

# Revisiting The Corruption Of The New Testament Manuscript Patristic And Apocryphal Evidence Text And Canon Of The New Testament

Right here, we have countless book **Revisiting The Corruption Of The New Testament Manuscript Patristic And Apocryphal Evidence Text And Canon Of The New Testament** and collections to check out. We additionally provide variant types and next type of the books to browse. The usual book, fiction, history, novel, scientific research, as well as various additional sorts of books are readily simple here.

As this Revisiting The Corruption Of The New Testament Manuscript Patristic And Apocryphal Evidence Text And Canon Of The New Testament, it ends taking place creature one of the favored book Revisiting The Corruption Of The New Testament Manuscript Patristic And Apocryphal Evidence Text And Canon Of The New Testament collections that we have. This is why you remain in the best website to see the unbelievable ebook to have.

*Why Trust the Bible?* - Greg Gilbert 2015-10-14

The Bible stands at the heart of the Christian faith. But this leads to an inescapable question: why should we trust the Bible? Written to help non-Christians, longtime Christians, and everyone in between better understand why God's Word is reliable, this short book explores the historical and theological arguments that have helped lead millions of believers through the centuries to trust the Bible, from Genesis to Revelation. Written by pastor Greg Gilbert, author of the popular books *What Is the Gospel?* and *Who Is Jesus?*, this volume will help Christians articulate why they trust the Bible when it comes to who God is, who we are, and how we're supposed to live.

**THE TEXT OF THE NEW TESTAMENT** - Edward D. Andrews 2017-05-04

THE TEXT OF THE NEW TESTAMENT was copied and recopied by hand for 1,500 years. Regardless of those scribes who had worked very hard to be faithful in their copying, errors crept into the text. How can we be confident that what we have today is the Word of God? Wilkins and Andrews offer the reader an account of the copying by hand and transmission of the Greek New Testament. They present a comprehensive survey of the manuscript history from the penning of the 27 New Testament books to the current critical texts. What did the ancient books look like and how were documents written? How were the New Testament books published? Who would use secretaries? Why was it so hard to be a secretary in the first century? How was such work done? What do we know about the early Christian copyists? What were the scribal habits and tendencies? Is it possible to establish the original text of the New Testament? How do paleographers date the ancient manuscripts? How has the Greek New Testament text come down to us? How did textual variations and manuscript families arise? Just how many textual variants are there and how are they to be counted? What guarantee do we have as to the reliability of the Greek text? What are the principles and rules of textual criticism and how are they to be applied, so that we can get back the original reading? What are the collation and classification of manuscripts? What is the Coherence-Based Genealogical Method (CBGM) and can it be trusted? How reliable are our master (critical) Greek texts of the New Testament (WH/NA28/UBS5)? Why can we be confident that the literal translations (ASV / RSV / NASB / UASV) are providing for its readers the faithful Word of God? Their work on THE TEXT OF THE NEW TESTAMENT is carried out with an apologetical mindset, to assist Christians in their defense of God's Word.

*The Cradle, the Cross, and the Crown* - Andreas J. Köstenberger 2016-08-15

The Cradle, the Cross, and the Crown guides serious New Testament students through the historical, literary, and theological dimensions of the biblical text, allowing them to better understand and share God's "word of

truth" (2 Tim 2:15). It offers a thorough introduction to all twenty-seven books of the New Testament and closely examines events such as Christ's incarnation and virgin birth, his crucifixion and resurrection, and triumphant return. The second edition features updated bibliographies and footnotes, interpretation sections that cover different literary genres in the New Testament, an epilogue that canvasses the entire storyline of Scripture, and a variety of maps. All of these new features contribute to making this a life-long resource for students of Scripture.

**The Emergence of Subjectivity in the Ancient and Medieval World** - Jon Stewart 2020-03-24

The Emergence of Subjectivity in the Ancient and Medieval World: An Interpretation of Western Civilization represents a combination of different genres: cultural history, philosophical anthropology, and textbook. It follows a handful of different but interrelated themes through more than a dozen texts that were written over a period of several millennia and, by means of an analysis of these texts, presents a theory of the development of Western civilization from antiquity to the Middle Ages. The main line of argument traces the various self-conceptions of different cultures as they developed historically, reflecting different views of what it is to be human. The thesis of the volume is that through examination of these changes we can discern the gradual emergence of what we today call inwardness, subjectivity, and individual freedom. As human civilization took its first tenuous steps, it had a very limited conception of the individual. Instead, the dominant principle was that of the wider group: the family, clan, or people. Only in the course of history did the idea of what we now know as individuality begin to emerge, and it took millennia for this idea to be fully recognized and developed. The conception of human beings as having a sphere of inwardness and subjectivity subsequently had a sweeping impact on all aspects of culture, including philosophy, religion, law, and art: indeed, this notion largely constitutes what is today referred to as modernity. It is easy to lose sight of the fact that this modern conception of human subjectivity was not simply something given, but rather the result of a long process of historical and cultural development.

