*The Sabian Symbols & Astrological Analysis* - Blain Bovee 2004

The Sabian symbols are a set of 360 channeled images corresponding to the degrees of the zodiac. A rich source of wisdom and inspiration, these symbols are indispensable for astrological analysis. The Sabian Symbols & Astrological Analysis offers an insightful look at the Sabian symbols, based on the original notations of their creator, Marc Edmund Jones. Discussing each degree of the zodiac, Blain Bovee helps readers understand the Sabian symbols, while leaving plenty of room for individual interpretation. The extensive use of key words and phrases prompts the reader to use a creative approach and to find the relevance of a specific symbol to his or her life. Bovee also demonstrates how to draw meaning from astrological pairs and opposing degrees.

*The Zodiac by Degrees* - Martin Goldsmith 2015-03-15

The Zodiac by Degrees provides symbols and interpretations for each of the 360 degrees of the zodiac. These symbols make a direct connection with your basic spiritual energies and penetrate the private language of your personal mythology. For this second edition, every one of the 360 degrees has been reexamined from extensive lists of examples. In the end, about ninety degrees have undergone major changes and all of the rest have been clarified and sharpened. The result is a symbol system of unparalleled accuracy, and an indispensable tool for both amateur and practicing astrologers.

**Inside Degrees** - Ellias Lonsdale 1997-07-08

In much the same way in which he characterized planets and asteroids as powerful, gendered beings in *Inside Planets*, Ellias Lonsdale gives new depth and nuance to degree analysis, an area often seen as technical or reduced to cliché. The degree symbols are most useful in elaborating a personal birth chart. One can learn about personal cycles from studying the place of a transiting or progressed planet by degree at a given time, revealing collective as well as personal timings. The Zodiac degrees also act as an oracle. One can open the collection anywhere for a given day, or in response to a question. The degrees will reveal what is happening now and, if we are attentive and responsive to the cues, what is required of us. By comparing charts of friends and famous people who are known for certain qualities, one can gradually discriminate among the degrees. These beautifully written and fully imagined readings of the Chandra degree symbols speak to a deep level of personal change and authenticity.

The result is a symbol system of unparalleled accuracy, and an indispensable tool for both amateur and practicing astrologers. The Zodiac by Degrees gave me serious goose bumps on several occasions. Inside of half an hour, the text had cleared up my ambivalence about the exact degree of my Ascendant and given me a new understanding of my Sun degree#8212one vastly more evocative than the traditional Sabian interpretation. Martin Goldsmith is a poet in the old sense of the word: he's on fire with imagery and the fire is contagious." #8212Steven Forrest, author of *The Inner Sky* "At last! An astrologer who has undertaken the huge workload of intensive research

into the individual degrees of the zodiac. Thanks to his years of work, Goldsmith has finally taken this area of astrology out of the misty, intuitive, 'channeled' area of the Sabian symbols onto the firmer and more reliable footing of good, grounded research. This long-needed book is therefore an essential reference work for any serious astrologer."#8212Bernadette Brady, author of Predictive Astrology

**Numerology of Astrology** - Lynn Buess 2013

Lynn Buess has done it again As an innovator in the consciousness and self-awareness field for over fifty years, he has now contributed a decidedly unique perspective of the time-honored system of astrology, helping humanity further understand its relationship to the universe. With this latest contribution to self-growth, Lynn offers an original perspective of numerology this time with the combination of numerological characteristics and astrological influences. He not only writes from an intellectual viewpoint but as someone who has experienced glimpses of cosmic consciousness. Like most of his works, it is his hope that this volume will help seekers better connect to their cosmic memories of being both human and eternal in nature. Experience all the signs of the zodiac in minute detail.

**Degree Pairs** - T A Felshaw 2022-10-27

Degree Pairs associates key words or phrases with each of the 360-degrees in the zodiac. Each is given a yin or yang designation creating 180 pairs. Great for anyone, whether you're an astrologer or simply curious. Research for this book has taken a few decades overall, and has utilized the charts of over 8,000 events (over 150,000 data points). Key words and phrases for each of the degrees may produce effective results within a variety of astrological chart types (natal, mundane, electional, etc.) and applications (transits, progressions, etc.).

**360 Degrees of Your Star Destiny** - Ellias Lonsdale 2021-07-27

• Explains how each of the 12 signs of the zodiac has 30 degrees, and each degree, like every star, is the center of a whole system of meanings • Provides detailed write-ups for each of the 360 degrees of the zodiac • Details how to use the degrees for personal chart interpretation and as an oracle for guidance and inspiration In this extraordinary synthesis of 50 years in star work, astrologer Ellias Lonsdale explains how each of the 12 signs of the zodiac has 30 degrees, and each degree, like every star, is the center of a whole system of meanings. Inspired by the Chandra Symbols, evocative images for each degree channeled by John Sandbach nearly 40 years ago, as well as his studies with master astrologers Dane Rudhyar and Marc Edmund Jones, Lonsdale explores the deeper story, or Star Spark, of each of the 360 degrees of the zodiac, providing detailed write-ups for each degree. The author explains how to determine the degree of your Sun sign and other planets from your birth chart and how to use this information for personal chart interpretation. Offering a way to tune in to your future star cycles as well

as analyze a past event, he discusses how you can learn about personal cycles from studying the degree of a transiting or progressed planet at a specific time, such as Mercury Retrograde, or by following the degree meanings for successive New Moons or Solar Returns, revealing collective as well as personal timings. He also details how to use the 360 Star Sparks as an astrological oracle to consult when you need guidance or support for your awakening process as well as how they can be used as a source for daily contemplation by following the Sun through each degree day by day throughout the year. Providing an astrological tool to help you see deeply inside your life, your shadow, what you are questioning, and where you are being guided, this key to the symbolic power of the 360 degrees of the zodiac shows that by embracing our star cycles, we can discover our unique life path and light up the stars within.

Degrees of the Zodiac: Revised Edition - Esther V. Leinbach 2012-02-01

Degrees of the Zodiac was written by noted astrologer Esther V. Leinbach and originally published by Macoy Publishing Company in 1973. This Revised Edition from the author's son, Kevin Leinbach, has been updated for the new Millennium, using the Author's original source material and research. Popular Astrology takes into consideration only one factor: the location of the Sun in the Zodiac, the Sun Sign. Even some astrologers only consider the twelve signs of the Zodiac and disregard the individual 30 degrees that make up the total span of the sign. But the degrees are a very significant influence in the chart and more and more astrologers are discovering how important degrees are to horoscope interpretation. The 360 Degrees in the circle of the Zodiac are activated by the Sun, the Moon and the Planets, even the house cusps of every horoscope. These degrees help to account for the many different expressions of each individual sign. Degree influences have often been seen as ethereal and mysterious, relying on symbolism to suggest potential expressions. Perhaps the advantage of symbols is that they can be interpreted in the current context directly. But symbols can also be quite difficult to decipher. This book was originally written to bring the symbolism into a descriptive, practically applicable format that can more easily be used in chart interpretation. The approach is psychological rather than symbolic. It was intended to be accessible to the novice as well as the professional astrologer. But when particular references are made to current insights or methods, there is some danger that degree descriptions can become outdated. This Revised Edition has been released to update the descriptions with a current perspective and incorporate a context and evolutionary perspective that was simply not in place when Degrees of the Zodiac was originally published.
