A Coaches Collaboration - Henry Katie 2016-09

If you operate your own coaching business - whether online or in person - you know there is a lot to learn! Get a jumpstart on the big stuff with this book written by 12 inspiring coaches across all markets! From money mindset to managing a team, this is THE manual for coaches. Written in collaboration by: Annika Suoma Frey Bonnie Chase RN Kelly Caldwell Carla Gibson DC Cherrise Boucher Aliza Bloom Robinson Dana Attkisson Croy Melissa Kirkpatrick Misti Patrella Patti O'Leary Tarryne West Katie Henry Kavita Singh Here's some feedback from our beta readers: "I think this book seems like a very valuable tool for aspiring coaches. It covers every aspect of the profession and really shows how this is one profession that you can't practice if you don't have your own ducks in a row. If you're not authentic, at peace and together yourself, you will quickly be labeled a fraud and lose credibility. This book offers the tools to help coaches identify the needs of their clients and relate to them on a personal level with an individualized approach that can be implemented many different ways. Cool concept." S.B. "The Team Management Chapter was an easy read and very informative. Being a loyal Tony Robbins follower, I was amazed that I had never heard of the assessment testing he provides. I was glad that it was included in the chapter along with other ways to learn more about yourself and your team member's strengths. This book will be a great asset to new and seasoned Coaches alike." E. Z. "I LOVE YOUR CHAPTER on authenticity Katie. You can feel your energy, positivity and light through your words. You spread your message in your writing because it is so authentic and real and you embody your message in how you share it. The advice you gave was 100% spot on, a real foundation to kicking off ANY business- not only for healers. This is a constant theme throughout the entire book...genuine, intuitive and straight from the heart. I will definately share this book with the entrepreneurs who are my clients. Thank you!" KS

The Year in Television, 2008 - Vincent Terrace 2009-06-08

In 2008, the broadcast networks, cable channels and syndication produced nearly 1,100 new and continuing entertainment programs—the most original productions in one year since the medium first took hold in 1948. This reference book covers all the first run entertainment programs broadcast over the airwaves and on cable from January 1 through December 31, 2008, including series, specials, miniseries, made-for-television movies, pilot films, Internet series and specialized series (those broadcast on gay and lesbian channels). Alphabetically arranged entries provide storylines, performer/character casts, production credits, day/month/year broadcast dates, type, length, network(s), and review excerpts.

The Growing Gap in Life Expectancy by Income - National Academies of Sciences, Engineering, and Medicine 2015-09-17

The U.S. population is aging. Social Security projections suggest that between 2013 and 2050, the population aged 65 and over will almost double, from 45 million to 86 million. One key driver of population aging is ongoing increases in life expectancy. Average U.S. life expectancy was 67 years for males and 73 years for females five decades ago; the averages are now 76 and 81, respectively. It has long been the case that better-

educated, higher-income people enjoy longer life expectancies than less-educated, lower-income people. The causes include early life conditions, behavioral factors (such as nutrition, exercise, and smoking behaviors), stress, and access to health care services, all of which can vary across education and income. Our major entitlement programs - Medicare, Medicaid, Social Security, and Supplemental Security Income - have come to deliver disproportionately larger lifetime benefits to higher-income people because, on average, they are increasingly collecting those benefits over more years than others. This report studies the impact the growing gap in life expectancy has on the present value of lifetime benefits that people with higher or lower earnings will receive from major entitlement programs. The analysis presented in *The Growing Gap in Life Expectancy by Income* goes beyond an examination of the existing literature by providing the first comprehensive estimates of how lifetime benefits are affected by the changing distribution of life expectancy. The report also explores, from a lifetime benefit perspective, how the growing gap in longevity affects traditional policy analyses of reforms to the nation's leading entitlement programs. This in-depth analysis of the economic impacts of the longevity gap will inform debate and assist decision makers, economists, and researchers.

American Films of the 70s - Peter Lev 2010-01-01

While the anti-establishment rebels of 1969's *Easy Rider* were morphing into the nostalgic yuppies of 1983's *The Big Chill*, Seventies movies brought us everything from killer sharks, blaxploitation, and disco musicals to a loving look at General George S. Patton. Indeed, as Peter Lev persuasively argues in this book, the films of the 1970s constitute a kind of conversation about what American society is and should be—open, diverse, and egalitarian, or stubbornly resistant to change. Examining forty films thematically, Lev explores the conflicting visions presented in films with the following kinds of subject matter: Hippies (*Easy Rider*, *Alice's Restaurant*) Cops (*The French Connection*, *Dirty Harry*) Disasters and conspiracies (*Jaws*, *Chinatown*) End of the Sixties (*Nashville*, *The Big Chill*) Art, Sex, and Hollywood (*Last Tango in Paris*) Teens (*American Graffiti*, *Animal House*) War (*Patton*, *Apocalypse Now*) African-Americans (*Shaft*, *Superfly*) Feminisms (*An Unmarried Woman*, *The China Syndrome*) Future visions (*Star Wars*, *Blade Runner*) As accessible to ordinary moviegoers as to film scholars, Lev's book is an essential companion to these familiar, well-loved movies.