Answers to Common Questions About the Bible - H. Wayne House 2014-02-02

The Bible is a ready resource for guidance on topics and questions that often perplex believer and curious nonbeliever alike. But where do you begin to look for the answers? In fact, how do we know for sure that we can even trust the Bible to provide the answers being sought? Answers to Questions About the Bible provides answers to the origins and authority of the Bible, along with answers to such questions as: • Who wrote the Bible, and when? • How reliable is the Bible when it

comes to history, science, ethics, or other topics? • How do we know that the Bible we have today is the original Word of God? • Why were some books included in the Bible and others left out? Written in question-and-answer format for easy access, these quick reference guides provide succinct summaries of authoritative information so readers can be confident of what they read and be prepared to discuss these topics with family, friends, or neighbors accurately.

*Changing the Goalpost of New Testament Textual Criticism* - Abidan Paul Shah 2020-10-02

Before the 1960s, the goal of New Testament Textual Criticism was singular: to retrieve the "original text" of the New Testament. Since then, the goalpost has incrementally shifted away from the "original text" to retrieving "any text" or "many texts" of the NT. Some scholars have even concluded that the "original text" is hopelessly lost and cannot be retrieved with any confidence or accuracy. Other scholars have gone a step further to claim that the idea of an "original text" itself is a misconception that needs to be abandoned. If this new approach in NTTC is correct, then the authority of Scripture is weakened or no longer valid. It will be shown in this book that such is not the case.

Furthermore, emphasis will be placed on the need to return to the traditional goalpost of NTTC, i.e., to retrieve the original text. Without a generally definitive text, the door will be left wide open to recreate any desired text of the NT. An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text. Consequently, it will lead to an unsettled Christian faith and practice.

**THE NEW TESTAMENT DOCUMENTS** - Edward D. Andrews 2020-06-17

What are the churchgoers, the Bible college students, and seminary students to do when one Bible scholar says one thing and another Bible scholar says something quite different, or worse still, several Bible scholars are giving you several different opinions on one particular Bible issue? What makes it even more unsettling is when the Christian is not well informed in that area of study, only having basic knowledge. How can the Christian possibly know which of the Bible scholars are correct? Worse still, the Christian is put in the embarrassing position on social media of telling an atheist or Bible critic one of the scholar's views, and then the atheist or Bible critic responds to the Christian with, 'no your evidence is outdated, as recent research points to \_\_\_\_\_,' and then they offer another answer that put the Bible in a bad light. What is the Christian to do? What will be accomplished here in this publication is we are going to give the reader much evidence when it comes to the documents of the New Testament, how that evidence impacts our Bible translations and an in-depth look at Bible difficulties as well. This can be used to build your faith, to save someone who may have begun to doubt the trustworthiness of the Bible, and many reading responses that can be used on social media and other forms of your ministry. Andrews is an author of more than 140 books, many of which are a defense of God's Word.

*The Reliability of the New Testament* - Bart D. Ehrman  
This volume highlights points of agreement and disagreement between two leading intellectuals on the subject of the textual reliability of the New Testament: Bart Ehrman, James A. Gray Distinguished Professor at the University of North Carolina at Chapel Hill and Daniel Wallace, Professor of New Testament Studies at Dallas Theological Seminary and Executive Director of the Center for the Study of New Testament Manuscripts. This book provides interested readers a fair and balanced case for both sides and allows them to decide for themselves: What does it mean for a text to be textually reliable? How reliable is the New Testament?

How reliable is reliable enough?

