**Healing Mantras** - Thomas Ashley-Farrand  
2008-12-24

"Sound is more than simply a medium of artistic expression. Sound has practical and powerful applications in the real world." Mantras, or simple chants, are short phrases packed with energy and intention-- specifically designed to generate powerful sound waves that promote healing, insight, creativity, and spiritual growth. *Healing Mantras* is the practical, how-to guide that makes the strengths and benefits of mantras available to everyone. The transformative power of sound has been passed down to the present from the sages of India, the classical scientists of ancient Greece, and the medieval monks of Europe. Mantras, sounds, and chants have inspired, comforted, and mended the lives of individuals, religious orders, and even entire cultures. Even though the science and discipline of chanting and formal prayer are practiced in every religion around the world, this is the first time that ancient Sanskrit mantras have been explained and adapted

to Western needs. One of the few Western experts in Hindu and Buddhist mantras, Thomas Ashley-Farrand has practiced mantra-based spiritual disciplines for twenty-five years. In this illuminating book, he explains how and why mantras work and shows how to use them for everything from controlling habits to overcoming fear, from curing specific ailments to finding inner peace. In each of the more than fifty mantras, all translated from the original Sanskrit, Ashley-Farrand unlocks the power of every word, explains its appropriate application, and tells you how to pronounce it in easy-to-follow phonetic symbols. Inside, you'll find mantras for - Health - Worldly Success - Habit Control - Protection - Grief - Anger - Controlling Fear - Personal Attraction - Wisdom - Concentration and Mental Clarity - Healing Life Issues - and more! These mantras can be repeated aloud or in silence and can be used by people of any religion or spiritual practice, "as you wash dishes, as you drive on the freeway, as you meditate, or as you cook." Sound can help and sound

can heal, and Healing Mantras now makes this sound medicine available to everyone.

**Kuan Yin's Miracle Mantras** - Josefine Stark 2011-11-27

Kuan Yin's Miracle Mantras: Awakening the Healing Powers of the Heart" is based on decades of scientific research and both ancient and modern spiritual texts. It includes the direct experiences of the author and several contributors. This book is a key resource for anyone desiring to masterfully ride the waves of evolutionary change that humanity is currently undergoing. To ease this shift into post-2012 consciousness, the many tools and practices given here are based on the wisdom of the ancients (who foresaw these changes), coupled with its correlation to quantum science. The mantras in this book, especially "The Great Compassion Mantra," are particularly intended for use in our time for the clearing away of any past records holding back our spiritual evolution and forward progress. Who is Kuan Yin? Her story, legends and miracles are well known throughout most of Asia. Her name means "Hearer of Sounds." According to Eastern tradition, when Kuan Yin was about to enter heaven, she stood on the threshold and heard the cries of distress from the earth. She turned back to come to the aid of all who suffer in this plane. She is a cross-cultural figure revered by many traditions worldwide and is considered to be the essence or symbol of Divine Compassion. Many view her as both the impersonal and personal manifestations of Divine Mercy. Practices for nurturing the growth of this divine quality within ourselves and delivering it to the world are given in this book. Kuan Yin delivered The Great Compassion Mantra millennia ago so that "living beings may obtain peace and joy, be healed of illness, enjoy prosperity, erase past sins and offenses, remove hardship and suffering, and increase spiritual attainment and virtue." The mantras are for people of all faiths, and the information in these pages is also a valuable aid for anyone desiring to develop greater love, compassion and unity consciousness. And, of course, this book is

for anyone who could use a few miracles! Part One, "The Essence of Divine Compassion," covers Kuan Yin's lore, origins and history. Her lineage from Amitabha to Avalokitesvara to Tara is included. Also in this section are chapters on her famous embodiments and legends, her island, and her etheric retreat. Part Two, "Tools for Accelerating Consciousness" covers the powers of mercy, forgiveness and compassion, the use of crystals, and techniques for entering into the "Zero Point of the Heart," which is a convergence point of all planes of consciousness, as well as a portal to higher dimensions. It covers the quantum mechanics of oneness (Unity Consciousness) and the use of the violet light as an energetic purifier. We learn the secrets of the science of sound through sonic healing and mantra, and how the use of visualization and feeling can accelerate the manifestation of a desired result. The phrase "HeartSound," coined by the author, represents the convergence of the key techniques explained. There are chapters on how to protect oneself from lower astral entities, and a collection of miracle stories and Kuan Yin's appearances in modern times. Part Three, "Miracle Mantras and Powerful Meditations," includes many of Kuan Yin's important ancient texts, such as "The Great Compassion Dharani Sutra" and "The Heart Sutra," with explanations and commentaries and how the Heart Sutra describes the Source Field or Zero Point Field. It reveals Kuan Yin's Ten Vows, and her Thirty-Three Miracle Mantra Ritual. The original Chinese and/or Sanskrit glyphs are often included, with their translations and pronunciation guides. The book concludes with a beautiful forgiveness meditation, and a summation of the Twelve Power Tools contained herein for self-transformation and manifestation. formation and manifestation.

