Discovering Wes Moore - Wes Moore 2013-09-10

For fans of *The Wire* and *Unbroken* comes a story of two fatherless boys from Baltimore, both named Wes Moore. One is in prison, serving a life sentence for murder. The other is a

Rhodes Scholar, an army veteran, and an author whose book is being turned into a movie produced by Oprah Winfrey. The story of "the other Wes Moore" is one that the author couldn't get out of his mind, not since he learned that another boy with his name—just two years his senior—grew up in the same Baltimore neighborhood. He wrote that boy—now a man—a letter, not expecting to receive a reply. But a reply came, and a friendship grew, as letters turned into visits and the two men got to know each other. Eventually, that friendship became the inspiration for *Discovering Wes Moore*, a moving and cautionary tale examining the factors that contribute to success and failure—and the choices that make all the difference. Two men. One overcame adversity. The other suffered the indignities of poverty. Their stories are chronicled in *Discovering Wes Moore*, a book for young people based on Wes Moore's

bestselling adult memoir, *The Other Wes Moore*. Includes an 8-page photo insert. Praise for *Discovering Wes Moore* "Moore wisely opens the door for teens to contemplate their own answers and beliefs, while laying out his own experiences honestly and openly."—Publishers Weekly "He argues earnestly and convincingly that young people can overcome the obstacles in their lives when they make the right choices and accept the support of caring adults."—Kirkus Reviews

*On the Down Low* - J.L. King  
2005-04-05  
A bold exposé of the controversial

secret that has potentially dire consequences in many African American communities. Delivering the first frank and thorough investigation of life "on the down low" (the DL), J. L. King exposes a closeted culture of sex between black men who lead "straight" lives. King explores his own past as a DL man, and the path that led him to let go of the lies and bring forth a message that can promote emotional healing and open discussions about relationships, sex, sexuality, and health in the black community. Providing a long-overdue wake-up call, J. L. King bravely puts the spotlight on a topic that has until now remained dangerously taboo. Drawn from hundreds of interviews, statistics, and the author's firsthand knowledge of DL behavior, *On the Down Low* reveals the warning signs African American women need to know. King also discusses the potential health consequences of having unprotected sex, as African

American women represent an alarming 64 percent of new HIV infections. Volatile yet vital, *On the Down Low* is sure to be one of the most talked-about books of the year. "A survey by the Centers for Disease Control in Atlanta found that nearly a quarter of black HIV-positive men who had sex with men consider themselves heterosexual." -*Essence*

*Readicide* - Kelly Gallagher 2009  
Read-i-cide n: The systematic killing of the love of reading, often exacerbated by the inane, mind-numbing practices found in schools. Reading is dying in our schools. Educators are familiar with many of the factors that have contributed to the decline--poverty, second-language issues, and the ever-expanding choices of electronic entertainment. In this provocative new book, Kelly

Gallagher suggests, however, that it is time to recognize a new and significant contributor to the death of reading: our schools. In *Readicide*, Kelly argues that American schools are actively (though unwittingly) furthering the decline of reading. Specifically, he contends that the standard instructional practices used in most schools are killing reading by: - valuing the development of test-takers over the development of lifelong readers; - mandating breadth over depth in instruction; - requiring students to read difficult texts without proper instructional support; - insisting that students focus solely on academic texts; - drowning great books with sticky notes, double-entry journals, and marginalia; - ignoring the importance of developing recreational reading; and - losing sight of authentic instruction in the shadow of political pressures. Kelly doesn't settle for only identifying

the problems. Readicide provides teachers, literacy coaches, and administrators with specific steps to reverse the downward spiral in reading--steps that will help prevent the loss of another generation of readers.

Understanding and getting past the fear of releasing old ways of being opens the door to a future based on what really matters to you. As you discover ways to build your life from a foundation that is uniquely your own, you will release

the dreams and hopes of the past that caused pain and failure."--Amazon.