*Exegetical Gems from Biblical Greek* - Benjamin L. Merkle 2019-07-16

Learning Greek is a difficult task, and the payoff may not be readily apparent. To demonstrate the insight that knowing Greek grammar can bring, Benjamin Merkle summarizes 35 key Greek grammatical issues and their significance for interpreting the New Testament. This book is perfect for students looking to apply the Greek they have worked so hard to learn as well as for past students who wish to review their Greek.

**Why I Trust the Bible** - William D. Mounce 2021-09-14  
A Clear Guide to Help Readers Understand Why They Can Trust the Bible We are often told we can no longer assume that the Bible is trustworthy. From social media memes to popular scholarship, so many attacks have been launched on the believability of Scripture that many have serious questions about the Bible, such as: Did Jesus actually live? Did the biblical writers invent their message? How can we trust the gospels since they were written so long after Jesus lived? How can we believe a Bible that is full of internal contradictions with itself and external contradictions with science? Aren't the biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote? Why should we believe the books that are in the Bible, since many good ones were left out, like the Gospel of Thomas? Why trust the Bible when there are so many contradictory translations of it? If you find yourself unable to answer questions such as these, but wanting to, *Why I Trust the Bible* by eminent Bible scholar and translator William Mounce is for you. These questions and more are discussed and answered in a reasoned, definitive, and winsome way. The truth is that the Bible is better attested and more defensible today than it ever has been. Questions about the Bible are perhaps the most significant challenge confronting Christian faith today, but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the Bible.

*Revisiting the Corruption of the New Testament* - Daniel B. Wallace 2011

How much did the theological arguments of the church affect the copying of the New Testament text? Focusing on issues of textual criticism, this inaugural volume of the *Text and Canon of the New Testament* series offers some answers to that question and responds to some of Bart Ehrman's views about the transmission of the New Testament text. *Revisiting the Corruption of the New Testament* will be a valuable resource for those working in textual criticism, patristics, and New Testament apocryphal literature.

**Voices of Early Christianity: Documents from the Origins of Christianity** - Kevin W. Kaatz 2013-02-27

This fascinating resource examines the day-to-day lives of early Christians—as depicted through documented accounts of the period—from the beginning of Christianity through 325 CE. • Visual aids, including wall paintings from the Christian catacombs and pictures of Roman architecture • A detailed chronology of early Christianity from the faith's beginning through 325 CE  
**Studies on the Text of the New Testament and Early Christianity** - Daniel Gurtner 2015-09-29

A collection of essays in honour of Prof. Michael Holmes. The volume is arranged in two parts focusing on textual criticism and the Apostolic Fathers respectively.

*A New Approach to Textual Criticism* - Tommy Wasserman 2017-11-17

An essential introduction for scholars and students of New Testament Greek With the publication of the widely used 28th edition of Nestle-Aland's *Novum Testamentum Graece* and the 5th edition of the United Bible Society Greek New Testament, a computer-assisted method known as the Coherence-Based Genealogical Method (CBGM) was used

for the first time to determine the most valuable witnesses and establish the initial text. This book offers the first full-length, student-friendly introduction to this important new method. After setting out the method's history, separate chapters clarify its key concepts, including genealogical coherence, textual flow diagrams, and the global stemma. Examples from across the New Testament are used to show how the method works in practice. The result is an essential introduction that will be of interest to students, translators, commentators, and anyone else who studies the Greek New Testament. Features A clear explanation of how and why the text of the Greek New Testament is changing Step-by-step guidance on how to use the CBGM in textual criticism Diagrams, illustrations, and glossary of key terms

**Jesus as the Pierced One** - Bret A. Rogers 2020-06-08  
How can John use Zech 12:10 to explain both Jesus' first coming in humility (John 19:37) and Jesus' second coming in glory (Rev 1:7)? In this book, Rogers demonstrates how God's self-revelation in Jesus provides the key for understanding the fulfillment of Zech 12:10 in light of both John's high Christology and John's inaugurated and consummated eschatology. In contrast to previous approaches, Rogers proposes that John interprets Zech 12:10 not simply along a human, messianic axiom, but along a divine, messianic axiom. Moreover, by treating Zech 12:10, John 19:37, and Rev 1:7 in a single study, readers will better understand the unified narrative spanning the Testaments, the nature of Jesus' divine identity and mission in John's writings, and how Jesus' divine nature and mission compels the church to live between his two advents.

