Open Space Technology - Harrison Owen 2009-03

This book, like all books, comes to an end, but that is by no means the end of the story of Open Space. In fact it is safe to say that we have barely begun. The total simplicity of Open Space (sit in a circle, create a bulletin board, open a marketplace, and go to work) contrasts radically with the quality of results and speed of achievement. Th...

LogoLounge 4 (mini) - Catharine Fishel 2010-11-01

The mini edition of the fourth volume in the best-selling LogoLounge series provides 2,000 logos from designers worldwide. This book, like the previous titles in the series, is compiled in association with LogoLounge.com, a website that was launched by Bill Gardner in 2002. The site is dedicated to logos. Top designers and design firms are hand picked and invited to be "foundation members." Foundation and website members each supply multiple logos to the site. Each LogoLounge book presents thousands of logos that have been added to the site, providing designers with an invaluable source for design inspiration and a resource for design solutions. The first portion of the book profiles 10 top designers recent work in the area of logo design; the second part of the book contains almost 2,000 logos organized by logo design (typography, people, mythology, nature, sports, etc.).
