Global Marketing Strategy - Bodo B. Schlegelmilch 2016-03-02

This book has been written for experienced managers and students in postgraduate programs, such as MBA or specialized Masters programs. In a systematic yet concise manner, it addresses all major issues companies face when conducting business across national and cultural boundaries, including assessing and selecting the most promising overseas markets, evaluating market entry alternatives, examining the forces that drive adaptation versus standardization of the marketing mix. It looks at the various global marketing challenges from a strategic perspective and also addresses topics not usually found in international marketing texts, such as aligning marketing strategies with global organizational structures, managing the relationship between national subsidiaries, regional headquarters and global headquarters, as well as corporate social responsibility challenges, and pertinent future trends that are likely to affect global business.

Ethical Decision Making for Business - John Fraedrich 2010-06-15

Providing a vibrant new four-color design, market-leading ETHICAL DECISION MAKING FOR BUSINESS, 8e, International Edition, thoroughly covers the complex environment in which managers confront ethical decision making. Using a proven managerial framework, this accessible, applied text addresses the overall concepts, processes, and best practices associated with successful business ethics programs—helping readers see how ethics can be integrated into key strategic business decisions. Thoroughly revised, the new eighth edition incorporates comprehensive and rigorous updates that reflect the recent economic crisis and the ever-increasing academic and governmental attention being given to this area. It also includes nine all-new case studies, while other cases have been completely updated.

Social Responsibility and Business - Debbie M. Thorne 2010-04-09

SOCIAL RESPONSIBILITY AND BUSINESS, 4e, International Edition introduces a strategic social responsibility framework for courses that address the role of business in society. Social responsibility is presented as the extent to which a business adopts a strategic focus for fulfilling the economic, legal, ethical, and philanthropic responsibilities expected by all its stakeholders. In this fourth edition, the authors present the most up-to-date findings in the field, describe best practices, encourage student decision-making, provide cutting-edge cases, and inspire the application of social responsibility principles to a variety of situations and organizations. The soft cover format is affordable to students and provides more opportunities for instructors to supplement the course content or to further customize the content to meet their needs. Additionally, a comprehensive teaching and learning package ensures that business students understand and appreciate concerns about business ethics, social auditing, corporate social responsibility, corporate governance, sustainability, and a host of other factors involving a global perspective for today's business leaders.

Marketing Strategy, Text and Cases - O. C. Ferrell 2013-01-01

Thoroughly revised and updated, MARKETING STRATEGY, 6e continues with one primary goal: to teach students to think and act like marketers. Packed with cutting-edge coverage, current examples, new cases, and photographs, the sixth edition delivers a practical, straightforward approach to analyzing, planning, and implementing marketing strategies—helping students learn to develop a customer-oriented market strategy and market plan. Students sharpen their analytical and creative critical thinking skills as they learn the key concepts and tools of marketing strategy. Continuing in the text's signature student-friendly style, the sixth edition covers essential points without getting bogged down in industry jargon—all in a succinct 10 chapters. Available with InfoTrac Student Collections <http://gocengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product

Developing Human Service Leaders - Deborah Harley-McClaskey 2015-12-24

Developing Human Service Leaders is an empowering text for human services students that covers the skills and behaviors essential for leaders to manage themselves, their teams, and the organization. Using a unique coaching voice, author Deborah Harley-McClaskey follows a Reflection-Diagnosis-Prescription approach for leadership development with exercises built into the dialogue. The final chapter, Prognosis, offers a workbook-style exercise to help students make a personal change.

Business Ethics - Joseph W. Weiss 2014-07-04

Ethics for Today This is a pragmatic, hands - on, up - to - date guide to determining right and wrong in the business world. Joseph Weiss integrates a stakeholder perspective with an issues - oriented approach so students look at how a business's actions affect not just share price and profit but the well - being of employees, customers, suppliers, the local community, the larger society, other nations, and the environment. Weiss uses a wealth of contemporary examples, including twenty - three customized cases that immerse students directly in recent business ethics dilemmas and ask them to consider how they would resolve them. The recent economic collapse raised ethical issues that have yet to be resolved - there could not be a better time for a fully updated edition of Weiss's classic, accessible blend of theory and practice. New to the Sixth Edition! New Cases! Fourteen of the twenty - three cases in this book are brand new to this edition. They touch on issues such as cyberbullying, fracking, neuromarketing, and for - profit education and involve institutions like Goldman Sachs, Google, Kaiser Permanente, Walmart, Ford, and Facebook. Updated Throughout! The text has been updated with the latest research, including new national ethics survey data, perspectives on generational differences, and global and international issues. Each chapter includes recent business press stories touching on ethical issues. New Feature! Several chapters now feature a unique Point/Counterpoint exercise that challenges students to argue both sides of a contemporary issue, such as too - big - to - fail institutions, the Boston bomber Rolling Stone cover, student loan debt, online file sharing, and questions raised by social media.