**Peter as Apostolic Bedrock** - Hans Bayer 2019-05-28  
Drawing on relevant New Testament and extra-biblical texts, Peter arises as the preeminent guarantor of the early Christian witness, especially as he displays the striking confluence of Christology, identity, and character formation.

**Can We Still Believe the Bible?** - Craig L. Blomberg 2014-04-01

Challenges to the reliability of Scripture are perennial and have frequently been addressed. However, some of these challenges are noticeably more common today, and the topic is currently of particular interest among evangelicals. In this volume, highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible's reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate. He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before. As he traces his own academic and spiritual journey, Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture, offering a positive, informed, and defensible approach.

**Philologie et Nouveau Testament** - Christian-Bernard Amphoux 2018

**The Text of New Testament** - B.M. Metzger 1985

**The Doubt of the Apostles and the Resurrection Faith of the Early Church** - J. D. Atkins 2019-08-02

"Why do the Gospels depict the risen Jesus as touchable and able to eat? J. D. Atkins challenges the common view that Luke 24 and John 20 are apologetic responses to docetism by re-examining the redaction of the appearance stories in light of their reception among early docetists and church fathers."--Page 4 of cover.

**Grasping God's Word, Fourth Edition** - J. Scott Duvall 2020-10-13

A Proven Approach to Help You Interpret and Understand the Bible Grasping God's Word has proven itself in classrooms across the country as an invaluable help to

students who want to learn how to read, interpret, and apply the Bible for themselves. This book will equip you with a five-step Interpretive Journey that will help you make sense of any passage in the Bible. It will also guide you through all the different genres found in the Bible to help you learn the specifics of how to best approach each one. Filling the gap between approaches that are too simple and others that are too technical, this book starts by equipping readers with general principles of interpretation, then moves on to apply those principles to specific genres and contexts. Features include: Proven in classrooms across the country Hands-on exercises to guide students through the interpretation process Emphasis on real-life application Supplemented by a website for professors providing extensive teaching materials Accompanying workbook, video lectures, laminated study guide (sold separately) This fourth edition includes revised chapters on word studies and Bible translations, updated illustrations, cultural references, bibliography, and assignments. This book is the ideal resource for anyone looking for a step-by-step guide that will teach them how to accurately and faithfully interpret the Bible.

**Middle Knowledge** - John D. Laing 2018-04-04

Most Christians believe God is in control, but they are unsure of how to reconcile that control with their struggles with sin, the command to evangelize, and the immense suffering in the world and their own lives. Laing offers an introduction to the doctrine of providence based on the theory of middle knowledge, first articulated in the sixteenth century. This view describes how creatures have true free will and God has perfect knowledge of what each creature could and would do in any circumstance. Middle knowledge helps answer the most perplexing theological questions: predestination and salvation, the existence of evil, divine and human authorship of Scripture, and science and the Christian faith. Laing provides extensive biblical support as well as practical applications for this theology.

**Evangelical America: An Encyclopedia of Contemporary American Religious Culture** - Timothy J. Demy Ph.D. 2017-09-21

An essential new reference work for students and general readers interested in the history, dynamics, and influence of evangelicalism in recent American history, politics, and culture. • Provides readers with an understanding of contemporary American evangelicalism's history, key individuals, organizations, and beliefs through detailed coverage of more than 180 topics • Documents the diversity of the Evangelical movement under a common core umbrella of doctrinal beliefs • Displays the breadth of American evangelical interaction in social and cultural issues and in debates in recent American history

**The Gospel According to Matthew** - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**Canon Revisited** - Michael J. Kruger 2012-04-30

Given the popular-level conversations on phenomena like the Gospel of Thomas and Bart Ehrman's Misquoting Jesus, as well as the current gap in evangelical scholarship on the origins of the New Testament, Michael Kruger's Canon Revisited meets a significant need for an up-to-date work on canon by addressing recent developments in the

field. He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds, mining the text itself for direction in understanding what the original authors and audiences believed the canon to be. *Canon Revisited* provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms, and read by pastors and educated lay leaders alike. In contrast to the prior volumes on canon, this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed. Rather than simply discussing the history of canon—rehashing the Patristic data yet again—Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative. In effect, this work successfully unites both the theology and the historical development of the canon, ultimately serving as a practical defense for the authority of the New Testament books.

