Love and Surrender - Gina Lake 2014-09-28  
Love and Surrender explains the important role that surrender plays in releasing us from bondage to our conditioning into the freedom and love of our true nature. Surrender is the "miracle" that occurs when we are finally able to let go and let things be as

they are. When this happens, we are Home, and love naturally flows to ourselves, to others, and to life. This is our natural state and the direction and goal for every human life. But how do we surrender? In Love and Surrender, Jesus, as dictated to Gina Lake, unveils this great mystery so that you can more easily

live your life from a place of love, acceptance, peace, and happiness. This book is one in a trilogy of books by Jesus, which includes Choice and Will and Beliefs, Emotions, and the Creation of Reality. The books in the trilogy can be read in any order. They are also available in a single volume called The Jesus Trilogy. From Love and Surrender: "Surrender is the means by which you come to know Love, or God... Love and surrender are important because they bring you your deepest heart's desire as a human being. You are meant to be happy, to love, to be at peace, and to be free. You are meant to move from fear, contraction, hopelessness, anger, victimization, and hate to trust, expansion, strength, courage, joy, peace, and love. This transformation comes about through surrender. All of the spiritual practices ever invented are designed to accomplish this one thing.

Surrender is the boat that takes you from one shore to another, from the limited human experience to the experience of the Divine incarnate. This was my message in times gone by, and it is my message today: You are not only human but divine, and you are meant to flourish and love one another."

Through the telling of the story and its many different philosophical teachings, the text provides deep insight into how to meet life's inevitable challenges while remaining open, clear, and compassionate. It offers modern day wisdom seekers a framework for understanding our core beliefs and who we really are--revealing the fact that healthy relationships to others and the world are essential to living a full, compassionate, balanced life. Richard Freeman and Mary Taylor, both deeply respected yogic teachers, offer a practical, immediately relevant interpretation that emphasizes self-reflection and waking up in our modern world. Following the traditional sequence of teachings in The Bhagavad Gita--from its opening scene in which Arjuna finds himself in the middle of a battlefield, hesitating and trapped between opposing sides, torn by his dharma

and confused by the various paths of action he might choose in the process of awakening--Freeman and Taylor interweave insight into how these classic teachings are relevant for modern readers struggling with what it means to live responsibly in the twenty-first century. With quotes, citations, and a full translation of the original text, they look at the overall arc of the The Bhagavad Gita's teachings and how that relates to the turmoil that arises, not only for Arjuna, but for any of us in the face of crises of conscience, spirit, and form. Exploring the essential themes such as love, wisdom, and karma, and by offering embodiment exercises to apply the teachings, *When Love Comes to Light* guides readers in the step-by-step process of waking up their intelligence and finding a path toward compassionate action.

the authors some good living and good loving before they realized that the love that they were seeking was already present and available in the depths of their hearts and mind. Love does not depend on anything that is happening "Out There" and is not dependent on anything "he" or "she" might do. It depends on our own willingness to look within and to act. This insight is a result of practicing the teachings of the Buddha on right diligence and right effort. The authors have been studying and practicing with Zen master Thich Nhat Hanh and they are happy to report that the practices work. In "The practice is not difficult. We simply need to get in touch with and nourish the practices that are helping us to experience peace. And then we need to stop doing the things that keep us from experiencing peace." With simplicity, warmth, and directness, he explores the four key aspects of love as described in the Buddhist tradition: lovingkindness, compassion, joy, and freedom—explaining how to experience them in our day-to-day lives. He also emphasizes that in order to love in a real way, we must first learn how to be fully present in our lives, and he offers simple techniques from the Buddhist tradition that anyone can use to establish the conditions of love. *Love and Rage* - Lama Rod Owens 2020-06-16

A LOS ANGELES TIMES BESTSELLER In the face of systemic racism and state-sanctioned violence, how can we metabolize our anger into a force for liberation? White supremacy in the United States has long necessitated that Black rage be suppressed, repressed, or denied, often as a means of survival, a literal matter of life and death. In *Love and Rage*, Lama Rod Owens, coauthor of *Radical Dharma*, shows how this unmetabolized anger--and the grief, hurt, and transhistorical trauma beneath it--needs to be explored, respected, and fully embodied to heal from heartbreak and walk the path of liberation. This is not a book about bypassing anger to focus on

happiness, or a road map for using spirituality to transform the nature of rage into something else. Instead, it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation. Love and Rage weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy, practical meditation exercises, mindfulness, tantra, pranayama, ancestor practices, energy work, and classical yoga. The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel overwhelmed with anger--and yet who refuse to relent. It is a necessary text for these times.

