Atomic Habits - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

[Leadership Wisdom From The Monk Who Sold His Ferrari](#) - Robin Sharma 2011-05-10

In the groundbreaking national bestseller *The Monk Who Sold His Ferrari*, internationally respected author and speaker Robin S. Sharma showed us a powerful way to dramatically improve the quality of our personal and professional lives based on timeless success principles from both the East and the West. In doing so, he helped many thousands and sparked a phenomenon. Now, in *Leadership Wisdom*, his much-awaited follow-up, Sharma has a new mission: to help you become the kind of visionary leader you deserve to be and transform your business into an organization that thrives in this age of dizzying change. With deep insight and compelling examples, this truly innovative thinker shares an ageless yet eminently practical blueprint for effective leadership that is certain to manifest the highest human gifts of the people you lead and unlock loyalty, commitment and creativity in the process. Written as an easy to read and highly entertaining fable, *Leadership Wisdom* is the powerful story of Julian Mantle, a hard-driving corporate player who, after suffering a massive heart attack one Monday morning, decides to embark on an odyssey to the Himalayas in search of the great truths for effective leadership in business and in life. In a tale that will change the way you think about leadership forever, Julian discovers eight timeless rituals practiced by every truly visionary leader, eight rituals that you, as a leader seeking to excel in these information-crazed times, can easily use to energize your team and elevate your entire organization to world-class levels of productivity, performance and passion. *Leadership Wisdom* is a unique treasure of a book that will awaken the fullness of your leadership potential, transform your company and deeply enrich the quality of your professional as well as your personal life.

[The Genius Habit](#) - Laura Garnett 2019

What do you want out of your career? Have you been job hopping, and haven't found the perfect fit? Or maybe you want to bring fresh energy to your work. Garnett shows you how the path to finding long-lasting

professional happiness starts with building the one habit that makes extraordinary accomplishment all but guaranteed. -- adapted from jacket *Masters of Scale* - Reid Hoffman 2021-09-07

What can you learn from a Silicon Valley legend and a pantheon of iconic leaders? The key to scaling a successful business isn't talent, network, or strategy. It's an entrepreneurial mindset—and that mindset can be cultivated. "If you're scaling a company—or if you just love a well-told story—this is a book to savor."—Robert Iger, #1 New York Times bestselling author of *The Ride of a Lifetime* Behind the scenes in Silicon Valley, Reid Hoffman (founder of LinkedIn, investor at Greylock) is a sought-after adviser to heads of companies and heads of state. On each episode of his podcast, *Masters of Scale*, he sits down with a guest from an all-star list of visionary founders and leaders, digging into the surprising strategies that power their company's growth. In this book, he draws on their most riveting, revealing stories—as well as his own experience as a founder and investor—to distill the secrets behind the most extraordinary success stories of our times. Here, Hoffman teams up with *Masters of Scale*'s executive producers to offer a rare window into the entrepreneurial mind, sharing hard-won wisdom from leaders of iconic companies (including Apple, Nike, Netflix, Spotify, Starbucks, Google, Instagram, and Microsoft) as well as the bold, disruptive startups (such as 23andMe, TaskRabbit, Black List, and Walker & Co.) that are solving the problems of the twenty-first century. Through vivid storytelling and incisive analysis, *Masters of Scale* distills their collective insights into a set of counterintuitive principles that anyone can use. How do you find a winning idea and turn it into a scalable venture? What can you learn from a "squirmy no"? When should you stop listening to your customers? Which fires should you put out right away, and which should you let burn? And can you really make money while making the world a better place? (Answer: Yes. But you have to keep your profits and values aligned.) Based on more than a hundred interviews and including a wealth of new material never aired on the podcast, this unique insider's guide will inspire you to reimagine how you do business today.

[The Anger of Sainly Men](#) - Anubha Yadav 2021-03-08

The Anger of Sainly Men is the story of three brothers, Sonu, Anu and Vicky, growing up in the 90s. A new decade has started. Maine Pyar Kiya has just been released. Young boys are having wet dreams after imagining what Salman Khan saw when Bhagyashree undraped herself for him on that windy night. The three brothers have just moved to their new, first and last home, which they name, Chuhedani. *The Anger of Sainly Men* explores how little boys are made men in Indian households. A story of sexual awakening, heartbreak and growing up under the shadow of India's first wave of liberalisation. Told with compassion, the book delves deep into issues of masculinity, caste, class, homophobia and shame. *The Anger of Sainly Men* questions systems which have crushed men's expectations, desires & hopes for centuries. One of the first novels that compels us to think on how we raise men and patriarchy's deep grip on men's life.

