Hoosiers and the American Story - Madison, James H. 2014-10-01

A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

Miracles in American History - Susie Federer 2012-05-11

Discover desperate circumstances in America's past and how men and women rose up with faith and courage and situations unexplainably turned around. Read of captivating, little-known stories during the French & Indian War, Revolution, Barbary Pirate War, War of 1812, Civil War, WWI & II, and up through Apollo 13. Learn "the rest of the story" of how leaders prayed, challenged and inspired the nation and disaster was averted! YOU will be inspired as you uncover "Miracles in American History - 32 Amazing Stories of Answered Prayer." ARE you aware of these past crises when America's fate hung in the balance? In 1746, 70 ships with 13,000 troops sailed from France to lay waste to the American colonies. Massachusetts Governor William Shirley proclaimed a Day of Fasting. What happened next was unexplainable! After the Battle of Monongahela,

George Washington wrote from Fort Cumberland to his younger brother, John Augustine Washington, July 18, 1755: But by the All-Powerful Dispensations of Providence, I have been protected beyond all human probability or expectation; for I had four bullets through my coat, and two horses shot under me, yet escaped unhurt, although death was leveling my companions on every side of me! How did Thomas Jefferson's resolution for a Day of Fasting on June 1, 1774, lead to the forming of the Continental Congress, and eventually Independence? Read how in 1781 the providential rising of three rivers in 10 days allowed Americans to escape British General Cornwallis? Or how the uncanny way Benedict Arnold's planned betrayal of West Point was discovered? George Washington exclaimed: "The Hand of Providence has been so conspicuous in all this (the course of the war) that he must be worse than an infidel that lacks faith." Ben Franklin declared: "In the beginning of the Contest with Great Britain...we had daily prayer in this room for Divine protection...All of us who were engaged in the struggle must have observed frequent instances of a Superintending Providence in our favor." In 1865, President Lincoln proclaimed a Day of Fasting for April 30. What freak accident happened two days later which changed the course of the Civil War? What did Woodrow Wilson declare as the U.S. entered WWI. Or Herbert Hoover during the Great Depression? Or FDR, Eisenhower, MacArthur and Patton during WWII? Or Truman during the Korean War? When Apollo 13 was lost in space, what happened after President Nixon called all of America to pray? Are you aware of these American Miracles? Find out as you read "Miracles in American History - 32 Amazing Stories of Answered Prayer."

#WriteIn16 - John P Wolff 2016-09-13

In these last weeks leading up to the 2016 U.S. presidential election, millions of disaffected Americans still feel like they are being forced to choose between the lesser of two evils. They must cast their votes as a way to save America by blocking one candidate, rather than propelling America forward by supporting a candidate who really aligns with their values. In search of better options, these frustrated throngs are lighting up social media with the hashtag #WriteIn16. This book answers their call. "#WriteIn16 A Field Guide to the 100 Most Presidential Americans" speaks to every American who secretly wishes -- or openly agitates -- to vote for someone other than the two major-party candidates this November 8th. Co-authored by an east coast digital media strategist and a west coast business school professor, this book informs and stimulates conversation about the American qualities that make a person worthy to hold the most powerful and important position in the world. Using the G.R.E.A.T.(c) framework, this book rates the 100 American leaders who exemplify the five traits of being presidential: Global Vision, Reach, Ethics, Accomplishment, and Talent. Selected from a wide range of fields and backgrounds, the views of these would-be presidents range across the political gamut, from progressive Democrats and conservative Republicans to Greens and Independent 3rd-party candidates. From moderates and apolitical pragmatists to idealists, they all possess extraordinary qualities. We believe that voters in 2016 should feel empowered, not disenfranchised. In most states, Americans can write in a vote for someone we truly deem worthy to be president, regardless of who is on the ballot. This book will show you how and get you talking about whose name to choose.

The Iron Triangle - Vince Everett Ellison 2019-10-06

To save America and the world, Conservatives must first answer this one very important question: Why do the vast majority of Christian African Americans vote for the Atheist/Anti-Christian, Liberal Democrat Party? This book answers that question. Why is this important? The answering of this question and the implementation of the suggested remedies will greatly improve America's chances of ushering in an enlightened era of freedom and prosperity, while critically damaging its primary source of evil: The Democrat Party. This evil party could not survive without 90% of Christian African American vote. Conservatives wonder: Why would African Americans forsake their children, spouses, communities, lives, freedom and GOD for the Democrat Party? Presently, Democrats control every Black ghetto, every failing Black school, every drug corner and every prison in America. Amazingly, the majority of African Americans love them for it. Why? This book explains it. This book argues that falsely accused White Christian conservatives have nothing more for which to apologize. Despite slanderous accusations of racism and hatred, this book reassures Conservatives, and encourages them to press forward. The real oppressors are now unmasked. To control African Americans during and after the Civil Rights Movement, White Democrats organized and formed an unholy alliance with most Black preachers, Black civic organizers and Black politicians. I call this trifecta the "Iron Triangle." It has worked perfectly. This book exposes the greatest continuous betrayal in history: The betrayal of America in general, and of Black America in particular by the Democrat Party and the Iron Triangle. It utilizes lessons and anecdotes from my life experiences in the Jim Crow South, in the Black church, as a correctional officer, leading civic organizations, and involvement in politics to illustrate these facts. It traces the origins and explains the rationale behind the Black community's fatal attraction to the oldest and most prolifically evil organization in history. It further explains how liberals have used this deadly infatuation to take over the Democrat Party and America. This book explains why undermining Christianity and inciting racial discord between Black and White Christians is essential to Democrat Party survival. It explains why Democrat Party leadership believes the gospel of Jesus Christ is poisonous, racial reconciliation is catastrophic, and atheism is necessary. This book explains how their plans can be countered. It is a primer, designed to teach Conservatives how to communicate with a Democrat who has been indoctrinated with a lifetime of lies. This book teaches history, psychology, religion, philosophy and truth. So let's talk to and reason with our brothers and sisters in Christ, and our fellow countrymen. Then, let's dismantle this Iron Triangle and save America.
