[Seeing Through Heaven's Eyes](#) - Leif Hetland 2011-08-16

This beautifully written half-memoir, half-essay, explores the realities of Papa God's love for you, your identity as His beloved child and heirs, and the transformation of your vision of yourself, others, and world events that this revelation of your place in the divine family brings. Poignant personal reflections are woven artfully with metaphors, personal stories, and an eclectic smattering of quotes and movie references. You, too, are invited to reflect and discover your own divine encounter. You will learn how to see through Heaven's eyes—through the Father's eyes—and that look of love will transform everything, including: God. Yourself. Other people. Your family. Your enemies. The end times. Seeing Through Heaven's Eyes is powerfully presented and will bless and free you to experience a deeper relationship with Father God.

Revival God's Way - Leonard Ravenhill 2006-12-01

For All Christians Who Yearn for Revival God's Way This no-compromise biblical clarion call to revival is timeless. Leonard Ravenhill clearly shows how the church can be brought from where it is to where it ought to be. The church

still needs his message, first published in 1983, for as Ravenhill said, "We live in a generation which has never know revival--God's way." The message is drastic, fearless, and often radical. His goal for the church is nothing less than full restoration to the glory, power, holiness, and dignity that Christ intended for it.

The One True God - Paul David Washer 2009-01-01

This book is essentially bound as a Wire-O bound journal, with a hardback cover wrapping around the entire book, even the spine. This keeps the book in good shape for a long time, and also provides for optimum usability. The One True God is a unique kind of workbook, intending not just to teach truth but to lead to an encounter with the living God. Beneath that goal the book aims to ground believers in orthodox Christian theology and the actual contents of the Bible. Students are encouraged to thoughtfully draw conclusions from the Scriptures rather than to merely absorb the principles, inferences, and illustrations set before them by the author. For this reason the book does not include such material and instead focuses on digesting the Scriptures directly. Through God's own words and under various systematic headings the book unfolds the nature of God. In this way the reader is set on a firm foundation and will readily perceive the centrality and high authority of biblical doctrine within the Christian life. It is the author's conviction that the study of doctrine is both an intellectual and devotional discipline. Therefore students are guided throughout the study to think through and apply the truths they learn, meditating on the demands of Scripture for their heart and mind. The book puts us squarely in the middle of the material and demands we

give searching thought to how we will live before such a God. This workbook is especially suited for the following contexts: (1) doctrinal training for new converts; (2) college and adult group Bible studies; (3) private study; (4) Christian or home school curriculum; (5) Sunday school material; (6) an aid to parents in teaching the Word of God to their children.

Jardim da intimidade - Bill Barros 2021-11-22

A história bíblica revela de forma circunstancial o anseio de Deus na busca pelo homem. Isso desponta, em todos os sentidos, de forma intrínseca, a respeito da necessidade que o homem tem de Deus. O autor se esforça para deixar perceptível que desde a fundação do mundo até agora, Deus busca relacionamentos, como um altruísta, sacrificando Seu Filho Jesus para que a humanidade o tenha por perto.

The Gospel's Power and Message - Paul Washer 2012

One of the greatest crimes of this generation of Christians is our neglect of the gospel, and it is from this neglect that all our other maladies spring forth. Absent from too many pulpits are the essential themes that make up the very core of the gospel-the justice of God, the radical depravity of man, and the blood atonement. In *The Gospel's Power and Message*, Paul Washer addresses these essential elements of Christ's good news and provides a guide to help us rediscover the gospel in all its beauty, scandal, and saving power. May such a rediscovery transform your life, strengthen your proclamation, and bring the greatest glory to God. Book jacket.

He Came to Set the Captives Free - Rebecca Brown 1992-07-01

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian

churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

The Path of Prayer - Samuel Chadwick
2020-06-17

Samuel Chadwick (1860-1932) was a Wesleyan Methodist minister, and a nonsense kind of preacher. His works have endured long after his death, and will doubtless continue to impact readers, as his practical approach and straight-forwards style make even the most complicated topic easy to grasp.