**Why Does He Do That?** - Lundy Bancroft  
2003-09-02

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about:

- The early warning signs of abuse
- The nature of abusive thinking
- Myths about abusers
- Ten abusive personality types
- The role of drugs and alcohol
- What you can fix, and what you can't
- And how to get out of an abusive relationship safely

"This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

**Book Title Generator** - Scott Lorenz  
2020-05-15

The Proven System For Finding a Title That Sells Your Book Nobody buys a book unless they're first attracted by the title and cover. If the title doesn't grab them it's game over. That's why Book Publicist Scott Lorenz of Westwind Book Marketing created a strategy for naming your book that'll get attention of potential buyers. Don't name your book until you've read Book Title Generator. Using the latest methods of getting a book ranked on search engines and in Amazon, Lorenz lays

out a plan to help you get the right title for your book. Lorenz asks authors to consider all options in the quest for the perfect book title. From using numbers, alliteration, idioms, and keyword research, Book Title Generator covers them all. Many famous books we all know today started out with dreadful titles. Learn why when a title was changed their book sales took off! As a Book Publicist Scott Lorenz has helped title hundreds of books and promoted hundreds more. He's a student of book titles and shares his nearly three decades of book marketing experience with authors in this book. Book Title Generator is designed to help authors and publishers spark the idea to lead them to the perfect book title. It's the surefire way to find your winning title.

*Put Reading First* - Bennie Armbruster  
2002-06-01

This guide was designed by teachers for teachers, and summarizes what

researchers have discovered about how to successfully teach children to read. It describes the findings of the 2000 National Reading Panel Report and provides analysis and discussion in five areas of reading instruction: phonemic awareness, phonics, fluency, vocabulary, and text comprehension. Each section defines the skill, reviews the evidence from research, suggests implications for classroom instruction, describes proven strategies for teaching reading skills, and addresses frequently raised questions. Illustrated.

**The Invisible Government** - Dan Smoot  
2021-10-25

The book "The Invisible Government", has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been

reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable. For Keeps - Natasha Friend 2010-04-06  
Josie's never met her dad, and that's fine with her. To Josie, Paul Tucci is just a guy who got her mom pregnant and then moved away. It all happened sixteen years ago, when Josie's mom was still a teenager herself. But now Paul Tucci is back in town, and Josie has to deal with not one but two men in her life - her father and her first boyfriend, who Josie fears will hurt her just like Paul hurt her mother.

*Who's who Among Students in American Universities and Colleges* - 1980

**Aline and the Blue Bottle** - Carolina Ugaz-Moran 2019-10-31

A record of University life and work.

Twelve Years A Slave (Illustrated) -  
Solomon Northup 2014-08-22

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New

York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.

**A Guidebook to South Carolina**

**Historical Markers** - 2021-02-19

The South Carolina Historical Marker Program, established in 1936, has approved the installation of more than 1,700 interpretive plaques, each highlighting how places both grand and unassuming have played important roles in the history of the Palmetto State. These roadside markers identify and interpret places valuable for understanding South Carolina's past, including sites of consequential events and buildings, structures, or other resources significant for their design or their association with institutions or individuals prominent in local, state, or national history. This

volume includes a concise history of the South Carolina Historical Marker Program and an overview of the marker application process. For those interested in specific historic periods or themes, the volume features condensed lists of markers associated with broader topics such as the American Revolution, African American history, women's history, the Civil War, and Reconstruction. While the program is administered by the South Carolina Department of Archives and History, most markers are proposed by local organizations that serve as a marker's official sponsor, paying its cost and assuming responsibility for its upkeep. In that sense, this inventory is a record not just of places and subjects that the state has deemed worthy of acknowledgment, but of those that South Carolinians themselves have worked to enshrine. Who's who of American Women - Marquis Who's Who 1973

*The Breathing Gym* - Sam Pilafian 2002  
For band, chorus, and orchestral winds.

**Who's Who in America, 1996** - Marquis Who's Who, Inc 1995-09

When you need authoritative, accurate facts on our nation's leaders, go to the preeminent record of American achievement that offers new

information EVERY year: Marquis WHO'S WHO IN AMERICA.

### **Several Short Sentences About Writing**

- Verlyn Klinkenborg 2013-04-09

An indispensable and distinctive book that will help anyone who wants to write, write better, or have a clearer understanding of what it means for them to be writing, from widely admired writer and teacher Verlyn Klinkenborg. Klinkenborg believes that most of our received wisdom about how writing works is not only wrong but an obstacle to our ability to write. In *Several Short Sentences About Writing*, he sets out to help us unlearn that "wisdom"—about genius, about creativity, about writer's block, topic sentences, and outline—and understand that writing is just as much about thinking, noticing, and learning what it means to be involved in the act of writing. There is no gospel, no orthodoxy, no dogma in this book. Instead it is a gathering

of starting points in a journey toward lively, lucid, satisfying self-expression.