The 80/20 Principle, Expanded and Updated - Richard Koch
1999-10-19

Be more effective with less effort by learning how to identify and leverage the 80/20 principle: that 80 percent of all our results in business and in life stem from a mere 20 percent of our efforts. The 80/20 principle is one of the great secrets of highly effective people and organizations. Did you know, for example, that 20 percent of customers account for 80 percent of revenues? That 20 percent of our time accounts for 80 percent of the work we accomplish? The 80/20 Principle shows how we can achieve much more with much less effort, time, and resources, simply by identifying and focusing our efforts on the 20 percent that really counts. Although the 80/20 principle has long influenced today's business world, author Richard Koch reveals how the principle works and shows how we can use it in a systematic and practical way to vastly increase our effectiveness, and improve our careers and our companies. The unspoken corollary to the 80/20 principle is that little of what we spend our time on actually counts. But by concentrating on those things that do, we can unlock the enormous potential of the magic 20 percent, and transform our effectiveness in our jobs, our careers, our businesses, and our lives.

The 5 AM Club - Robin Sharma

OWN YOUR MORNING, ELEVATE YOUR LIFE Legendary leadership and elite performance expert Robin Sharma introduced The 5 AM Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5 AM Club will walk you through: ■ How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements ■ A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day ■ A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth ■ A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed ■ "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world ROBIN SHARMA is a globally respected humanitarian. Widely considered one of the world's top leadership and personal optimization advisors, his clients include famed billionaires, professional sports superstars and many Fortune 100 companies. The author's #1 bestsellers, such as *The Monk Who Sold His Ferrari*, *The Greatness Guide* and *The Leader Who Had No Title* are in over 92 languages, making him one of the most broadly read writers alive today. A portion of the proceeds of this book will go to The Robin Sharma Foundation for Children to help kids in need live better lives. Make Your Bed - Admiral William H. McRaven 2017-04-04

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves—and the world—for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today

"Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes

A Question of Holmes - Brittany Cavallaro 2019-03-05

In the explosive conclusion to the New York Times bestselling Charlotte Holmes series, Holmes and Watson think they're finally in the clear after graduating from Sherringford...but danger awaits in the hallowed halls of Oxford. Charlotte Holmes and Jamie Watson finally have a chance to start over. With all the freedom their pre-college summer program provides and no one on their tail, the only mystery they need to solve, once and for all, is what they are to each other. But upon their arrival at Oxford, Charlotte is immediately drawn into a new case: a series of accidents befell the theater program at Oxford last year, culminating in a young woman going missing on the night of a major performance. The mystery has gone unsolved; the case is cold. And no one—least of all the girl's peculiar, close-knit group of friends—is talking. When Watson and Holmes join the theater program, the "accidents" start anew, giving them no choice but to throw themselves into the case. But as the complicated lines of friendship, love, and loyalty blur, time is running out—and tragedy waits in the wings.

The Success Code - Ray Brehm 2020-08-04

Do you ever wonder why some people always seem to succeed, and others fail? You already have access to all you need. If you want to learn how to use your true ability to access the secrets of success, then this may be the most important book you read this year, here's why ... But first a warning: Despite how success is portrayed in the media, or in movies, most of it doesn't happen overnight. The principles in this book are readily at your disposal right now, but some of them take time to implement in your life. If you are impatient, or looking for a quick fix, this book probably isn't for you. On the other hand, if you are willing to implement some simple habits and new mindset ideas into your life, then we encourage you to read on. Most "overnight" successes have been developed with small changes in daily habits and mindset tweaks, one day at a time. You will be surprised how simple these habits are, yet the majority of the people you know do not implement them on a regular basis. We asked over 20 experts to describe these habits for us, and the result was *The Success Code*. *The Success Code* is a life lesson of habits, mindsets and stories of how they have been used to overcome obstacles and achieve success. It's more than just about habits though.... How to change your career (and your income), even if you have no idea how You need to work your way up to your dream job, right? Wrong! The 3 things you must absolutely do to recover when you find yourself down in the drudgery of despair (whether personally or in your business) Where to find help when you need it most, think Luke Skywalker How to eliminate

