Category Fiction > GL (Girls' Love) Fiction > Short Story Fiction > Korean Fiction (Web Novel) Summary HaYoon and YooSun, who became stepsisters due to their parents' remarriage. YooSun, who has a strong personality, envies HaYoon, who is a faithful schoolgirl and a good personality unlike herself. And underneath her envy lies a deep love for HaYun. After failing in highschool, YooSun entered the gangster-

like world and has become a successful businesswoman, and HaYoon was married, but has lived an unhappy life due to her unfaithful husband. YooSun schemes to correct her brother-in-law's unfaithfulness and insincerity. She has been always by her side but cannot show her heart to her stepsister. The color of this love is dark, deep dark. #modernSetting #forbiddenLove #gangster #mistake #firstLove * This short story of GL(Girls' Love) is translated from from the original Korean short web-novel. (text only, no illustration) Tables Of Contents Title Page Body Content Copyright (56 pages in approx. print length) Preview What if she suddenly gets an older sister that wasn't there? That's also when she was a freshman in high school, when she was already big enough to be a grown-up? But what if she's nicer and prettier than her, and she's better than her in every way? YooSun was bound

to be crooked, of course. Regardless of whether she likes her new sister or not. "YooSun, nice to meet you." A two-year-older-than-her woman with long straight hair greeted her kindly. She was as neat as a goddess' face. Unlike her eyes, which looked weak at the tip, her lips were surprisingly clear. Even though she's not wearing makeup. YooSun unwittingly fiddled with the tips of her own hair on her chest. Her hair, which had become dull because of her frequent dyeing, was even more ugly with a cheap perm. That's all. Her expression was already worn out by the world and her cynicism was young. Because of her new sister, YooSun herself felt more shabby. "Please take care of me from now on." Contrary to YooSun, the person, or new sister, smiled warmly and asked for a handshake. She was sure she saw some complaint on her face. Nevertheless, there was no malice there, so YooSun snatched

the hand without realizing it. Then YooSun gently loosened her hand, which must have been embarrassing for her, which was full of strength. It was the warmth of a person YooSun felt with her fingertips for the first time in a long time. A responsible but blunt mother was staring at their handshake. The mother's eyes contained something like concern, not warmth. Maybe it was because of the grim expression YooSun made a while ago. YooSun has always been grateful to her mother, but she has rarely felt any benevolence or bond as mother and daughter. But funny enough, she felt her mother in her new sister today. Of course, only at the first moment she met her. That kind of mind has changed little by little since then. The Art of Complicity in Martial and Statius
- Erik Gunderson 2021-08-05

The Art of Complicity in Martial and Statius examines the relationship between politics and aesthetics in two poets from the reign of Domitian. Gunderson offers a comprehensive overview of the Epigrams of Martial and the Siluae of Statius. The praise of power found in these texts is not something forced upon these poems, nor is it a mere appendage to these works. Instead, power and poetry as a pair are a fundamental dyad that can and should be traced throughout the two collections. It is present even when the emperor himself is not the topic of discussion. In Martial the portrait of power is constantly shifting.

Poetic play takes up the topic of political power and 'plays around with it'. The initial relatively sportive attitude darkens over time. Late in the game we have ecstasies of humiliation. After Domitian dies the project tries to get back to the old games, but it cannot. Statius' Silvae merge the lies one tells to power with the lies of poetry more generally. Poetic mastery and political mastery cannot be dissociated. The glib, glitzy poetry of contemporary life articulates a radical modernism that is self-authorizing, and so complicit with a power whose structure it mirrors. What does it mean to praise praise poetry? To celebrate celebrations? Gunderson's discussion opens and closes with a meditation upon the dangers of complicit criticism and the seductions of a discourse of pure art in a world where the art is anything but pure. *Deliciously Obedient (Obedient #3)(BBW romance)(Billionaire romance)* - Julia Kent