Competition, Trust, and Cooperation - Yuichi Shionoya 2012-12-06

It was at the fifth SEEP-Conference on Economic Ethics and philosophy in autumn 1997 that the organizational work of the seventh conference in 1999 was entrusted to the editors of this volume. Prof. Peter Koslowski, series editor of The Studies in Economic Ethics and Philosophy, SEEP, expressed the hope that the SEEP-Conference be held in the Far-East for the first time would bring a new comparative aspect to economic ethics and philosophy. Further, the agenda of economic ethics seemed to increase its significance also in Japan and other Asian countries especially due to the spread of corruption in the government and business under the financial crisis that attacked these nations in the late 1990s. Though we chose "Com petition, Trust, and Cooperation" as the general theme of the conference, this should include the collusion, distrust, and corruption as the opposite side of the medal. The conference was held on March 10-12, 1999 at the Kansai Seminar House of the Nippon Christian Academy, Kyoto, Japan. Fourteen papers were submitted to the conference. In addition to twelve papers that are printed in this volume, Prof. Ruisheng Wang (Capital Normal University, Beijing) read his paper on ethical problems in the context of Asian financial crisis and Prof. Agnar Sandmo (Norwegian School of Economics and Business Administration) did the same by his paper on societal aspect of the competition promotion policy.

Integrität in Unternehmen - Lisa Schöttl 2018-05-09

Unternehmen stehen in der Verantwortung, eine Vielzahl an Werten in ihrem Geschäft zu beachten, allen voran den der Integrität. Das Buch

beantwortet die Frage, was Integrität für Unternehmen bedeutet und wie integriertes Unternehmenshandeln erreicht werden kann. Die Autorin entwickelt einen theoretisch fundierten und praktisch anwendbaren Ansatz der Unternehmensintegrität und gibt Orientierung, wie dieser durch vielfältige Maßnahmen im Rahmen von Integrity Management umgesetzt werden kann. Dabei werden klassische Compliance-Ansätze um eine wertorientierte Perspektive ergänzt, damit Unternehmen ihre je eigene Verantwortung wahrnehmen können.

The Business Ethics Workshop - James Brusseau 2014

The Business Ethics Workshop by James Brusseau focuses on reality and engagement. Students respond to examples and contemporary cases that touch on their own anxieties, desires and aspirations, and this textbook drives that without sacrificing intellectual gravity. It incites student interest and gets to the core of ethical issues.

Organizational Ethics and Stakeholder Well-Being in the Business Environment - Sean Valentine 2014-04-01

Organizational ethics involves the institutionalized principles, guidelines, and norms that influence how a company and its employees function in an ethical manner. Ultimately, these processes collectively influence a firm's 1) overall sense of business ethics, 2) management of employees, and 3) interactions with partners outside of the immediate work environment. Researchers and practitioners are interested in organizational ethics because the different approaches used to develop such a context generate many other positive business outcomes. While the connection between organizational ethics and employee/stakeholder well-being has been explored, moving forward with a number of new investigations should push the literature forward. This book seeks to explore these important topics and present a more comprehensive overview of organizational ethics and stakeholder well-being in the business environment. Such inquiry is important because the linkages between business ethics and stakeholders, if well managed, have the capacity to benefit both companies and employees. In addition, the content of this book should serve to guide future investigations within this area of business ethics.