Let Us Pray - Watchman Nee 1977-08

What is prayer? Are we really praying when we pray? Do we know the power of prayer? These matters and others must be understood if we would have a real prayer life and be effective in prayer. In this little volume of collected messages given over a long period of ministry by the author, and which are now translated and published in English for the first time, Watchman Nee shares with us the lessons on prayer that he has learned through the years. He considers prayer to be a mystery, though not something that is incomprehensible. He views prayer as the greatest work to which men are called. It is a working together with God. Through it, God's purpose is accomplished and Satan's intentions are broken. And its benefit to the one who prays is something great as well. Let us therefore follow the admonition of our blessed Lord, who said: "Rise and pray" (Luke 22.46).

Necessity of Prayer - Edward M. Bounds
2011-04-07

In The Necessity of Prayer, Edward Bounds, a 20th century pastor and lawyer, suggests that prayer is an essential part of the Christian believer's life. He writes, "the Christian soldier, if he fight to win, must pray much." Bounds' book, however, is not simply a list of prayers for one to work through, but also a discourse on the very nature of prayer. He connects the nature of prayer to other features of the Christian life, such as faith, reverence, patience, hope, character, conduct, and faithfulness. Bounds' passion for

prayer--which compelled him to write nine books on the topic--shines through in this work, and cannot but help motivate those who read it to also see the necessity of prayer. Perfect for individual study, Bounds' book is sure to change the way one prays. -Tim Perrine, CCEL Staff Writer

Um Profeta Para Esta Geração! - Daniel Ben Elyon 2021-10-09

A Igreja Ocidental tem se corrompido a cada dia e aqueles que se dizem cristãos tem se corrompido em sua maioria de uma forma vergonhosa. O Cristianismo Pós-Moderno é uma vergonha que tem causado muitos escândalos. A Igreja Atual é um retrato fiél da igreja que precede o Arrebatamento: a Igreja de Laodicéia do Apocalipse. Uma Igreja arrogante, soberba e prepotente. Um igreja que se julga rica e autossuficiente — mas que Cristo a acusa de ser pobre espiritualmente e miserável sob todos os aspectos. Uma igreja que se julga triunfante — mas que na realidade está nua e é completamente cega! A igreja atual deixou Jesus Cristo do lado de fora. E toda uma geração de crentes acha que tudo está indo bem no melhor

dos mundos possíveis. Mas a realidade está bem longe disso. O que esta geração mais precisa — do modo mais urgente e inadiável — são de verdadeiros profetas para alertarem o povo sobre o atual estado de caos da igreja atual e chamarem esse mesmo povo ao arrependimento urgente diante de Deus! A Igreja Atual necessita urgentemente de verdadeiros profetas para esta geração!

Heart Breathings in Poetry and Prose - Felix Bovet 2000

Heart Breathings is a fitting title for a book where words are only the vessel that somehow endeavors to hold, and show forth, the breathings of the spirit that is not flesh. There is a frustration when yearnings beyond words find themselves clothed in the only medium that can cause them to be tangible to others. These poems are the roarings and sighings and longings of the inarticulate soul trying to create a substance through which to transmit its feelings to others. Paul Ravenhill."

Why Revival Tarries - Leonard Ravenhill 2004-08-01

Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. Why Revival Tarries contains the heart of his message. A.W. Tozer called Ravenhill "a man sent from God" who "appeared at [a] critical moment in history," just as the Old Testament prophets did. Included are questions for group and individual study.

The Dynamic Laws of Prosperity - Catherine Ponder 2016-06-21

There's Gold Dust in the Air for You! This book is the result of several recent recessions and many years of lean living. Nobody likes recessions and nobody likes lean living—and indeed nobody should like them. For fifteen years I tried to find such a book as this one. During those years of searching the book shelves, I found that there are many books which give various success ideas, but in none of them did I find a set of compact, simple laws for assuring success. I began searching for a book such as this after having been widowed and left with a small son to rear and educate. Since I had no training for work and no means of income, I would have given

anything to have known then about the power of prosperous thinking. As soon as I grasped this wonderful success secret, the tide began to change! As you begin reading this book, no matter what the conditions of your life may now be, do so in this attitude of mind: There is gold dust in the air—for me... Get Your Copy Now.

Revival Praying - Leonard Ravenhill 2005-02-01

Leonard Ravenhill presents prayer as faith in action in this fast-paced presentation of this crucial subject. He called prayer the most essential ingredient in producing revival. Filled with exhortations and illustrations, it teaches the art of effective praying—which will result in revival. Moody Monthly said, "This is a plea for praying that will melt the preacher's heart, move the people, and magnify the Lord Jesus."

