A Heart Like Mary's - Edward Looney 2017-10-06

A Heart Like Mary's is the perfect book for all Catholics wishing to begin or deepen their devotion to Mary. Author and Marian theologian Rev. Edward Looney guides us through thirty-one daily meditations on the unique characteristics of Mary's heart. This easy-to-read and engaging monthly devotional is full of practical lessons that address the personal challenges we all face as Mary's fellow pilgrims walking the path of faith. In the midst of feeling lost in his prayer life and relationship with God, Fr. Looney found himself reflecting on who Mary is and how he could be more like her. He learned that by daily meditating on Mary's attributes and praying for the grace to have a heart like hers he could turn his pessimistic and critical thoughts into optimistic and charitable ones. *A Heart Like Mary's* offers readers a simple yet reflective introduction to Marian spirituality by way of a month-long daily devotional. Readers come away with a clear sense of who Mary was, how she cares for and looks after the faithful, and how we can honor her in our daily lives. Based heavily on scripture, Church teaching, and Looney's personal experience, *A Heart Like Mary's* gently teaches us how to imitate Mary's love for others and devotion to God. Each day's meditation offers simple yet reflective insight into a unique characteristic of Mary's heart. You'll discover twenty-one attributes and ten separate desires of her heart, including: A Heart That Says Yes A Heart That Rejoices A Heart Filled with Generous Love A Heart Attentive to the Needs of Others A Heart of Compassion A Heart Desiring to Alleviate Suffering A Heart Desiring Us to Pray A Heart Desiring Peace As we're guided through each of these meditations, we'll find inspiration for changing our own behavior and heart's disposition so that we, too, can

respond to God, our loved ones, and life's obstacles with the same tenderness that Mary does. Each day provides a scriptural quote or message from one of Mary's apparitions, followed by a reflection leading us into the depths of Mary's heart and showing us how to mirror her heart. We also will be invited to call upon Mary's intercession, asking her to give us a heart like hers. Each meditation concludes with a challenge to incorporate a love for Mary into our prayer life and action toward others.

Praying the Rosary for Spiritual Warfare - Fr. Dwight Longenecker 2016-07-13

Fr. Dwight Longenecker asks, "Are you disturbed by the state of our world?" For most of us the answer is "yes." The news reports fuel this dread. We see and hear the horrors of terrorism and war, crime, corruption, rage, violence, inequality, poverty, and attacks on human dignity at every level. We are in a war with evil. It's real, and it's personal. Here is your weapon, and here is a warrior to fight beside you. In this book you'll learn to pray the Rosary in a whole new way, battling with Mary as you pray the 20 mysteries. Each mystery is aligned with a particular evil, helping you focus on everything from abortion, murder, and genocide, to materialism, illness, and disease, to pollution, corruption, and abuse of the poor. Through Scripture, reflection, and ten positive things to pray for in each of the mysteries, you'll gain a vision for how the demonic evils can be trampled down through prayer and action. With *Praying the Rosary for Spiritual Warfare*, you'll be answering St. Paul's battle cry: "Put on the whole armor of God, that you may be able to stand against the cunning schemes of the devil."

BIOGRAPHERS have already told us much about St. Louis De Montfort and the Rosary; now, with this first English edition of *THE SECRET OF THE ROSARY*, we can listen to Montfort speaking for himself. He sees it as including essentially the meditation of the mysteries of the life, death and glory of Jesus and Mary, with a view not only to honoring but especially imitating their

virtues as held up to our consideration in each mystery.

Music, Piety, and Propaganda - Alexander J. Fisher 2014-02

Music, Piety, and Propaganda: The Soundscapes of Counter-Reformation Bavaria explores the nature of sound as a powerful yet ambivalent force in the religious struggles that permeated Germany during the Counter-Reformation. Author Alexander J. Fisher goes beyond a musicological treatment of composers, styles, and genres to examine how music, and more broadly sound itself, shaped the aural landscape of Bavaria as the duchy emerged as a militant Catholic bulwark. Fisher focuses particularly on the ways in which sound—including bell-ringing, gunfire, and popular song, as well as cultivated polyphony—not only was deployed by Catholic secular and clerical elites to shape the religious identities of Bavarian subjects, but also

carried the potential to challenge and undermine confessional boundaries. Surviving literature, archival documents, and music illustrate the ways in which Bavarian authorities and their allies in the Catholic clergy and orders deployed sound to underline crucial theological differences with their Protestant antagonists, notably the cults of the Virgin Mary, the Eucharist, and the saints. Official and popular rituals like divine worship, processions, and pilgrimages all featured distinctive sounds and music that shaped and reflected an emerging Catholic identity. Although officials imposed a severe regime of religious surveillance, the Catholic state's dominance of the soundscape was hardly assured. Fisher traces archival sources that show the resilience of Protestant vernacular song in Bavaria, the dissemination and performance of forbidden, anti-Catholic songs, the presence of Lutheran chorales in nominally Catholic church services into the late 16th century, and the persistence of popular "noise" more generally. Music, Piety, and Propaganda thus reveals historical, theological, and cultural issues of the period through the piercing dimension of its sounds, bringing into focus the import of sound as a strategic cultural tool with significant impact on the flow of history.