The Marsh Madness - Victoria Abbott 2015-09-01

The national bestselling author of *The Wolfe Widow* presents another spine-tingling mystery featuring rare book collector Jordan Bingham and some Ngaio Marsh first editions worth killing for... Jordan works hard to improve Vera Van Alst's collection of classic detective stories. So when Chadwick Kauffman—heir to the Kauffman fortune—offers a very good price on a fine collection of Ngaio Marsh first editions owned by his recently deceased stepfather, she is thrilled to meet with him at his fabled summer estate, Summerlea. The next day, Jordan and Vera are shocked to read that Chadwick has died in a fall from the grand staircase at Summerlea. But when the picture in the paper is of a different man, it becomes clear that the ladies are victims of a scam. And they'll have to unmask the imposter fast, because someone is trying to frame them for murder...

Cosmos & Culture - Steven J. Dick 2009

From GPO Bookstore's Website: Authors with diverse backgrounds in science, history, anthropology, and more, consider culture in the context of the cosmos. How does our knowledge of cosmic evolution affect terrestrial culture? Conversely, how does our knowledge of cultural evolution affect our thinking about possible cultures in the cosmos? Are life, mind, and culture of fundamental significance to the grand story of the cosmos that has generated its own self-understanding through science, rational reasoning, and mathematics? Book includes bibliographical references and an index.

War and American Popular Culture - M. Paul Holsinger 1999

Spanning more than 400 years of America's past, this book brings together, for the first time, entries on the ways Americans have mythologized both the many wars the nation has fought and the men and women connected with those conflicts. Focusing on significant representations in popular culture, it provides information on fiction, drama, poems, songs, film and television, art, memorials, photographs, documentaries, and cartoons. From the colonial wars before 1775 to our 1997 peacekeeper role in Bosnia, the work briefly explores the historical background of each war period, enabling the reader to place the almost 500 entries into their proper context. The book includes particularly large sections dealing with the popular culture of the American Revolution, the Civil War, the Indian Wars West of the Mississippi, World War II, and Vietnam. It has been designed to be a useful reference tool for anyone interested in America's many wars, to provide answers, to teach, to inspire, and most of all, to be enjoyed.

100 Great War Movies: The Real History Behind the Films - Robert Niemi 2018-04-30

This book serves as a fascinating guide to 100 war films from 1930 to the present. Readers interested in war movies will learn surprising anecdotes about these films and will have all their questions about the films' historical accuracy answered. • Applies an internationalist perspective to the war film through entries from countries including Britain, France, Germany, Russia, Australia, Japan, Poland, Finland, and Latvia • Defines great war films as the most artistically accomplished, politically subversive, and thought-provoking, not merely as the most popular or commercially successful, and is therefore a relevant reference for students and film and history buffs • Provides clearly written and informative histories of the films themselves as well as of the cultural context surrounding the making and reception of them • Recounts critical controversies and analyzes the ideological biases implicit in these films in its examination of how the films shaped their source material and what they included, distorted, and added or left out

Twelve Angry Men - Reginald Rose 2006-08-29

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, *Twelve Angry Men* holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, *Twelve Angry Men* had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Book of Qualities - J. Ruth Gendler 1988-01-27

From Beauty to Compassion, from Pleasure to Terror, from Resignation to Joy -- here is an insightful exploration of the rich diversity of human qualities. J. Ruth Gendler's evocative book has as its cast of familiar characters our own emotions, brought to life with a poet's wisdom and an artist's perceptive eye. In *The Book of Qualities'* magical community, Excitement wears orange socks, Faith lives in the same apartment building as Doubt, and Worry makes lists of everything that could go wrong while she is waiting for the train. In portraying the complexities of the psyche, Gendler uses the Qualities to bridge the distinctions between literature and psychology, and has created an original work that challenges us to look at our emotions in new and inspiring ways.

The Prehistory of Home - Jerry D. Moore 2012-04-18

Many animals build shelters, but only humans build homes. No other species creates such a variety of dwellings. Drawing examples from across the archaeological record and around the world, archaeologist Jerry D. Moore recounts the cultural development of the uniquely human imperative to maintain domestic dwellings. He shows how our houses allow us to physically adapt to the environment and conceptually order the cosmos, and explains how we fabricate dwellings and, in the process, construct our lives. *The Prehistory of Home* points out how houses function as symbols of equality or proclaim the social divides between people, and how they shield us not only from the elements, but increasingly from inchoate fear.

Letters at 3am - Michael Ventura 1993

"I'd rather have one or two of his whiplashing essays in my hands than almost any tome of philosophy". -- Thomas Moore

The Less Dead - Denise Mina 2020-08-18

In this "thought-provoking" thriller from the author of the Reese Witherspoon book club pick and national bestseller *Conviction*, a woman in crisis finds herself on the hunt for her own mother's murderer (People). Dr. Margo Dunlop is at a crossroads. Her adoptive mom just passed away, and Margo misses her so much she can't begin to empty the house-or, it seems, get her brother on the phone. Not to mention she's newly single, secretly pregnant, and worried about her best friend's dangerous relationship. In an effort to cheer herself up she goes in search of her birth

mother. Instead she finds Nikki, her mother's sister. Aunt Nikki isn't what Margo expects, and she brings upsetting news: Margo's mother is dead. Worse, she was murdered years ago, and her killer is still at large—and sending Nikki threatening letters. Margo is torn. Should she stay out of this mess, or try to find justice? But then Margo receives a letter, too. Someone out there has been waiting and watching, and in Margo sees the spitting image of her mother . . . Darkly funny and deeply affecting, *The Less Dead* is a sharply modern new thriller from the bestselling author of *Conviction*, and a surprisingly moving story of daughters and mothers, secrets and choices, and how the search for the truth—and a long-hidden killer—will lead one woman to find herself.

Twelve Years A Slave (Illustrated) - Solomon Northup 2014-08-22

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.