Business Ethics: Ethical Decision Making and Cases - O. C. Ferrell 2021-06-16

Learn to make successful ethical decisions in the midst of the new business realities of 2020 and 2021 with Ferrell/Fraedrich/Ferrell's market-leading BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES, 13E. Packed with current examples and exercises, this edition demonstrates how to integrate ethics into key strategic business decisions as reorganized chapters clearly present the ethical decision-making process in today's complex ethical, legal, social and political environments. New scenarios highlight 2020 economic and pandemic realities and preview ethical challenges you are most likely to encounter as a new manager. Updates address the processes and best practices behind successful business ethics programs as well as the latest legislation and new coverage of global sustainability and corporate social responsibility. New and original cases provide insights into ethics in familiar organizations, such as Tesla and TOMS, while exercises reinforce concepts with hands-on applications. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Marketing Ethics & Society - Lynne Eagle 2015-09-15

Marketing, while essential to organisational success, is arguably one of the most controversial aspects of business management. Criticisms of marketing's impact range from fostering materialism and unsustainable consumption patterns through to the use of deception, stifling of innovation and lowering of quality, to name but a few. Taking a holistic and international perspective, this book critically examines the ethical challenges marketing faces and explores strategies marketers can use to respond to those challenges. The book examines specific aspects of marketing activities, such as ethical considerations in relation to young consumers, potentially harmful products and criticism of the societal impact of medical, arts and tourism marketing activities. It then combines these with wider discussions of frameworks that enable marketers to respond to ethical challenges, supplemented by discussions of cross-cultural and international perspectives, consumer responses and ethical consumption movements as well as shifting historical perceptions of marketing ethics. The book is accompanied by a companion website including: PowerPoint slides and teaching notes per chapter, links to free SAGE journal articles and online videos selected per chapter by the authors, quizzes per chapter and links to further reading online. Ethics in Marketing - Patrick E. Murphy 2016-12-13

Understanding and appreciating the ethical dilemmas associated with business is an important dimension of marketing strategy. Increasingly, matters of corporate social responsibility are part of marketing's domain. Ethics in Marketing contains 20 cases that deal with a variety of ethical issues such as questionable selling practices, exploitative advertising, counterfeiting, product safety, apparent bribery and channel conflict that companies face across the world. A hallmark of this book is its international dimension along with high-profile case studies that represent situations in European, North American, Chinese, Indian and South American companies. Well known multinationals like Coca Cola, Facebook, VISA and Zara are featured. This second edition of Ethics in Marketing has been thoroughly updated and includes new international cases from globally recognized organizations on gift giving, sustainability, retail practices, multiculturalism, sweat shop labor and sports sponsorship. This unique case-book provides students with a global perspective on ethics in marketing and can be used in a free standing course on marketing ethics or marketing and society or it can be used as a supplement for other marketing classes.

Business Ethics - Gael McDonald 2014-10-29

Business Ethics will equip students with the strategies necessary to analyse and improve the broad scope of business ethics today.

Ethical Decision Making in Marketing - Lawrence B. Chonko 1995-05-02

Chonko simplifies the presentation of ethical decision making by substituting a "people are different" approach to the in-depth theoretical treatment of ethical decision rules. Discussions of various marketing decision areas are included, as are numerous scenarios to help students develop the decision-making skills that will guide them in their careers.

Principles of Responsible Management: Global Sustainability, Responsibility, and Ethics - Oliver Laasch 2014-01-01

PRINCIPLES OF RESPONSIBLE MANAGEMENT offers an international, scientifically sound, and strictly practice-related perspective. It is the first official textbook of the United Nations for the Principles for Responsible Management Education (PRME) academic network, and a reference book for companies of the United Nations Global Compact Initiative. It is a primary text for traditional business and society, business ethics, corporate social responsibility, and sustainability courses, or may serve as a practitioner handbook. Contributors are renowned academic professionals in their respective chapter topics as well as distinguished business practitioners who contribute highly relevant practice cases. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Encyclopedia of Business and Professional Ethics - Deborah C Poff 2021-02-05

This encyclopedia, edited by the past editors and founder of the Journal of Business Ethics, is the only reference work dedicated entirely to business and professional ethics. Containing over 2000 entries, this multi-volume, major research reference work provides a broad-based disciplinary and interdisciplinary approach to all of the key topics in the field. The encyclopedia draws on three interdisciplinary and over-lapping fields: business ethics, professional ethics and applied ethics although the main focus is on business ethics. The breadth of scope of this work draws upon the expertise of human and social scientists, as well as that of professionals and scientists in varying fields. This work has come to fruition by making use of the expert academic input from the extraordinarily rich population of current and past editorial board members and section editors of and contributors to the Journal of Business Ethics.

