[The Last Three Popes and the Jews](#) - Pinchas Lapide 1967

After tracing (on pp. 13-85) the complex history of Christian-Jewish relations throughout the ages, marked with numerous manifestations of anti-Judaism and antisemitism, focuses on the pontificate of three Popes: Pius XI, Pius XII, and John XXIII. Their papacies coincided with the rise of fascism and Nazism, the Holocaust, and the establishment of the State of Israel. Notes that Pius XI not only condemned racial antisemitism in Germany and elsewhere, but was the first Pope to actively take a stand in defense of the Jews. Pius XII, who did not possess the assertive qualities of his predecessor, but was a good diplomat, deplored Nazi and fascist antisemitism, but kept silent on the Holocaust throughout the war years. Nevertheless, during the Holocaust, he rendered help to thousands of Jews in Italy and elsewhere. Stresses the fact that both Popes acted at a time when many Catholic priests and hierarchs in Germany and other countries supported Nazism and racism. Although Pius XII, and the entire Catholic Church, did not approve of the Zionist program to revive the Jewish state in Palestine, he spoke up for the preservation of Jewish holy places in Israel on a par with Christian holy places. John XXIII, the supporter of reconciliation between Christians and Jews, paved the way for Vatican Council II and the document "Nostra aetate".

[The Re-Enchantment of the World](#) - Joshua Landy 2021-04-27

The Re-Enchantment of the World is an interdisciplinary volume that challenges the long-prevailing view of modernity as "disenchanted." There is of course something to the widespread idea, so memorably put into words by Max Weber, that modernity is characterized by the "progressive disenchantment of the world." Yet what is less often recognized is the fact that a powerful counter-tendency runs alongside this one, an overwhelming urge to fill the vacuum left by departed convictions, and to do so without invoking superseded belief systems. In fact, modernity produces an array of strategies for re-enchantment, each fully compatible with secular rationality. It has to, because God has many "aspects"--or to put it in more secular terms, because traditional religion offers so much in so many domains. From one thinker to the next, the question of just what, in religious enchantment, needs to be replaced in a secular world receives an entirely different answer. Now, for the first time, many of these strategies are laid out in a single volume, with contributions by specialists in literature, history, and philosophy.

Steps to Personal Revival - Helmut HAUBEIL 2020-03-17

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

Jews In The Roman World - Michael Grant 2011-12-30

In describing the triangular relationship among the Jews, the Romans and the Greeks, Michael Grant treats one of the most significant themes in world history. Unlike almost all the other subject nations of the Roman empire, the Jews have survived and have maintained a religious and cultural identity that is substantially unchanged. They provide a unique bridge with the ancient world and can bring us into peculiarly close and intimate contact with life in the Roman empire. This book embraces the period in which the Jewish religion assumed virtually its final form, and in which Jews launched their two heroic, but disastrous revolts against Roman rule. This was, moreover, the time when Judaism gave birth to Christianity. Within a century after the death of Jesus, his followers had become completely independent of Judaism. Michael Grant describes the grandeur of the great multiracial Roman empire, beneath whose rule these stirring and unique developments took place.

The First New Chronicle and Good Government - Felipe Guaman Poma de Ayala 2010-01-01

One of the most fascinating books on pre-Columbian and early colonial Peru was written by a Peruvian Indian

named Felipe Guaman Poma de Ayala. This book, *The First New Chronicle and Good Government*, covers pre-Inca times, various aspects of Inca culture, the Spanish conquest, and colonial times up to around 1615 when the manuscript was finished. Now housed in the Royal Library, Copenhagen, Denmark, and viewable online at www.kb.dk/permalink/2006/poma/info/en/frontpage.htm, the original manuscript has 1,189 pages accompanied by 398 full-page drawings that constitute the most accurate graphic depiction of Inca and colonial Peruvian material culture ever done. Working from the original manuscript and consulting with fellow Quechua- and Spanish-language experts, Roland Hamilton here provides the most complete and authoritative English translation of approximately the first third of *The First New Chronicle and Good Government*. The sections included in this volume (pages 1–369 of the manuscript) cover the history of Peru from the earliest times and the lives of each of the Inca rulers and their wives, as well as a wealth of information about ordinances, age grades, the calendar, idols, sorcerers, burials, punishments, jails, songs, palaces, roads, storage houses, and government officials. One hundred forty-six of Guaman Poma's detailed illustrations amplify the text.

More importantly, this effort is coordinated with Teresa of Avila's works. Thus an additional 400 notes, in combination with comparatives between the variant references are supplied. This work has been translated by the Sisters of Stanbrook.

Weekday Eucharistic Propers - Church Publishing 2017-01-09

In the section entitled "Concerning the Service of the Church," the Book of Common Prayer identifies the normative services of the Episcopal Church: The Holy Eucharist, the principal act of Christian worship on the Lord's Day and other major Feasts, and Daily Morning and Evening Prayer, as set forth in this book, are the regular services appointed for public worship in the Church. (BCP, 13) Eucharistic propers (collects, Scripture readings, and proper prefaces) are provided in the Book of Common Prayer for the days when the Eucharist is the principal service. As celebration of the Eucharist has become more frequent, many congregations and

other communities of faith now celebrate weekday Eucharists on days for which the Prayer Book does not assign propers. To facilitate the use of these authorized options, this resource contains weekday propers for the seasons of the Church Year (the temporal cycle), the Common of Saints (the sanctoral cycle), and Various Occasions from the Prayer Book and from resources authorized since the adoption of the Prayer Book. The propers in this resource are grouped into three sections by type for the temporal cycle, the sanctoral cycle, and various occasions.

An erudite and witty collection of Umberto Eco's essays on mass culture from the 1960s through the 1980s, including major pieces which have not been translated into English before. The discussion is framed by opposing characterizations of current intellectuals as apocalyptic and opposed to all mass culture, or as integrated intellectuals, so much a part of mass culture as to be unaware of serving it. Organized in four main parts, "Mass Culture: Apocalypse Postponed," "Mass Media and the Limits of Communication," "The Rise and Fall of Counter-Cultures," and "In Search of Italian Genius," Eco looks at a variety of topics and cultural productions, including the world of Charlie Brown, distinctions between highbrow and lowbrow, the future of literacy, Chinese comic strips, whether countercultures exist, Fellini's Ginger and Fred, and the Italian genius industry.

As Silver Refined - Kay Arthur 2011-07-19

What Can You Do When Life Doesn't Turn Out Like You Planned? How do you respond when your husband or wife tramples your emotions? When your boss fires you unexpectedly? When you lose your life's savings? When the child you've loved and prayed for turns his back on you and your values? When disappointments like these smash their way into your life, you may want to scream, "How could God let this happen?" But what if God didn't just "let it happen"? What if the things you call disappointments are really His appointments—events He is using to make you more like Christ? What if your circumstances are actually the flames of His grace, intended to melt and burn away the undesirable elements in your life, leaving you pure and radiant—like refined silver? You can be defeated by life's unavoidable disappointments, or you can become stronger because of them. Life's disappointments can send you on a dangerous downward spiral into discouragement, depression, or even despair. But in this eye-opening book, Kay Arthur guides you to biblical truths that will help you break that cycle and instead embrace disappointment as the cleansing fire God uses to make you—as silver refined—a reflection of His goodness. Now includes a 16 week Bible study!

Strange Fire - John F. MacArthur 2013-11-19

In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.
