**What You Need to Know to Go Global** - Stephen Creskoff 2016-05-09

What You Need To Know To Go Global is a terrific book! Any SME wanting to compete in world markets should read What You Need To Know To Go Global written by an extremely knowledgeable expert with a lifetime of hands-on experience. --William Krist, Senior Scholar, Wilson Center and author of Globalization and Americas Trade Agreements. As a practitioner of international trade law for 30 years, I am often asked for help with this very question - how do I go international with my business? Until now, Ive never had a good answer. Steve Creskoffs book fills a big gap in the available books on this subject. It is very practical and the stories based on his work and experience place the issues in context and allow the reader to understand the how and why not just the what. Chapter 9 alone is worth the price of the entire book. The

value provided in this book is worth hundreds or even thousands of dollars in consulting fees. The reader gets the benefit of the authors years of global experience for the price of the book, a real bargain. --Jeff Snyder, General editor, Global Trade & Custom Journal and Chair, international trade group, Crowell & Moring LLP What You Need To Know To Go Global is an invaluable tool for anyone trying to understand and overcome the challenges of international trade. It is highly readable and full of insights and practical advice. --Lynn Reaser, Ph.D., Chief Economist, Fermanian Business & Economic Institute, Point Loma Nazarene University

*European VAT Law as Interpreted by the Court of Justice* - Erik Stessens  
2022-11-22

Value added tax (VAT) is often considered the most important development in tax of the past century. Although generally successful - it can account for a large proportion of state revenue - it has spawned its own set of complex problems that require a corresponding set of legal skills to resolve. This book, by systematically drawing out the rules from a thorough analysis of the VAT Directive and as good as every VAT case ever decided by the Court of Justice of the European Union (CJEU) (850 in all), is the ideal day-to-day guide to European VAT law. The rules - and their applications - for such VAT matters as the following are clearly described with examples: distinction between supplies of goods and services for VAT purposes; bundled supplies; intra-Community

acquisitions; when tax liability starts and ends; place of supply rules and their exceptions; exemptions in the real estate, finance, and insurance sectors; import and export exemptions; right to deduct VAT; abuse of rights; the problem of incorrect invoices; refund of VAT; and special schemes. An extensive keyword register facilitates navigating the book. Developed from the author's daily practice as a tax counsel, this book will be of immeasurable value to tax consultants, lawyers, in-house counsel, tax authority officials, and taxation academics, not only in Europe but beyond.

**ASEAN Matters!** - Yoong Yoong Lee 2011  
The initiative to establish the Association of Southeast Asian Nations (ASEAN) Community was adopted by the ten leaders at the 2003 Bali Summit in Indonesia. Since then, the concept of a community-building process in ASEAN has become an issue that attracts a great deal of attention from scholars and experts around the world. ASEAN Matters!

Reflecting on the Association of Southeast Asian Nations carries essays with different perspectives on critical issues relating to the three pillars in building the ASEAN Community, namely the ASEAN Political and Security Community; the ASEAN Economic Community; and the ASEAN Socio-Cultural Community. In a nutshell, this book provides broad and invaluable insights into the role ASEAN plays in enhancing peace, prosperity, and stability in the Southeast Asian region. Written in a highly accessible style, the contents include both a thorough review of current issues and a succinct overview of the past and future direction of ASEAN. The book reiterates the continued and strengthening relevance of ASEAN, 43 years after its founding. Unlike most other books on ASEAN, a majority of the essays are written by former professional staff at the ASEAN Secretariat, as well as from current office holders. This gives the volume a high degree of authenticity and unique insights. More interestingly, it also includes viewpoints from experts, scholars, diplomats and officials who either have extensive research knowledge or had been involved in ASEAN's external and economic relations with the dialogue partners, such as China, India, Japan, the Republic of Korea, Australia, New Zealand, and the European Union (EU), among others. Schedule B, Statistical Classification of Domestic and Foreign Commodities Exported from the United States - 2008

Rules of Interpretation; Additional U.S. Rules of Interpretation; Ch. 1-99, headings & subheadings through the 8-digit level (with their numbers, article descriptions, tariff rates & special

tariff programs). Appendices: Chemicals, Pharmaceuticals, & Intermediate Chemicals for Dyes. In binders.

Expat Guide - Martine Maurel 2000  
The Expat Guide: Moscow is designed for the expatriate either planning to move to Moscow or who is already living in Moscow. It is hoped that information in this guide will help reduce the steepness of the learning curve that the new expatriate in Moscow has to undergo in order to establish a rewarding, and fulfilling life in a huge and often bewildering city. The guide has been written by an expatriate who related the research she conducted to the progressive stages of her personal learning curve. The author has experienced first-hand the trials and tribulations... and the joys, of learning to live in Moscow.