Business Ethics - 2004

Description This official Government manual provides a practical guide to assist owners and managers in meeting emerging global standards and expectations for an effective business ethics program. The manual is intended to be a practical resource for owners and managers, and endeavors to provide a comprehensive framework for designing and implementing business ethics programs by addressing such issues as what it means to be a responsible business, how to approach responsible business conduct as a strategy, which structures and systems help management foster reasonable expectations among enterprise stakeholders as well as guide employees and agents to meet them, how to communicate with stakeholders about enterprise standards, expectations, and performance--and secure stakeholders' feedback, how to align management practices with core enterprise beliefs through a business ethics program, and how to evaluate performance under a business ethics program and learn from it.

Ethics in Accounting: A Decision-Making Approach - Gordon Klein 2015-12-17

This book provides a comprehensive, authoritative, and thought-provoking examination of the ethical issues encountered by accountants working in the industry, public practice, nonprofit service, and government. Gordon Klein's, *Ethics in Accounting: A Decision-Making Approach*, helps students understand all topics commonly prescribed by state Boards of Accountancy regarding ethics literacy. Ethics in Accounting can be utilized in either a one-term or two-term course in Accounting Ethics. A contemporary focus immerses readers in real world ethical questions with recent trending topics such as celebrity privacy, basketball point-shaving, auditor inside trading, and online dating. Woven into chapters are tax-related issues that address fraud, cheating, confidentiality, contingent fees and auditor independence. Duties arising in more commonplace roles as internal auditors, external auditors, and tax practitioners are, of course, examined as well.

International Business Ethics and Growth Opportunities - Wolf, Ruth 2014-12-31

In the modern business environment, companies strive to create a sense of moral obligation within their employees in an effort to foster a concern for social welfare and justice among global organizations. Despite the efforts of managers and directors, many companies continue to find it difficult to overcome the moral dilemmas of the corporate sector. *International Business Ethics and Growth Opportunities* presents the necessary methods and resources for managers and directors to be successful in leading their corporations in a responsible and morally conscious manner. Examining the dangers of unethical behavior, this book provides the strategies and tools for proper management to encourage company strength and success. This publication is an essential resource for academicians, researchers, officials, post-graduate students, and professionals in the fields of business and business education interested in ethical decision making on the individual and company level.

Emotions, Ethics and Decision-Making - Wilfred J. Zerbe 2008-06-16

The rapidly growing recognition of the importance of emotion in understanding all aspects of organizational life is facilitating the development of focused areas of scholarship. This volume includes articles, which represent a selection of the papers presented at the sixth International Conference on Emotions and Organizational Life.

Islamic Business Ethics - Rafik Issa Beekun 1997

This book addresses Muslim business community members who have to deal with ethical situations on a day-to-day basis. It gives key principles of management from an Islamic point of view. Its goal is to help Muslims engaged in business to act in accordance with the Islamic system of ethics. The writer's experience with different Islamic activities give him a practical background that supports and enlightens his academic knowledge in the vital fields of business management and administration.

Ethical Consumerism and Comparative Studies Across Different Cultures: Emerging Research and Opportunities - Al-A'ali, Ebtihaj Ahmed 2019-08-30

One of the integral parts of determining business success directly correlates to how well a company interacts with their customers. This increased demand for direct communication has evolved how companies cooperate with their patrons and examines how essential ethics is related to these communications. *Ethical Consumerism and Comparative Studies Across Different Cultures: Emerging Research and Opportunities* provides emerging research exploring the theoretical and practical aspects of the fundamental issues related to ethical consumerism and applications within business, science, engineering, and technology and examines the impact Arab and global cultures have on consumerism. Featuring coverage on a broad range of topics such as business ethics, data management, and global business, this book is ideally designed for managers, executives, advertisers, marketers, sales directors, practitioners, researchers, academicians, and students.

Business Ethics For Dummies - Norman E. Bowie 2011-02-09

The tools you need to deal with ethical dilemmas in business In today's world, it's increasingly important for all businesses and government agencies to implement ethical conduct in the workplace. Therefore, business ethics has become required coursework for most students in undergraduate and postgraduate business programs. Mapping to a business ethics course, *Business Ethics For Dummies* examines ethical theory and discusses the moral issues facing corporate America. It covers topics such as conflicts of interest, trade secrets and insider trading, product safety and product liability, hiring, drug testing, sexual harassment, diversity, and much more. The basics of ethics and making ethical decisions How-tos on incorporating business ethics in the workplace A discussion of moral issues facing corporate America Packed with easy-to-understand explanations and examples, *Business Ethics For*

Dummies is a helpful resource for students, professors, business owners, managers, and CEOs who seek a clear understanding of the importance of ethics.