In Your Dreams - Julia Kent 2021-06-01
Sometimes your wildest dreams really do come true... Laura Michaels sat up in her dark, lonely bedroom, heart slamming in her heated chest, the dream so real she could still taste his mouth against hers, feel hands pressed into her soft curves, sense fingers exploring where she wanted them most in the lush territory of her abandoned body. Yet her bed was empty, as always. Except for the three cats who thought they

owned it. And the empty ice cream pint, spoon jutting out like it was identifying her in a line-up. Heart racing, she tried. She really did. She should have calmed down. She should have been able to shake the reverie. She should have let it all fade. What kept her heart beating so fast, though, was one undeniable fact. There had been four hands on her in that dream... This prequel takes Laura, Mike and Dylan from the New York Times bestselling series Her Billionaires and offers a glimpse into their yearning for what was meant to be... The book you are about to read, In Your Dreams, is a newly-revised and expanded prequel to the New York Times bestselling series, Her Billionaires. It was originally published under the title Before Her Billionaires, but now has more than double the words, is fully re-edited, and has more of the men ;) .

Shopping for a Baby's First Christmas (Shopping #15) (Romantic Comedy) -

Julia Kent 2018-12-06

My mother wants all her kids and grandkids to spend Christmas Eve at her house and wake up on Christmas morning together. Sounds reasonable, right? And it would be. If it weren't my mother. My husband, Declan, is protesting any involvement, though he's openly intrigued by the idea of claiming his territory by having sex in my childhood bed. And by intrigued, I mean a series of really hot suggestions that make me whimper when I have to say no. Wait-why am I saying no, again? Mom has turned her house into a Christmas showcase that makes Frankenmuth look like the picked-over clearance rack at Target on December 26. You know those crazy people on Etsy who make felted gnomes out of belly-button lint and use... a certain kind of hair... to make thatched roofs on little decorative elf homes? Those people are saner than my mother. There is

no force of nature stronger-or more emotionally volatile-than a fifty-something grandmother determined to create holiday memories. Wait a minute. Maybe there is. My husband. Obedience (Submission Book 1) - Jason Collins 2019-02-16

ELLIOT: Romance is one thing - obedience is another. After almost crashing my car in the Alaskan wilderness, I wake up in the muscled arms of one of the locals. He's a rugged pilot bringing supplies to my research station, but he's got more than work on his mind. His eyes tell me he likes giving orders. And I like taking them. Caleb is the most intense man I've ever met. When his plane breaks down and traps us together, his untamed dominance emerges. I'm his, and he knows it. And he demands total submission. We're trapped together, but it won't last forever. He's a beast of a man, and I'm in his grip. CALEB: If he wants to survive out here, he'll do as I say. I'm divorced, straight, and single, but those

labels disappear when I see Elliot. He's soft and innocent--and I have him all to myself. He's not a pushover, but surviving in Alaska is no easy task. He needs a strong pair of hands to show him the ropes. Elliot awakens something in me. The desire to dominate him, to bend him to my will and hear him beg for more makes me feel alive. And I love it. I'm a hardened man with a sturdy body, but as much as I bury it, part of me wants to spoil him--and have him scream my name all night. Doesn't matter that Elliot's a man; he's the only one I want in my cockpit. In the wilderness, what I say goes. This is the first book in the Submission series. It can be enjoyed as a standalone with no cliffhanger. Readers can expect an extra spicy MM romance with several steamy scenes. Heat level: 10.

Shopping for a Highlander - Julia Kent
2022-01-11

I'm a professional chickenblocker. Except "chicken" is a euphemism. I get paid to follow a womanizing troglodyte who thinks rules are for other people and that my pants are the next pair he's getting into. Dream

on. Bet your first professional job didn't involve babysitting an extremely hot, muscle-bound Scottish Highlander with an ego the size of a kilt and a libido bigger than his...well... Chicken. Keeping Scottish football (that's 'soccer' to us Americans) player Hamish McCormick away from inappropriate scandals while he does product endorsement campaigns is my mission. No problem. Until Hamish decides I'm his next scandal. And maybe more.... Shopping for a Highlander is an enemies-to-lovers, slow burn romance that opens with a surprise kiss and ends with a happily ever after. This sports comedy in the New York Times bestselling Shopping for a Billionaire world contains no actual chickens, but it has plenty of locker room scenes, a fake relationship, very real banter, and more. You do not have to have read the previous books in this world, though after you read about Amy and Hamish, you'll want to. ;)

