Cyprus** - Colin Richardson 2020-01-09

Cyprus is a great place of birding, and one of the most popular places for birders to visit in Europe. It holds populations of a number of regional scarcities that are very hard to see elsewhere, plus a number of endemic subspecies, and the two jewels in the crown - two full endemics, Cyprus Wheatear and Cyprus Warbler, the latter of which graces the jacket of this new Helm field guide to the island. Detailed plates are allied to concise identification text, with accurate maps stemming from Colin Richardson's decades-long programme of population-mapping on the island. Together, these elements make this the definitive guide to Cyprus's birds, one that no visitor to this beautiful island can be without.

Lonely Planet Malta & Gozo - Lonely Planet 2019-02-01

Lonely Planet's Malta & Gozo is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Wander prehistoric temples, fossil-studded cliffs and hidden coves; explore an underwater world with a scuba diving or snorkelling trip; and discover a history of remarkable intensity. All with your trusted travel companion.

Cyprus - Josephine Quintero 2015-01-30

This is a complete, practical country guide to Cyprus for independent travellers, featuring a chapter dedicated to activities on the island. It also contains expanded sections on culture, history and food and drink

Tony Wheeler's Bad Lands - Tony Wheeler 2011-04-01

In an age of plastic knives on planes, Tony Wheeler can make the extraordinary claim of having visited all the rogue countries currently on new readers' lip. Badlands is a witty first-hand account of his travels through

some of the most repressive and dangerous regimes in the world: Afghanistan, Albania, Burma (Myanmar), Cuba, Iran, Iraq, Libya, North Korea and Saudi Arabia. Taking into account each country's attitude to human rights, terrorism and foreign policy, he asks 'what makes a country truly evil?' and 'how bad is really bad?' - all the while engaging with a colorful cast of locals and hapless tour guides, ruminating on history and debunking popular myths. Written by the founder of Lonely Planet, this fascinating account of life in these closed-off countries will appeal to anyone with an interest in the state of the world today

**The Gap Year Book** - Charlotte Hindle 2005

The Gap Year Book is the leading one-stop guide for 18- to 25-year olds taking time out from their studies and career to travel. This practical and inspiring guide contains essential information on every aspect of the gap-year experience, including pre-trip planning, budgeting, packing, health and safety, volunteering, courses and working abroad. New regional maps and continent overviews reveal the best routes and must-see attractions for young travellers.

Walking in Cyprus - Nike Werstroh 2017-12-05

This guidebook presents 44 graded walks spread across the island, covering both southern and northern Cyprus, with a slight focus on the central Troodos region. Clear description and mapping is presented for each route and a route summary table makes it easy to choose an appropriate walk. The walks, of 3 to 20km, range from gentle strolls to longer, more demanding routes, sometimes involving steep ascents, difficult terrain or navigational challenge. They showcase Cyprus's captivating landscapes, from the sun-kissed coastline lapped by clear turquoise waters to the pine-clad slopes of the Troodos and Besparmak Mountains. Many visit sites of historical interest - including UNESCO-listed Byzantine monasteries, Venetian bridges, defensive castles and hideouts from the 1950s independence struggle - and other highlights include the stunning Avakas Gorge, the caves of Cape Greco and the striking Besparmak range. As well as the walks, the guide offers plenty of information to help you organise and get the most out of your trip, with advice on transport, bases and border crossings. There's far more to Cyprus than just the bustling resorts: the favourable climate, attractive scenery and many kilometres of footpaths and nature trails make it an ideal destination for walkers.

Lonely Planet USA - Lonely Planet 2020-04-01