**Myths and Mistakes in New Testament Textual Criticism** - Elijah Hixson 2019-11-05

A renewed interest in textual criticism has created an unfortunate proliferation of myths, mistakes, and misinformation about this technical area of biblical studies. Elijah Hixson and Peter Gurry, along with a team of New Testament textual critics, offer up-to-date, accurate information on the history and current state of the New Testament text that will serve apologists and offer a self-corrective to evangelical excesses.

*The Formation of the Hebrew Bible* - David M. Carr 2011-10-12

David Carr rethinks both the methods and historical orientation points for research into the growth of the Hebrew Bible into its present form.

**Evangelio San Mateo I** - Lizgúnov, Pável

El presente curso se centra en el desglose del Evangelio de Mateo. Dada la importancia de este libro del Nuevo Testamento en la formación de la doctrina cristiana, el Evangelio de Mateo se divide en dos cursos. En el inicio del primer curso se ofrecerá la información básica que ayudará al lector a familiarizarse con el concepto y la problemática del Nuevo Testamento: el concepto del Nuevo Testamento, la historia de la formación de su canon y la introducción al Tetraevangelio. También se dedicará un capítulo entero al problema de los sinópticos. A continuación, serán abordados los temas de la exagogía y de la hermenéutica del Evangelio de Mateo: el problema de la autoría, la historia de la escritura y las características del lenguaje, entre otros. En particular, se examinarán detalladamente distintas escuelas de interpretación del Evangelio, tanto las escuelas antiguas (la escuela de Alejandría y de Antioquia), como las modernas. Como resultado el lector obtendrá las bases teóricas necesarias para el estudio sistemático del texto evangélico.

**Putting Jesus in His Place** - Robert M. Bowman

Putting Jesus in His Place is designed to introduce Christians to the wealth of biblical teaching on the deity of Christ and give them the confidence to share the truth about Jesus with others.

**Theology from the Great Tradition** - Steven D. Cone 2018-02-22

This textbook provides complete and comprehensive coverage of the theological tradition of Aquinas, Maximus, Luther, Irenaeus, Lonergan, von Balthasar, Schmemmann, Meyendorf and Barth. Each section of this textbook explores a wide variety of questions – who are we? Is there a God, and if so, what is his nature? Who is Jesus? What does it mean that we live both in sin and righteousness? It consists of 15 modules that are comprised of 46 chapters. Each module has two parts: there are systematic chapters that discuss and explain each module's topic; and the final chapter of each module examines 4 to 6 primary sources that are

important for each topic. This textbook includes an extensive range of pedagogical features: - Sample tests in which each objective question has been quality tested by classroom use (with a discrimination index) - A discussion guide for each chapter - Learning objectives linked to each chapter - The text includes bold-faced terms, boxed text sections that identify central figures and points of debate, study question, chapter summaries, glossary

**Perspectives on the Ending of Mark** - Maurice Robinson 2008

The debate continues among today's leading Bible scholars about the conspicuous exclusion of twelve verses (16:9-20) in the gospel of Mark from some early Greek manuscripts.

**God, Jesus, and Other Foolishness** - Jeffrey A. Kramer 2022-09-13

In our post-Christian society many skeptics, atheists, and agnostics assume that the Christian faith involves belief in spite of a lack of evidence and that Christianity encourages its adherents to be satisfied with not understanding the world. This is untrue. Christianity has a legacy of thought and logic, and a convincing case can be made that modern science and Western culture could only have sprung from the Judeo-Christian worldview. Although questions of origins, purpose, and meaning are not easily proved true in a "scientific" or empirical sense, things can be true without empirical proof. It does not follow that religion is untrue or that religious belief is for the credulous and the gullible. Many of the presuppositions underlying any worldview cannot be proven empirically, and acceptance of many of the truth claims of atheism and postmodernism requires just as much faith as acceptance of the fundamentals of Christianity. This book is an attempt to demonstrate that biblical Christianity is true, in the sense that it is a logical interpretation of reality and our lived experience, and that the implications of Christian faith make more rational sense than a rejection of that faith.