(Author's note: Get Maliciously Obedient and Suspiciously Obedient to round out the entire series!) Top 100 on Amazon! Top 100 on Nook! From NEW YORK TIMES bestselling author Julia Kent: The final book in the Obedient trilogy asks whether being authentic means losing everything in order to gain yourself... Ego bruised but spirits lifted by her relationship with Jeremy, her ex-lover's best friend, Lydia Charles comes home to her family's campground in coastal Maine with a new boyfriend, some old anxieties, and one big question: where's Michael Bournham? Mike's spent the last month incognito, living at the Charles family campground and sorting through his past to make sense of his future. Dropping out of the media spotlight was the best choice he could have made, and with Lydia safe in the job he created for her, far away

in Iceland, he has plenty of time to think about how he hurt her...and how to win her back. Jeremy followed Mike's instructions to the letter: take care of Lydia. Falling hopelessly for her, though, wasn't in this free-wheeling globe trotter's plan. Meeting her parents and settling down triggers his own issues, and when a sudden tragedy hits one of Lydia's beloved relatives, he finds himself confronting his own past...and shaping the future. It's all in Lydia's hands now as she breaks every rule in an effort to learn whether the rules ever mattered at all.**This ends the Obedient series -- read the 900+ page story arc by getting Maliciously Obedient and Suspiciously Obedient as well!**

God's Big Idea - RosAnne Corakay Tetz
2003

The author starts with God's plan to create a new world and guides the child through the six days of Creation, and ends up with

God's plan for a new earth. In between, children solve many of life's lesser mysteries (do fish sleep?) and think about a few of the greater ones (why am I here?). And every fascinating fact about the world we live in becomes a doorway to big truths about life.

[A Portrait of Obedience](#) - Sherry Wynne Tucker
2020-10-26

What does it look like when someone feels called to do something that doesn't make sense? It depends on who you ask. To the one doing it, it seems like the only choice. To those looking on from the outside, it may look admirable, a little on the crazy side or bordering on insanity. This is the true story of one couple who knew that calling as they became unwittingly involved in the life of a stranger, a sweet old man named George who landed on their porch in the midst of a heart attack. Despite any real plan, Linda and Bobby answered a gentle nudge from

God. As they surrendered, God perfectly orchestrated everything, allowing them all to receive a lifetime of living and loving in just eight months. When it was all over, they were unable to imagine anything more beautiful than the lifelong blessings they received. And then one last unexpected blessing came to light, which God used to open the eyes of those looking on from the outside.

Obedience - Michael Sadleir 1925

Torn between two men, Lydia returns to her parents' campground in Maine defeated and overwhelmed. She can't deny her attraction to the affable, anything-goes Jeremy. But it's Michael Bournham who haunts her dreams. When it turn out Mike's been hiding in plain sight, she realizes that for some people, rules are made to be

broken. For her, though, it's time to make her own rules. Rules that mean having it all. Including both Jeremy and Mike.

Love You Right - Julia Kent 2022-04-26
A missed opportunity five years ago makes for an unexpected encounter now between two people meant for each other - but who square off in a very public battle of wills in the small town of Love You, Maine, where every day is Valentine's Day. Can love conquer all in a town steeped in it? Kell Luvview refuses to be a sucker at love again. Five years ago, he left D.C. with his pride wounded and his heart broken. Fiercely protective of his small town in rural Maine, he's determined to save the family tree business and avoid his feelings at all costs, no matter how much he longs to solve the mystery of what happened in D.C. L.A. native Rachel Hart hates being underestimated almost as much as she hates this small town. She has two goals on

this trip: get out of the cheesy tourist trap of Love You, Maine with a completed business deal, and avoid running into Kell, her old friend from D.C. who never became an old flame because of a huge misunderstanding. One that still aches. When her rental car breaks down on a logging road and Kell comes to her rescue, it's clear he's a changed man - and not for the good. Grumpy and reserved, he pushes all her buttons, still stubbornly convinced she betrayed him all those years ago. He's never forgiven her, and she's never forgiven herself for carrying a torch for him. An embarrassing incident gets the town gossip mill going when residents wrongly assume Kell and Rachel are the newest couple to find love in the most romantic place on Earth. But the townsfolk aren't wrong for long... As Rachel breaks through his defenses and charms the town, he faces his biggest fear: all those pesky feelings he's