**All About Love** - bell hooks  
2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out

fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change

With a new introductory chapter by Thich Nhat Hanh We Want to Do More Than Survive - Bettina L. Love 2019-02-19

Winner of the 2020 Society of Professors of Education Outstanding Book Award Drawing on personal stories, research, and historical events, an esteemed educator offers a vision of educational justice inspired by the rebellious spirit and methods of abolitionists. Drawing on her life's work of teaching and researching in urban schools, Bettina Love persuasively argues that educators must teach students about racial violence, oppression, and how to make sustainable change in their communities through radical civic initiatives and movements. She argues that the US educational system is maintained by and profits from the suffering of children of color. Instead of trying to repair a flawed

system, educational reformers offer survival tactics in the forms of test-taking skills, acronyms, grit labs, and character education, which Love calls the educational survival complex. To dismantle the educational survival complex and to achieve educational freedom—not merely reform—teachers, parents, and community leaders must approach education with the imagination, determination, boldness, and urgency of an abolitionist. Following in the tradition of activists like Ella Baker, Bayard Rustin, and Fannie Lou Hamer, *We Want to Do More Than Survive* introduces an alternative to traditional modes of educational reform and expands our ideas of civic engagement and intersectional justice. **Strength to Love** - Martin Luther King, Jr. 2019-10-15 The classic collection of Dr. King's sermons that fuse his Christian teachings with his radical ideas of love and

nonviolence as a means to combat hate and oppression. As Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as "Loving Your Enemies" and "Shattered Dreams," and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King's fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change. **Teachings on Love** - Thich Nhat Hanh 2008-10-21

This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations. At a time when the association of Islam with violence dominates headlines, this beautiful collection offers us a chance to see a radically different face of the Islamic tradition. It traces a soaring, poetic, popular tradition that celebrates love for both humanity and the Divine as the ultimate path leading humanity back to God. Safi brings together for the first time the passages of the Qur'an sought by the Muslim sages, the mystical sayings of the Prophet, and the teachings of the path of "Divine love." Accurately and sensitively translated by leading scholar of Islam Omid Safi, the writings of Jalal al-Din Rumi can now be read alongside passages by Kharaqani, 'Attar, Hafez of Shiraz, Abu Sa'id-e Abi

**Living in Love and Faith -**  
The Church of England  
2020-11-09

Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England – and of the worldwide Anglican Communion – are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGBTBI+ people. Living in Love and Faith sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be

holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the Living in Love and Faith project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in

the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise

questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of Living in Love and Faith. The Living in Love and Faith book is accompanied by a range of free digital resources including films, podcasts and an online library, together with Living in Love and Faith: The Course, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.

Teaching and Learning the Love of God - Joseph Ratzinger 2017

This inspiring collection of homilies delivered by Joseph Ratzinger (Benedict XVI)

over six decades offers deep theological and historical insights on the meaning of the life and the witness of a Catholic priest. When Pope Benedict XVI inaugurated the Year for Priests in 2009, he did so in conjunction with celebrating the 150th anniversary of the death of John Vianney, the patron saint of all parish priests. Benedict's purpose for that special year is the same purpose of this book of homilies—to deepen the commitment of all priests to interior renewal for the sake of a stronger and more incisive witness to the Gospel in today's world. As St. John Vianney would often say, "The priesthood is the love of the heart of Jesus." This touching expression makes us reflect on the immense gift that priests represent, not only for the Church but for all mankind. Contemporary men and women need priests to be distinguished by their determined witness to Christ. These homilies

are meant to illuminate and to inspire priests to renew their commitment to "teaching and learning the love of God". The homilies cover a wide variety of important topics on the priesthood, all deeply rooted in Scripture, including acting in persona Christi, becoming an offering with Christ for the salvation of mankind, being there for God's mercy, and witnessing Christian joy.