*Grasping God's Word (Enhanced Edition)* - J. Scott Duvall 2012-09-04

ENHANCED EDITION—Just as a rock climber's handhold enables him to master the mountain, a firm grasp on God's Word empowers us to traverse the challenging, risky slopes of life. Grasping God's Word helps college students, beginning seminary students, and other serious readers get a grip on the solid rock of Scripture—how to read it, how to interpret it, and how to apply it. Filling the gap between approaches that are too simple and others that are too technical, this book starts by equipping readers with general principles of interpretation, then moves on to apply those principles to specific genres and contexts. Features include: • VIDEOS: Section introductions by authors and master teachers J. Scott Duvall and J. Daniel Hays • VIDEOS: Concluding reflections on the end result of studying God's Word • Proven utility in classrooms across the country • Hands-on exercises to guide students through the interpretation process • Emphasis on real-life application • Supplemented by a website for professors providing extensive teaching materials • Accompanying workbook (sold separately) This third edition includes updated illustrations, appendices, bibliography, and assignments, and has been rearranged for clarity. In order to emphasize the redemptive narrative arc of the Bible and provide greater canonical correlation, the authors have modified the steps of the Interpretive Journey to include a fifth step throughout the book: 1. Grasp the text in their town. What did the text mean to the biblical audience? 2. Measure the width of the river to cross. What are the differences between the biblical audience and us? 3. Cross the principled bridge. What is the theological principle in this text? 4. Cross into the rest of Scripture. Does the rest of the canon's

teaching modify or qualify this principle? 5. Grasp the text in our town. How should Christians today apply the theological principle in their lives? Grasping God's Word progresses through the following five sections: 1. How to Read the Book—Basic Tools; 2. Contexts—Now and Then; 3. Meaning and Application; 4. The Interpretive Journey—New Testament; 5. The Interpretive Journey—Old Testament.

**Reinventing Jesus** - J. Ed Komoszewski

Reinventing Jesus cuts through the rhetoric of extreme doubt to reveal the profound credibility of historic Christianity. Meticulously researched yet eminently readable, this book invites a wide audience to take a firsthand look at the primary evidence for Christianity's origins.

**Changing the Goalpost of New Testament Textual Criticism** - Abidan Paul Shah 2020-10-02

Before the 1960s, the goal of New Testament Textual Criticism was singular: to retrieve the "original text" of the New Testament. Since then, the goalpost has incrementally shifted away from the "original text" to retrieving "any text" or "many texts" of the NT. Some scholars have even concluded that the "original text" is hopelessly lost and cannot be retrieved with any confidence or accuracy. Other scholars have gone a step further to claim that the idea of an "original text" itself is a misconception that needs to be abandoned. If this new approach in NTTC is correct, then the authority of Scripture is weakened or no longer valid. It will be shown in this book that such is not the case.

Furthermore, emphasis will be placed on the need to return to the traditional goalpost of NTTC, i.e., to retrieve the original text. Without a generally definitive text, the door will be left wide open to recreate any desired text of the NT. An unsettled original text will result in an unsettled biblical theology due to a lack of any authoritative and standard text. Consequently, it will lead to an unsettled Christian faith and practice.

**Revisiting the Corruption of the New Testament** - Daniel B. Wallace

How much did the theological arguments of the church affect the copying of the New Testament text? Focusing on issues of textual criticism, this inaugural volume of the Text and Canon of the New Testament series offers some answers to that question and responds to some of Bart Ehrman's views about the transmission of the New Testament text. Revisiting the Corruption of the New

Testament will be a valuable resource for those working in textual criticism, patristics, and New Testament apocryphal literature.

*Communal Reading in the Time of Jesus* - Brian J. Wright 2017-12-01

Much of the contemporary discussion of the Jesus tradition has focused on aspects of oral performance, storytelling, and social memory, on the premise that the practice of communal reading of written texts was a phenomenon documented no earlier than the second century CE. Brian J. Wright overturns the premise that communal reading of written texts was a phenomenon documented no earlier than the second century CE by examining evidence for its practice in the first century.

*Cold-Case Christianity* - J. Warner Wallace 2013-01-01

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

*Evidence for God* - William A. Dembski 2010-07-01

There have always been challenges to belief in God as he is revealed in the Bible and each new year seems to add more questions to the doubter's arsenal. In Evidence for God, leading apologists provide compelling arguments that address the most pressing questions of the day about God, science, Jesus, the Bible, and more, including Is Intelligent Design really a credible explanation of the origins of our world? Did Jesus really exist? Is Jesus really the only way to God? What about those who have never heard the gospel? Is the Bible today what was originally written? What about recently publicized gospels that aren't in the Bible? and much more

*MISREPRESENTING JESUS* - Edward D. Andrews 2017-05-08
