**Summary of Garrett Sutton & Robert Kiyosaki's Loopholes of Real Estate** - Everest Media, 2022-04-05T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 There are two types of real estate loopholes: those that can be opened and those that can be closed. From a tax standpoint, there are real estate loopholes to be opened. From the legal side, there are real estate loopholes to be closed. #2 Real estate offers great financial advantages to those who understand the system. It is easier to raise capital for real estate ventures than with other assets, such as stocks, bonds, and tax-deferred retirement funds. #3 There are three types of income: earned, passive, and portfolio. Earned is what you get after a long day of work. Passive is what comes to you from an investment such as real estate. Portfolio income is what comes from the dividends and increases in value of paper assets such as stocks, bonds, and mutual funds. #4 The point of this book is not to encourage you to invest only in real estate. The Rich Dad philosophy is to diversify and put your savings and earnings into three different areas: businesses, real estate, and paper assets.

**ABCs of Buying Rental Property** - Ken McElroy 2020-09-29

Many Americans dream of financial

freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio

**Fruit from a Poisonous Tree** - Melvin Stamper Jd 2008-10

**Own Your Own Corporation** - Garrett Sutton 2008

Bearing the brand name of the No.1 NY Times bestseller OWN YOUR OWN CORPORATION allows readers to learn very quickly and easily the legal secrets and strategies that the rich have used to run their businesses and protect their assets.

**The Stock Market Cash Flow** - Andy 2014-03-25

The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and

commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the goals of the reader

### **The Advanced Guide to Real Estate Investing** - Ken McElroy 2013

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest.

According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own-- without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

How to be a Real Estate Investor -

*The Social Capitalist* - Josh Lannon  
2013-02-28

*Social Entrepreneur* is a book about how two ordinary people turn a huge social problem into a solution, not only for themselves but for thousands of others. From Nightclub Owner (Josh) and Law Enforcement Officer (Lisa) to Social Entrepreneurs of Journey Healing Centers (accredited private drug and alcohol treatment centers). They turned their lives around and are building businesses that bring families back together again (by using the Rich Dad principles). Businesses are evolving to a higher purpose, the why we do what we do. Like the movements across the world and in our own backyards (occupy wall street) people want purpose in their lives. They want to be a positive contribution. We are in the next Mega Trend of a social movement.

Run Your Own Corporation - Garrett Sutton  
2013-02-28

"I've set up my corporation. Now what do I do?" All too often business owners and real estate investors are asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don't know what to do next. "Run Your

Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.

*Veil Not Fail* - Garrett Sutton  
2022-04-19

"A concise but thorough introduction to strategically protecting personal assets from corporate liability." – Kirkus Reviews

When a business owner or shareholder is held personally liable for a business's debts, that's called "piercing the corporate veil" – and it happens in nearly half of all lawsuits against single-member

and small corporations and limited liability companies (LLCs). Garrett Sutton, Esq. is a corporate legal expert and the personal asset protection attorney for Rich Dad founder Robert Kiyosaki. In *Veil Not Fail*, he shares the critical information business owners, entrepreneurs, investors, and high-wealth individuals need to set up and maintain secure corporate entities to protect themselves from personal legal exposure. With case studies and clear legal guidance, Sutton will help make sure you and your business are not at risk. Learn how to:

- Protect your personal finances and assets from business attack
- Use corporate entities like LLCs and corporations to reduce your personal liability in the event of a lawsuit
- Stay above board and avoid sham and alter ego determinations in court
- Understand the rules and corporate formalities you need to follow to keep your legal entities in good standing

*Veil Not Fail* is a straightforward guide to corporate governance and financial risk mitigation for anyone who owns a business, property, or other investments – or for anyone looking to. With his signature candid and easy-to-understand style, Sutton gives you the information you need to better defend yourself and your company, and more importantly, reduce the risk of a lawsuit in the first place.

**The 16 % Solution, Revised Edition** - J.D., Joel S. Moskowitz 2009-05-01  
Dealing with unpaid taxes? Looking for investment opportunities? With home foreclosures at an all-time high and the erratic stock market damaging 401(k) accounts, people are looking for innovative ways to invest their money and improve their financial situation through different investment vehicles. Moskowitz explains what tax lien certificates are (liens against property for unpaid taxes), why they are safe investments (certain states insure them), and how they fit into an overall financial plan. This new edition includes updates to the laws and procedures of states and counties that offer tax lien certificates.

**The Burdens of Disease** - J. N. Hays  
2009-10-15

A review of the original edition of The Burdens of Disease that appeared in ISIS stated, "Hays has written a remarkable book. He too has a message: That epidemics are primarily dependent on poverty and that the West has consistently refused to accept this." This revised edition confirms the book's timely value and provides a sweeping approach to the history of disease. In this updated volume, with revisions and additions to the original content, including the evolution of drug-resistant diseases and expanded coverage of HIV/AIDS, along with recent data on mortality figures and other relevant statistics, J. N. Hays chronicles perceptions and responses to plague and pestilence over two thousand years of western history. Disease is framed as a multidimensional construct, situated at the intersection of history, politics, culture, and medicine, and rooted in mentalities and social relations as much as in biological conditions of pathology. This revised edition of The Burdens of Disease also studies the victims of epidemics, paying close attention to the relationships among poverty, power, and disease.

*The ABCs of Getting Out of Debt* - Garrett Sutton 2013-02-28

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, "Good debt makes you rich and bad debt makes you poor." The ABCs of Getting Out of

Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad's Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. "The reason Garrett Sutton's book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives." - Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

**Broken Idols of the English Reformation** - Margaret Aston 2015-11-26

Why were so many religious images and objects broken and damaged in the course of the Reformation? Margaret Aston's magisterial new book charts the conflicting imperatives of destruction and rebuilding throughout the English Reformation from the desecration of images, rails and screens to bells, organs and stained glass windows. She explores the motivations of those who smashed

images of the crucifixion in stained glass windows and who pulled down crosses and defaced symbols of the Trinity. She shows that destruction was part of a methodology of religious revolution designed to change people as well as places and to forge in the long term new generations of new believers. Beyond blanked walls and whited windows were beliefs and minds impregnated by new modes of religious learning. Idol-breaking with its emphasis on the treacheries of images fundamentally transformed not only Anglican ways of worship but also of seeing, hearing and remembering.
