paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think-- and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by

structuring property sales wisely Important projections about the future of real estate investment

this handy guide, you won't need an accountant to find quick and easy ways to pay less. And there's nothing unethical about these tax loopholes. In fact, the government wants you to take advantage of them! These tax-reducing tactics and strategies can give you the freedom to save for your family's future or for your own financial independence. Plus, you'll find a handy checklist of more than 300 business deductions, real-life tax strategy examples, useful sample forms, explanations of IRS codes and rules, and much more.

**ABCs of Buying Rental Property** - Ken McElroy  
2020-09-29

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested

\$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years.

Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO:

- Secure your investment money
- Find your ideal market--and a positive-cash-flow property
- Efficiently manage your property
- Handle your record keeping
- Boost revenues and cut costs
- File your taxes using a step-by-step process
- Build your real estate

*The Book on Tax Strategies for the Savvy Real Estate Investor* -

Amanda Han 2016-02-18

Taxes! Boring and irritating, right? Perhaps. But if you want to succeed in real estate, your tax strategy will play a HUGE role in how fast you grow. A great tax strategy can save you thousands of dollars a year - and a bad strategy could land you in legal trouble. That's why BiggerPockets is excited to introduce its newest book, *The Book on Tax Strategies for the Savvy Real Estate Investor!* To help you deduct more, invest smarter, and pay far less to the IRS!

*The Stock Market Cash Flow* - Andy 2014-03-25

The book begins by addressing many of the challenges stock market investors face today and the various ways many

investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the goals of the reader [Buying and Selling a Business](#) - Garrett Sutton 2013-02-28

numerous law for the layman books, and he guides the reader clearly through all of the obstacles to be faced before completing a winning transaction. "Buying and Selling a Business" uses real life stories to illustrate how to prepare your business for sale, analyze acquisition candidates and assemble the right team of experts. The book also clearly identifies how to understand the tax issues of a business sale, how to use confidentiality agreements to your benefit and how to negotiate your way to a positive result. Robert Kiyosaki, the best selling author of Rich Dad/Poor Dad has this to say about Buying and Selling a Business, "Garrett Sutton's information is priceless for anyone who wants to increase his or her

knowledge of the often secret world of the rich, what the rich invest in, and some of the reasons why the rich get richer." Buying and Selling a Business is a timely business book for our times.

Real Estate Titans - Erez Cohen 2019-04-02

wanted to understand how these real estate giants became so successful, so he refined his quest into three critical questions: What inspires these titans to work so hard and reach such extraordinary levels of success? What are the main elements and traits inside of them that propel them to be so grandiose? How have these individuals, who had less resources, succeeded on a much bigger scale than so many of their competitors? Real Estate Titans contains the 7 key lessons distilled from interviews with several of the world's greatest real estate investors. These critical lessons offer insight into the mindset, tactics, and habits that each of the interviewed titans possess. Once you implement these key ideas—which you won't

find anywhere else—into your business, it will grow exponentially within a matter of months. Real Estate Titans offers an insider's view into several of the most successful investors on the planet. The book's compelling stories and lessons show why real estate is such a wonderful and important business, and it also offers a roadmap for becoming a world class real estate player.

Please note: This is a companion version & not the original book.

Sample Book Insights: #1

There are two types of real estate loopholes: those that can be opened and those that can be closed. From a tax standpoint, there are real estate loopholes to be opened. From the legal side, there are real estate loopholes to be closed. #2 Real estate offers great financial advantages to those who understand the system. It is easier to raise capital for real estate ventures than with other assets, such as stocks, bonds, and

tax-deferred retirement funds. #3 There are three types of income: earned, passive, and portfolio. Earned is what you get after a long day of work.

Passive is what comes to you from an investment such as real estate.

Portfolio income is what comes from the dividends and increases in value of paper assets such as stocks, bonds, and mutual funds. #4 The point of this book is not to encourage you to invest only in real estate. The Rich Dad philosophy is to diversify and put your savings and earnings into three different areas: businesses, real estate, and paper assets.

**Tax-Free Wealth - Tom Wheelwright** 2013-02-28  
Tax-Free Wealth is about tax planning concepts. It's about how to use your country's tax laws to your benefit. In this

book, Tom Wheelwright will tell you how the tax laws work. And how they are designed to reduce your taxes, not to increase your taxes. Once you understand this basic principle, you no longer need to be afraid of the tax laws. They are there to help you and your business—not to hinder you. Once you understand the basic principles of tax reduction, you can begin, immediately, reducing your taxes. Eventually, you may even be able to legally eliminate your income taxes and drastically reduce your other taxes. Once you do that, you can live a life of Tax-Free Wealth.

Run Your Own Corporation

- Garrett Sutton

2013-02-28

“I’ve set up my corporation. Now what do I do?” All too often business owners and real estate investors are

asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don’t know what to do next. “Run Your Own Corporation” provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad’s Advisor Garrett Sutton, Esq., who also authored the companion edition “Start Your Own Corporation”, the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the

fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.