**Thought Power** - Sri Swami Sivananda  
2021-01-01

This instructive book carries in itself a life-transforming value. None who reads it, with the needed interest and attention, will ever feel inclined to remain unchanged in personal nature and untransformed in conduct and character. A good deal of careful judgment and confidence would assist us in asserting that no one who reads this work, will fail to resist the readiness to make of his own will a Power that alters and

exalts his own life and destiny. The work is fraught with implicit guidance for turning our personalities into forces of compelling influence and charm, and for rendering our lives into so many grand stories of the epic unfoldment of the Divine Truth we enshrine, the Divine Light we bear, and the Divine perfection we hold in our inner being.

*Sahaja Yoga* - Shri Mataji Nirmala Devi  
2019-06-01

Shri Mataji writes that “India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it.” This is just such a book. This book is both an introduction to *Sahaja Yoga*, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good *Sahaja Yogi*, the nature of *Sahaj* culture, how to be a leader and how to raise children. “The knowledge of *Sahaja Yoga* cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form.”

**Tirumantiram - A Tamil Scriptural Classic** - Tirumular 2016-10-19

*Tirumantiram* is the seminal text of Saiva-Siddhanta which has produced a galaxy of saints and has powerfully influenced the day-to-day life of millions in South Indiageneration after generation. Its author Tirumular was according to legend a yogi who took compassion on a herd of cattle that had lost their shepherd and entering the body of the shepherd by his yogic power continued to look after the flock. So when we find in this great classic such splendid gems as “Anbe Sivam- God is Love — we realize that the great yogi preached only what he lived. His fervent message that the ultimate Reality is One and all of us belong to the same family has special relevance to us moderns who have lost our moorings of faith and are wandering between two worlds one dead the other powerless to be born. Apart from the literary merits *Tirumantiram* blazes a number of spiritual trails any of which the aspirant can

follow with the full confidence that the Goal Supreme is within the reach.

### **Buddhist Magic** - Sam van Schaik

2020-07-28

A fascinating exploration of the role that magic has played in the history of Buddhism. As far back as we can see in the historical record, Buddhist monks and nuns have offered services including healing, divination, rain making, aggressive magic, and love magic to local clients. Studying this history, scholar Sam van Schaik concludes that magic and healing have played a key role in Buddhism's flourishing, yet they have rarely been studied in academic circles or by Western practitioners. The exclusion of magical practices and powers from most discussions of Buddhism in the modern era can be seen as part of the appropriation of Buddhism by Westerners, as well as an effect of modernization movements within Asian Buddhism. However, if we are to understand the way Buddhism has worked in the past, the way it still works now in many societies, and the way it can work in the future, we need to examine these overlooked aspects of Buddhist practice. In *Buddhist Magic*, van Schaik takes a book of spells and rituals--one of the earliest that has survived--from the Silk Road site of Dunhuang as the key reference point for discussing Buddhist magic in Tibet and beyond. After situating Buddhist magic within a cross-cultural history of world magic, he discusses sources of magic in Buddhist scripture, early Buddhist rituals of protection, medicine and the spread of Buddhism, and magic users. Including material from across the vast array of Buddhist traditions, van Schaik offers readers a fascinating, nuanced view of a topic that has too long been ignored.