the thoughts that make you poor Why you should never fight it when you are having a breakdown Why doing less will help you produce more and reduce stress Say Goodbye to unrealized goals when you make this one change What to do to reach the OMG level of your brand When it is ok to pivot your life, and how to reframe your mind to do it The Truth about maximizing your time and energy each day Yes, that's a lot of great information, but it gets better because you are also getting access to all of the private video conversations with the authors about these breakthrough principles (Sept 2020). Mind Without Fear - Rajat Gupta 2019-03-24

"A propulsive narrative filled with boldfaced names from business and politics. At times, it is a dishy score settler."—The New York Times For nine years, Rajat Gupta led McKinsey & Co.—the first foreign-born person to head the world's most influential management consultancy. He was also the driving force behind major initiatives such as the Indian School of Business and the Public Health Foundation of India. A globally respected figure, he sat on the boards of distinguished philanthropic institutions such as the Gates Foundation and the Global Fund to Fight AIDS, Tuberculosis and Malaria, and corporations, including Goldman Sachs, American Airlines, and Procter & Gamble. In 2011, to the shock of the international business community, Gupta was arrested and charged with insider trading. Against the backdrop of public rage and recrimination that followed the financial crisis, he was found guilty and sentenced to two years in jail. Throughout his trial and imprisonment, Gupta has fought the charges and maintains his innocence to this day. In these pages, Gupta recalls his unlikely rise from orphan to immigrant to international icon as well as his dramatic fall from grace. He writes movingly about his childhood losses, reflects on the challenges he faced as a student and young executive in the United States, and offers a rare inside glimpse into the elite and secretive culture of McKinsey, "the Firm." And for the first time, he tells his side of the story in the scandal that destroyed his career and reputation. Candid, compelling, and poignant, Gupta's memoir is much more than a courtroom drama; it is an extraordinary tale of human resilience and personal growth.

The Power of Habit - Charles Duhigg 2012-02-28

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal** • Financial Times In *The Power of Habit*, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can

transform our businesses, our communities, and our lives. With a new Afterword by the author "Sharp, provocative, and useful."—Jim Collins "Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good."—Financial Times "A flat-out great read."—David Allen, bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* "You'll never look at yourself, your organization, or your world quite the same way."—Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind* "Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change."—The New York Times Book Review

On a dark road deep inside the Russian woods at Borodino, a young American tourist picks up an unusual passenger with an explosive secret: an U.S. POW on the run from "The Charm School," a sinister operation where American POWs teach young KBG agents how to be model U.S. citizens. Their goal? To infiltrate the United States undetected. With this horrifying conspiracy revealed, the CIA sets an investigation in motion, and three Americans—an Air Force officer, an embassy liaison, a CIA chief—pit themselves against the country's enemies in a high-powered game of international intrigue.

The Saint, the Surfer, and the CEO - Robin Sharma 2003-10-01

"Release any concerns that you have about this path you're about to walk on, and just go into it with the curiosity of a child, knowing that you'll come out on the other side as a new person, or to be more accurate, far more of the person who you truly are and have been created to be." Jack Valentine seemed to have it all. He made good money as an adman, and looked good doing it. He had a hot apartment, cool friends, even a slick car—at least until the hectic Monday morning a truck smashed into it, sending the critically injured Jack to the hospital. Everything happens for a reason, though, and Jack's reason reveals itself in the silver-haired cancer patient who becomes his roommate one evening. The elderly man, Cal, shares his life story—one not dissimilar to Jack's—of material wealth masking a gaping hole within. Cal ultimately found salvation through philosophy ("the love of wisdom"), and now offers to help Jack by prepping the younger man for the Final Questions we all must face: Have I lived wisely? Have I loved well? Have I served greatly? Presenting Jack with three plane tickets, each accompanied by a map marked with a red X, Cal sends Jack to meet with three great teachers, each of whom will help Jack answer one of the Final Questions—just as they once helped Cal. First, in Rome, Jack will meet "the Saint." Then a haunted beach in Hawaii introduces him to "the Surfer." And finally the grandeur of New York City sets the stage for his last encounter: with "the CEO." Along the way, Jack will learn to do his interior work, discover that our negative traits offer gateways to higher versions of ourselves, and understand that figuring things out in your head can distract you from the powerful whispers of your heart. Join Jack on his journey and step into the you that you were always meant to be.