been avoiding. Because they're all about Rachel now. And maybe they always were. Can Kell and Rachel fight their growing attraction in the one place in the world where you can't avoid love? If you're looking for a fun read about enemies to lovers, forced proximity, heroines who get their comeuppance and sworn bachelors felled by unexpected true love, featuring a hot bearded lumberjack impervious to poison ivy, and a city-slicker, jaded career woman with a penchant for great coffee, set in a small town in New England - then this is your book. Grab a cup of (properly good) coffee, a can of hot cocoa mix, a jar of Fluff and maybe some calamine lotion (just in case), and get your happymeter ready as you read the very first book in New York Times bestselling romantic comedy author Julia Kent's Love You, Maine series - where love isn't just a feeling - it's a way of life. Standalone Slow Burn Enemies to Lovers

Small town romance Lumberjack and city slicker outsider ... and a cat named Calamine

[Shopping for a Billionaire's Honeymoon \(Shopping #11\) \(Billionaire romantic comedy\)](#) - Julia Kent 2017-01-31

He is addicted to his phone and his new role as CEO. I'm addicted to getting some on my own honeymoon. One of these things is not like the other. I am pretty sure a serial killer's lair is the only place in the world where I could stash my new husband so he can't manage the acquisition of our new company. And that seems a little drastic. But only a little... All I want is one week alone with him. Hours in bed, legs tangled together in ecstasy, room service and long walks on the beach in Hawaii. Not vying for his kisses around a Bluetooth microphone. The Borg aren't sexy in real life. So I'm taking matters into my own hands and hitting "reboot" on our

honeymoon. We're going to a place so remote that no one can find us. Not even my mother. Shopping for a Billionaire's Honeymoon is now a full-length book of 150+ pages, with both Shannon and Declan's points of view. Originally published with only Shannon's viewpoint, this expanded edition is a result of reader feedback. People wanted to know what Declan was up to - so here you go. This book is meant to be read after Shopping for a Billionaire's Wife and/or Shopping for a CEO's Fiancée, but if you read it out of order (or even as a standalone), that's fine. Random Acts of Baby - Julia Kent

2020-08-14

You know those television stories about the woman who goes to the emergency room thinking she has a bad case of indigestion or kidney stones or a burst appendix and she comes home with a bouncing baby boy?

Stupid woman, right? Who the heck doesn't know she's pregnant for nine and a half months? I used to think those mamas were one block short of a level trailer. Used to. Random Acts of Baby is the 11th book in Julia Kent's New York Times bestselling series as Darla, Trevor, and Joe go on a long, crazy journey involving a baby, living two lives, and learning who you can count on most when you need a helping hand.

Shopping for a Billionaire's Fiancee (Shopping #6) (Billionaire Romance) (Romantic Comedy) - Julia Kent

2015-02-26

All of our best dates end up in the emergency room.... I planned the perfect proposal. Plenty of lobster, caviar, champagne and--her favorite--tiramisu. The perfect setting. The perfect woman. The perfect everything. Dad gave me my late mother's engagement ring, platinum and diamonds galore. Shannon wouldn't care if I

slid a giant hard-candy ring on her finger instead of a three-carat diamond designed to impress. But my future mother-in-law, Marie, will pass out when she sets eyes on that rock, which will give us two minutes of blessed silence. That woman talks more than Kim Kardashian flashes her naked backside on the internet. I was going to make it perfect, from the color of the tablecloth to the freshness of the roses. And it was perfect. Until Shannon swallowed the ring. * * * Shopping for a Billionaire's Fiancée gives near-billionaire Declan McCormick the chance to tell his story in this continuation of the New York Times and USA Today bestselling Shopping for a Billionaire series. ***** Read what others are saying about Julia Kent: "Heartwarming and intensely emotional, Our Options Have Changed is witty, sexy and hilarious with a heroine you admire and a hero you can't help falling in love with." -- Helena Hunting,
