**One Day in the Life of Ivan Denisovich** - Alexander Solzhenitsyn 1984-07-01

“Stark . . . the story of how one falsely accused convict and his fellow prisoners survived or perished in an arctic slave labor camp after the war.”—Time From the icy blast of reveille through the sweet release of sleep, Ivan Denisovich endures. A common carpenter, he is one of millions viciously imprisoned for countless years on baseless charges, sentenced to the waking nightmare of the Soviet work camps in Siberia. Even in the face of degrading hatred, where life is reduced to a bowl of gruel and a rare cigarette, hope and dignity prevail. This powerful novel of fact is a scathing indictment of Communist tyranny, and an eloquent affirmation of the human spirit. The prodigious works of Alexander Solzhenitsyn, including his acclaimed *The Gulag Archipelago*, have secured his place in the great tradition of Russian literary giants. Ironically, *One Day in the Life of Ivan Denisovich* is the only one of his works permitted publication in his native land. Praise for *One Day in the Life of Ivan Denisovich* “Cannot fail to arouse bitterness and pain in the heart of the reader. A literary and political event of the first magnitude.”—New Statesman “Both as a political tract and as a literary work, it is in the Doctor Zhivago category.”—Washington Post “Dramatic . . . outspoken . . . graphically detailed . . . a moving human record.”—Library Journal

**That Winter** - Pamela Gillilan 1986

Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting

to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

**The Lusiad** - Luís de Camões 1809

**The Line of Beauty** - Alan Hollinghurst 2008-12-17

Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.

**Nightmare Alley** - William Lindsay Gresham 2011-04-06

Soon to be a major motion picture from Academy Award-winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. *Nightmare Alley* begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd's gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carnny, and he wonders how a man could fall so low. There's no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he's going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan's for the taking. At least for now.

The Body at Work: A Treatise on the Principles of Physiology - Alex Hill 2022-07-21

Few subjects are as well provided with textbooks as physiology, yet it may be doubted whether the interests of the amateur of science have been adequately cared for. In this book, the author has endeavored to describe the phenomena of life, and the principal conclusions which have been drawn as to their interdependence and as to their causes, in language which will be understood by persons unacquainted with the sciences upon which physiology is based. And since this book neither aims at being an introduction to the systematic study of physiology, nor poses as an aid in the preparation for professional examinations, the author has treated with some thoroughness the more recondite and the more suggestive results of recent research, and have tried to indicate the trend of modern thought regarding problems as yet unsolved. The author has tried to reflect the intrinsic interest of the science apart altogether from its medical applications.

**The Namesake** - Jhumpa Lahiri 2008-10-10

*Invisible Man* - Ralph Ellison 2014-08-14

'I am invisible, understand, simply because people refuse to see me.' Defeated and embittered by a country which treats him as a non-being, the 'invisible man' retreats into an underground cell, where he smokes, drinks, listens to jazz and recounts his search for identity in white society: as an optimistic student in the Deep South, in the north with the black activist group the Brotherhood, and in the Harlem race riots. And explains how he came to be living underground . . . 'An American classic . . . one of the most original voices of Black America.' The Times

*The Topkapi Scroll* - Gülru Necipoğlu 1996-03-01

Since precious few architectural drawings and no theoretical treatises on architecture remain from the premodern Islamic world, the Timurid pattern scroll in the collection of the Topkapi Palace Museum Library is an exceedingly rich and valuable source of information. In the course of her in-depth analysis of this scroll dating from the late fifteenth or early sixteenth century, Gülru Necipoğlu throws new light on the conceptualization, recording, and transmission of architectural design in the Islamic world between the tenth and sixteenth centuries. Her text has particularly far-reaching implications for recent discussions on vision, subjectivity, and the semiotics of abstract representation. She also compares the Islamic understanding of geometry with that found in medieval Western art, making this book particularly valuable for all historians and critics of architecture. The scroll, with its 114 individual geometric patterns for wall surfaces and vaulting, is reproduced entirely in color in this elegant, large-format volume. An extensive catalogue includes illustrations showing the underlying geometries (in the form of incised "dead" drawings) from which the individual patterns are generated. An essay by Mohammad al-Asad discusses the geometry of the muqarnas and demonstrates by means of CAD drawings how one of the scroll's patterns could be used to design a three-dimensional vault.