**History of Greene County, Georgia, 1786-1886** - Thaddeus Brockett Rice 1973

*Teaching the History of the English Language* - Colette Moore 2019-05-01  
The study of the history of the English language (HEL) encompasses a broad sweep of time and space, reaching back to the fifth century and around the globe. Further, the language has always varied from place to place and continues to evolve today. Instructors face the challenges of teaching this vast subject in one semester and of engaging students with unfamiliar material and techniques. This volume guides instructors in designing an HEL course suited to their own interests and institutions. The essays consider what subjects of HEL to include, how to organize the

course, and what textbook to assign. They offer historical approaches and those that are not structured by chronology. Sample assignments provide opportunities for students to conduct original research, work with archives and digital resources, and investigate language in their communities. The essays also help students question notions of linguistic correctness.

*Censorship and Selection* - Henry Reichman 2001-05  
Censorship! The word itself sparks debate, especially when the context is the public school. Since the publication of the second edition of this landmark book in 1993, wired classrooms, legal challenges, and societal shifts have changed the landscape for the free exchange of ideas. Completely revised and updated, this new edition remains the most comprehensive guide for protecting the freedom to read in schools: For school librarians and

media specialists, teachers, and administrators, Reichman covers the different media (including books, school newspapers, and the Internet), the important court cases (including recent litigations involving Harry Potter, the Internet, and Huck Finn), the issues in dispute (including violence, religion, and profanity), and how the laws on the books can be incorporated into selection policies. An entire chapter is devoted to troubleshooting and answering the question of What do we do if...? Look no further for the best and most specific information on providing access and facing challenges to intellectual freedom. You'll find answers if you are asking questions like these: \* What is the distinction between making selection decisions and censoring?

Who's who in Colored America - 1927

**Fordham** - Father Raymond A. Schroth  
S.J. 2009-08-25

Fordham University is the quintessential American-Catholic institution—and one now looked upon as among the best Catholic universities in the country. Its story is also the story of New York, especially the Bronx, and Fordham's commitment to the city during its rise, fall, and rebirth. It's a story of Jesuits, soldiers, alumni who fought in World Wars, chaplains, teachers, and administrators who made bold moves and big mistakes, of presidents who thought small and those who had vision. And of the first women, students and faculty, who helped bring Fordham into the 20th century. Finally it's the story of an institution's attempt to keep its Jesuit and Catholic identity as it strives for leadership in a competitive world. Combining authoritative history and fascinating anecdotes, Schroth offers an engaging account of Fordham's one hundred thirty-seven years—here, updated,

revised, and expanded to cover the new presidency of Joseph M. McShane, S.J., and the challenges Fordham faces in the new century.

Stolen Innocence - Erin Merryn  
2010-01-01

Eleven-year-old Erin Merryn's life was transformed on the night she was sexually abused by her cousin, someone she loved and trusted. As the abuse continued, and as she was forced to see her abuser over and over again in social situations, she struggled with self-doubt, panic attacks, nightmares and the weight of whether or not to tell her terrible secret. It wasn't until a traumatic series of events showed her the cost of silence that she chose to speak out-in the process destroying both her family and the last of her innocence. Through her personal diary, written during the years of her abuse, Erin Merryn shares her journey through pain and confusion to inner strength and, ultimately,

forgiveness. Raw, powerful and unflinchingly honest, *Stolen Innocence* is the inspiring story of one girl's struggle to become a woman, and a bright light on the pain and devastation of abuse. *Stolen Innocence* is written with conviction and clarity. [Erin Merryn] doesn't hold back, and I respect her honesty and openness...By the end of the book, I thought I was reading passages from a much older adult than a high school senior. Erin has grown into a strong, wise, intelligent, perceptive, spiritual, caring adult."  
-Susan Reedquist, The Children's Advocacy Center

**Programs for the Handicapped** - 1968

*Who was who in America* - 1943  
Provides brief profiles of notable Americans, as well as individuals whose careers were of regional or international significance, who died between 1969 and 1973, based on information provided by the person

prior to his or her death, arranged alphabetically by surname. Includes an index to volumes one through five, and the historical volume.

Directory: Public Elementary and Secondary Day Schools, 1968-69: Southeastern region - Diane Bochner Gertler 1970