Geopolitics and Strategic Management in the Global Economy - Presenza, Angelo 2017-06-19

As the world continues to evolve, globalization remains a key topic area among scholars and practitioners across disciplines and industries. It is essential for managers to stay informed and look out for potential threats that can negatively affect global operations. *Geopolitics and Strategic Management in the Global Economy* is a pivotal reference publication featuring the latest scholarly research on an international view of the challenges and opportunities organizations face in the global marketplace. Including coverage on a broad range of topics such as firm competitiveness, project management, and social capital, this book is ideally designed for academicians, researchers, students, and managers seeking current research on best ways to handle international management issues.

Ethics and Project Management - Ralph L. Kliem, PMP 2011-10-14

Ethics plays a critical role in project management, but all too often, its importance is overlooked. This benign neglect can result in serious consequences to individuals and organizations, ranging from tarnished reputations to civil and criminal liability. *Ethics and Project Management* demonstrates the importance of making ethics a key consideration in managing projects and describes the impacts that occur when ethical transgressions arise. Providing the tools necessary for project managers to avoid an ethical lapse that can put themselves and their organization at risk, this volume: Defines ethics and places it within the project management context Discusses the contents of the Project Management Institute's code of ethics Enables project managers to recognize the trends that precipitate ethical dilemmas on a project Demonstrates how ethical concerns permeate the entire project life cycle Provides tips on establishing a governance protocol to ensure ethical compliance Explores legal issues that arise from unethical behavior Examines how ethical concerns on a project can have global implications, and how to operate in international settings with cultural differences Each chapter ends with a Getting Started Checklist, facilitating immediate application of the concepts discussed and making it easy for project managers to determine whether they are in compliance with ethical standards. Providing a solid roadmap for the ethical health of a project, this volume is essential reading for all those concerned with avoiding the disastrous consequences of a cavalier approach to ethics. Praise for the book: ... a great desktop reference for any project manager. It is a must-have title to complete any project management library and I recommend it to both new and highly experienced project managers. —Gregg D. Richie, PMP, MCTS, CNP, Managing Principal, P8, LLC

Mandated Corporate Social Responsibility - Nayan Mitra 2019-08-28

This book examines the Indian mandate for Corporate Social Responsibility (CSR) and its implementations in various individual organizations. Although the mandate is applicable only to certain large and stable companies, many believe that India is poised to become the birthplace of social, economic and environmental transformation, given the immense size of the Indian population and its challenging socio-economic index. The book explores the various facets of CSR investigation and places special emphasis on the Schedule VII of the Indian Companies Act of 2013, which defines specific areas of intervention for these companies. In addition, it provides a wealth of first-hand case studies that exemplify the ongoing developments and the fundamental challenges and opportunities of mandated CSR.

Business Ethics - Stephen M. Byars 2018-09-24

Business Ethics - J.S. Nelson 2022-03-01

An authoritative and practical guide to business ethics, written in an accessible-question-and answer format In today's turbulent business climate, business ethics are more important than ever. Surveys of employees show that misconduct is on the rise. Cover stories reporting indictments, prosecutions, and penalties imposed for unethical business conduct appear almost daily. Legislatures pass requirements elevating the levels of punishment and their enforcement against corporations and individuals. Organizations face pressure to design and implement effective ethics and compliance programs. As a result, businesses and businesspeople are increasingly worried that their conduct might cross lines that put their wealth and reputations at risk. *Business Ethics: What Everyone Needs to Know*® explains what those lines are, how not to cross them, and what to do when they are crossed. Written for both businesspeople facing real-life dilemmas and students studying ethical

questions, this succinct book uniquely surveys materials from moral philosophy, behavioral science, and corporate law, and shares practical advice. Experts J.S. Nelson and Lynn A. Stout cover a wide array of essential topics including the legal status of corporations, major ethical traps in modern business, negotiations, whistleblowing and liability, and best practices. Written in a short question-and-answer style, this resource provides engaging and readable introductions to the basic principles of business ethics, and an invaluable guide for dealing with ethical dilemmas.