The Lamb's Supper - Scott Hahn 2002-06-18

As seen on EWTN, bestselling author Scott Hahn unveils the mysteries of the Mass, offering readers a deeper appreciation of the most familiar of Catholic rituals. Of all things Catholic, there is nothing that is so familiar as the Mass. With its unchanging prayers, the Mass fits Catholics like their favorite clothes. Yet most Catholics sitting in the pews on Sundays fail to see the powerful supernatural drama that enfolds them. Pope John Paul II described the Mass as "Heaven on Earth," explaining that what "we celebrate on Earth is a mysterious participation in the heavenly liturgy." The Lamb's Supper reveals a long-lost secret of the Church: The early Christians' key to understanding the mysteries of the Mass was the New Testament Book of Revelation. With its bizarre imagery, its mystic visions of heaven, and its end-of-time prophecies, Revelation mirrors the sacrifice and celebration of the Eucharist. Beautifully written, in clear direct language, bestselling Catholic author Scott Hahn's new book will help readers see the Mass with new eyes, pray the liturgy with a renewed heart, and enter into the Mass more fully, enthusiastically, intelligently, and powerfully than ever before.

Genesis - Charles Henry Mackintosh 2018-07-24

Charles Henry Mackintosh (1820-1896) was a nineteenth-century Christian preacher, dispensationalist, writer of Bible commentaries, magazine editor and member of the Plymouth Brethren. Mackintosh's literary fame rests primarily upon his work: "Notes on the

Pentateuch," beginning with a volume of 334 pages on Genesis, and concluding with a two-volume work on Deuteronomy extending to over 800 pages. His books have been translated into a dozen or more languages. Brethren historian Roy Coad notes: "Another popular writer among the exclusives was an Irish schoolmaster, Charles Henry Mackintosh, who preached extensively in the revival movement. The initials 'C.H.M.' became familiar in many pious evangelical households of the later Victorian and Edwardian years. No critical scholar, Mackintosh nevertheless had a marked gift for simple Biblical exposition, and his works on the Pentateuch had an enormous vogue as simple aids to devotional interpretation for the first five books of the Bible." The works Mackintosh are characterized by a deep-toned evangelical spirit and the enjoyment of the God's Word.

Laodicéia - Uma Igreja Repreensível - Leonardo Pereira 2021-09-03

A Igreja de Laodicéia levou muitas censuras do Senhor Jesus Cristo em sua forma de viver e de agir; contudo, tais censuras serviram para que a igreja pudesse se fortalecer de forma magnífica, no poder de Deus e nos Espírito do Senhor. Nas palavras do Altíssimo encontramos a correção para nossas vidas e para a nossa comunidade de fiéis. A mensagem de Laodicéia é a mensagem primordial para os nossos dias: que reconhecamos os nossos erros, nossas limitações e deixemos que o Cristo da Glória que bate a nossa porta, venha cear conosco.

De Folha a Fruto - Martinho Lutero Semblano 2019-02-27

O que é um "discípulo"? Ou melhor: o que é "construir" um discípulo? Este livro trata sobre o papel do discipulador como "mentor" e as sete fases do discipulado, desde a acolhida do novo-

convertido (o "não envolvimento" é um problema comum em muitas igrejas) até o preparo do mesmo para cumprir o "ide" de Jesus, fazendo do discipulador um construtor de felizes e frutíferos servos de Cristo.

Evangelism by Fire - Reinhard Bonnke 2011-08-09

The Gospel is not good news to people who do not hear it...and an unpreached gospel is no Gospel at all. In the New Testament we never read about God going forth on His own, but that His followers "went out and preached everywhere, the Lord working with them." In short, God acted when they acted.

Evangelist Reinhard Bonnke has led millions of people into a life-transforming encounter with God. In *Evangelism by Fire* he lays out the principles necessary for effective evangelism, showing how God operates through anyone who is willing to follow His plan. The Gospel is as vital today as it was when Jesus walked the shores of the Sea of Galilee, and nations urgently need the life-giving message of the cross right now. Filled with biblical principles, prophetic messages, and personal examples, *Evangelism by Fire* will inspire you to bring the focus of your life and ministry back to the Great Commission.