Broken - Anna Shnukal 1988

Best friends tell you everything; about their kitchen renovation; about their little girl's new school. They tell you how he's leaving her for a younger model. Best friends don't tell lies. They don't take up residence on your couch for weeks. They don't call lawyers. They don't make you choose sides. Best friends don't keep secrets about their

past. Best friends don't always stay best friends.

The Octopus - Frank Norris 2008-05-30

The Octopus: A Story of California is a novel written by author Frank Norris. The Octopus is about wheat growers who are in conflict with a railroad company during late 19th century California. The railroad company, controlling the local newspaper, state legislature and the land prove to be a tough force for the local wheat growers to fight against. The Octopus is highly recommended for those who are interested in novels taking place in early California and also those who enjoy the writings of author Frank Norris.

Good Omens - Neil Gaiman 2011-06-28

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. "Season 2 of Good Omens coming soon! "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick." —Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

Occupational Literacy Education - R. Timothy Rush 1986

Intended for teachers of adult basic education as well as teachers in job retraining programs, this book focuses on the development of written and oral language competencies required in occupational and training settings. The first four chapters offer a concise synthesis of recent research on adult learning and on workplace literacy for ten occupations: account clerk, auto mechanic, draftsman, electrician, heating/air conditioning mechanic, industrial maintenance mechanic, licensed practical nurse, machine tool operator, secretary, and welder. The fifth chapter presents instructional strategies and techniques for the development of job related skills in these occupations, and

the sixth chapter discusses methods and information for technical vocabulary development. The appendixes include lists of high frequency and technical words often used in the ten occupations. (HOD)

*Main Street* - Sinclair Lewis 1999

In this classic satire of small-town America, beautiful young Carol Kennicott comes to Gopher Prairie, Minnesota, with dreams of transforming the provincial old town into a place of beauty and culture. But she runs into a wall of bigotry, hypocrisy and complacency. The first popular bestseller to attack conventional ideas about marriage, gender roles, and small town life, Main Street established Lewis as a major American novelist.

**Out of the Ordinary** - Michael Dillon/Lobzang Jivaka 2016-11-01

Now available for the first time—more than 50 years after it was written—is the memoir of Michael Dillon/Lobzang Jivaka (1915–62), the British doctor and Buddhist monastic novice chiefly known to scholars of sex, gender, and sexuality for his pioneering transition from female to male between 1939 and 1949, and for his groundbreaking 1946 book *Self: A Study in Ethics and Endocrinology*. Here at last is Dillon/Jivaka's extraordinary life story told in his own words. *Out of the Ordinary* captures Dillon/Jivaka's various journeys—to Oxford, into medicine, across the world by ship—within the major narratives of his gender and religious journeys. Moving chronologically, Dillon/Jivaka begins with his childhood in Folkestone, England, where he was raised by his spinster aunts, and tells of his days at Oxford immersed in theology, classics, and rowing. He recounts his hormonal transition while working as an auto mechanic and fire watcher during World War II and his surgical transition under Sir Harold Gillies while Dillon himself attended medical school. He details his worldwide travel as a ship's surgeon in the British Merchant Navy with extensive commentary on his interactions with colonial and postcolonial subjects, followed by his "outing" by the British press while he was serving aboard *The City of Bath*. *Out of the Ordinary* is not only a salient record of an early sex transition but also a unique account of religious conversion in the mid-twentieth century. Dillon/Jivaka chronicles his gradual shift from Anglican Christianity to the esoteric spiritual systems of George Gurdjieff and Peter Ouspensky to Theravada and finally Mahayana Buddhism. He concludes his memoir with the contested circumstances of his Buddhist monastic ordination in India and Tibet. Ultimately, while Dillon/Jivaka died before becoming a monk, his novice ordination was significant: It made him the first white European man to be ordained in the Tibetan Buddhist tradition. *Out of the Ordinary* is a landmark publication that sets free a distinct voice from the history of the transgender movement.

**Bluesman** - Andre Dubus, III 1993-04-19

It is the summer of 1967 and Leo Suther is about to turn eighteen. This is the summer that everyone has something to teach Leo. His father warns him that "life can turn on a dime." Allie, his girlfriend, wants to teach him about love. Her father, the local communist and civil rights organizer, lectures him on politics and carpentry. And Ryder, a family friend, wants to show Leo the magic of the harmonica--harp of the blues. However, when Leo's life threatens to come unglued, it is his mother's wisdom he turns to. Though she died before Leo was five, her voice lives on in her diaries and poems, testifying to the strength of her love for her husband and son--a love

that can still, years later, offer consolation.