Managing Business Ethics - Linda K. Trevino 2016-09-13

Revised edition of the authors' *Managing business ethics*, [2014]

Business Ethics 2009 Update: Ethical Decision Making and Cases - O. C. Ferrell 2009-04-27

Delve into the core of ethics today in your course with the latest practical, applied coverage found in Ferrell/Fraedrich/Ferrell's BUSINESS ETHICS 2009 UPDATE. Whether you use this book as a supplement or primary text in your undergraduate or graduate course, the accessible, up-to-date approach provides unmatched insights into the complex environment in which contemporary managers make ethical decisions. The book's solid managerial framework and new updates highlight the latest developments in ethics and how they relate to overall ethics concepts, processes, and best practices used throughout successful business ethics programs. Your students see how ethics can play a critical role in key strategic business decisions. Captivating new cases and engaging examples reflect today's most recent business developments and crises. Rather than focusing on intellectual reasoning alone or a philosophical discussion of ideas, the book's proven learning features help students prepare and practice confronting the types of actual ethical dilemmas they will face in today's business world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Ethics: Ethical Decision Making & Cases - O. C. Ferrell 2018-03-08

Learn to make successful ethic decisions in today's complex managerial environment with Ferrell/Fraedrich/Ferrell's market-leading BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES, 12E. Packed with cases, exercises, and simulations, this applied approach uses a proven managerial framework to address overall concepts, leading processes and the best practices associated with today's top business ethics programs. Readers learn how to integrate ethics into key strategic business decisions. This thoroughly revised edition highlights new legislation affecting business ethics and offers the most up-to-date examples and best practices of high-profile organizations. Twenty new or updated original case studies provide insights into ethical dilemmas and guide you in learning to make consistently strong ethical decisions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Corporate Social Responsibility and Governance - Samuel O. Idowu 2014-11-27

This book deals with the role of international standards for corporate governance in the context of corporate social responsibility. Based on the fundamentals of moral theory, the book examines governance and CSR in general, addressing questions such as: Is "good governance" not affected by moral concerns? How do the principles and practices of CSR standards adhere to or conflict with insights from business ethics and moral theory? To what extent do the standards and governance models provide normative guidance? Do the standards and governance guidelines provide an adequate means of benchmarking and auditing? Are these standards a help or a hindrance to stakeholder engagement and transparency? The book provides insightful and thought-provoking answers to these and many other important questions concerning CSR standards, and offers a valuable resource for practitioners, academics and students at business schools and other institutions.

Business Ethics - Laura Pincus Hartman 2016-04-16

Leadership and Personnel Management: Concepts, Methodologies, Tools, and Applications - Management Association, Information Resources 2016-02-17

Responsible Leadership - Nicola M. Pless 2012-11-27

These chapters on 'Responsible Leadership' represent the latest thinking on a topic of increasing relevance in a connected world. There are many challenges that still remain when it comes to establishing responsible leadership both in theory and practice. Whilst offering conceptualisations for the improvement of leadership is a first and perhaps easier response, what is more difficult is to facilitate the actual change to happen. These chapters will not only generate interest in the emerging domain of studies on responsible leadership, but also will pave the way for future research in this area in the years to come. Previously Published in the Journal of Business Ethics, Volume 98 Supplement 2, 2011

Business Ethics - Andrew Crane 2019-06

How can you be an ethical corporate citizen in an increasingly complex, multiple-stakeholder world? This is the most pressing question facing businesses today, small and large, local and global. Business Ethics and Corporate Social Responsibility - International Conference Business Ethics and Corporate Social Responsibility 2006

Understanding Business Ethics - Peter A. Stanwick 2015-09-16

Filled with real-world case studies and examples of ethical dilemmas, Understanding Business Ethics, Third Edition prepares students and managers alike to make ethical decisions in today's complex, global environment. Bestselling authors Peter A. Stanwick and Sarah D. Stanwick explain the fundamental importance of ethical leadership, decision making, and strategic planning while examining emerging trends in business ethics such as the developing world, human rights, environmental sustainability, and technology. In addition to presenting information related to the Association to Advance Collegiate Schools of Business (AACSB), the text's 26 real-world cases profile a variety of industries, countries, and ethical issues in a way that is relevant and meaningful to students' lives. The Third Edition features new cases from well-known companies such as Disney and General Motors, new coverage of emerging topics such as big data and social media, expanded coverage of corporate social responsibility, and more. Using an applied approach, this text helps students understand why and how business ethics really do matter!