Summary of The 5 AM Club - Alexander Cooper 2021-02-27

Summary of *The 5 AM Club* *The 5 AM Club: Own Your Morning, Elevate Your Life* has a worldwide following as a life-changing book. Written by Robin Sharma, who based the book on the methods he has been teaching to celebrated entrepreneurs, CEOs of famous companies, sports superstars, music icons and members of royalty—with extraordinary success—for over twenty years. The key message of *The 5 AM Club* is that the first part of your day is the most important. The early morning hours of solitude and serenity, when everyone else is sleeping, make leaders. With almost zero distractions, this is the perfect time to expand your creativity and productivity. Robin Sharma had used a story of a devastated entrepreneur, a struggling artist, and a generous billionaire to convey his message. The three of them meet at a self-improvement

conference, from where the billionaire takes the other two on a journey of a lifetime. He teaches them different lessons on being a leader and having a meaningful life. You can follow them at each step, apply each experience to your own life, and become a member of the 5 AM club. Anyone can become a leader if he works for it. We all have heroes inside us. We only need to discover our primal powers, and we can create magic in our lives. From 5:00–6:00 AM is what Robin calls 'The Victory Hour. Dividing this hour into three intervals of 20 minutes, each according to the 20/20/20 formula, will give you time for exercise, self-renewal and personal growth. There are many other formulas and learning models which will help the 5 AM club members in utilizing their entire day. Once you follow these models, you'll be fascinated to find out how a straightforward habit of waking up as early as 5 AM has the power of changing your entire life. Here is a Preview of What You Will Get: □ A Full Book Summary □ An Analysis □ Fun quizzes □ Quiz Answers □ Etc Get a copy of this summary and learn about the book.

Speak Your Truth - Fearné Cotton 2021-01-07

THE INSPIRING SUNDAY TIMES BESTSELLER 'Fearné Cotton is a tireless seeker of the truth, and a wonderful communicator of sanity, hope, and (most refreshingly of all) reality. This is, simply put, a beautiful book.' Elizabeth Gilbert, author of *Eat, Pray, Love* and *Big Magic* 'During a time where misinformation is spreading faster than ever and people are finding it hard to keep it real, Fearné shows us the power of living in our truth. She has a magical way of making us feel understood through her compelling storytelling, while showing us a path to a more authentic life.' Vex King, author of *Good Vibes, Good Life* 'This book is going to help a lot of people.' Philippa Perry, author of *The Book You Wish Your Parents Had Read* 'Loved it - without judgement, but with a cheeky wink of wisdom, Fearné gives you the tools that she's learned on her own journey.' Skin, Skunk Anansie 'We need truth talkers more than we ever have right now. Wild, bold, connected truth talkers. Fearné takes our hand and shows us how to be one by treading the wild, vulnerable path first.' Sarah Wilson, author of *First, We Make the Beast Beautiful* Fearné Cotton's voice is familiar to millions, whether that's through television, radio or on her hugely successful *Happy Place* podcast. Her voice is her career, her livelihood and the way she communicates with her audience and her loved ones. So, when Fearné's doctor told her she was at risk of needing a throat operation followed by two weeks of being unable to speak, she found herself facing a period of unexpected contemplation. As she considered what silence would mean, Fearné began to think about other times her voice had gone unheard - as a young woman, as 'just the talent', as the foil to louder, more dominant figures. She found herself wondering, at what point do we internalise this message, and start silencing ourselves? When do we swallow down our authentic words to become pleasers and compromisers at the cost of our own happiness or wellbeing? *Speak Your Truth* dives into all the ways we learn to stay quiet for the wrong reasons, and explores how to find your voice, assert yourself and speak out with confidence. Brave, vulnerable and deeply personal, *Speak Your Truth* shares Fearné's compelling story and helps you to shape your own.

The Happiness Project - Gretchen Rubin 2012-06-26

What if you could change your life--without changing your life? Gretchen had a good marriage, two healthy daughters, and work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn't thinking enough about the things that really mattered. "I should have a happiness project," she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen's story will inspire you to start your own happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget someone's name and more.