**Inner Engineering** - Sadhguru 2016-09-20  
NEW YORK TIMES BESTSELLER • Thought leader, visionary, philanthropist, mystic, and yogi Sadhguru presents Western readers with a time-tested path to achieving absolute well-being: the classical science of yoga. “A loving invitation to live our best lives and a profound reassurance of why and how we can.”—Sir Ken Robinson, author of *The Element*, *Finding Your Element*, and *Out of Our Minds: Learning to Be Creative*

NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY SPIRITUALITY & HEALTH

The practice of hatha yoga, as we commonly know it, is but one of eight branches of the body of knowledge that is yoga. In fact, yoga is a sophisticated system of self-empowerment that is capable of harnessing and activating inner energies in such a way that your body and mind function at their optimal capacity. It is a means to create inner situations exactly the way you want them, turning you into the architect of your own joy. A yogi lives life in this expansive state, and in this transformative book Sadhguru tells the story of his own awakening, from a boy with an unusual affinity for the natural world to a young daredevil who crossed the Indian continent on his motorcycle. He relates the moment of his enlightenment on a mountaintop in southern India, where time stood still and he emerged radically changed. Today, as the founder of Isha, an organization devoted to humanitarian causes, he lights the path for millions. The term guru, he notes, means “dispeller of darkness, someone who opens the door for you. . . . As a guru, I have no doctrine to teach, no philosophy to impart, no belief to propagate. And that is because the only solution for all the ills that plague humanity is self-transformation. Self-transformation means that nothing of the old remains. It is a dimensional shift in the way you perceive and experience life.” The wisdom distilled in this accessible, profound,

and engaging book offers readers time-tested tools that are fresh, alive, and radiantly new. Inner Engineering presents a revolutionary way of thinking about our agency and our humanity and the opportunity to achieve nothing less than a life of joy.

**Chakra Mantras** - Thomas Ashley Farrand 2006-08-01

Thomas Ashley-Farrand is the preeminent authority on yogic mantras. In *Chakra Mantras*, he brings previously hidden knowledge from India and Tibet and teaches us through the use of mantras how to activate our secret chakras, which contain the keys to our spiritual progress. Located along the spine, the chakras process energy for all of our waking activities, and during sleep they provide energy for healing and cleansing the physical body. But there is another, higher octave of functioning that these chakras can achieve, if they are given higher states of spiritual energy in which to operate. This higher octave provides paths for spiritual development that ultimately lead to spiritual liberation or freedom from karma. A powerful method for charging the chakras with higher energy is through the use of Sanskrit mantras. With energy-invoking tools, stories from India's ancient tales, and amusing anecdotes, *Chakra Mantras* provides the information needed for fueling spiritual advancement through the use of healing sounds and chakra mantras.

**Be Here Now** - Ram Dass 1971-10-12

Beloved guru Ram Dass tells the story of his spiritual awakening and gives you the tools to take control of your life in this “counterculture bible” (The New York Times) featuring powerful guidance on yoga, meditation, and finding your true self. When *Be Here Now* was first published in 1971, it filled a deep spiritual emptiness, launched the ongoing mindfulness revolution, and established Ram Dass as perhaps the preeminent seeker of the twentieth century. Just ten years earlier, he was known as

Professor Richard Alpert. He held appointments in four departments at Harvard University. He published books, drove a Mercedes and regularly vacationed in the Caribbean. By most societal standards, he had achieved great success. . . . And yet he couldn't escape the feeling that something was missing. Psilocybin and LSD changed that. During a period of experimentation, Alpert peeled away each layer of his identity, disassociating from himself as a professor, a social cosmopolite, and lastly, as a physical being. Fear turned into exaltation upon the realization that at his truest, he was just his inner-self: a luminous being that he could trust indefinitely and love infinitely. And thus, a spiritual journey commenced. Alpert headed to India where his guru renamed him Baba Ram Dass—"servant of God." He was introduced to mindful breathing exercises, hatha yoga, and Eastern philosophy. If he found himself reminiscing or planning, he was reminded to "Be Here Now." He started upon the path of enlightenment, and has been journeying along it ever since. Be Here Now is a vehicle for sharing the true message, and a guide to self-determination.

The Amazing Liver and Gallbladder Cleanse -  
Andreas Moritz 2003-12-01

In this revised edition of his best-selling book, *The Amazing Liver and Gallbladder Cleanse*, Andreas Moritz addresses the most common but rarely recognized cause of illness - gallstones congesting the liver. Twenty million Americans suffer from attacks of gallstones every year. In many cases, treatment merely consists of removing the gallbladder, at the cost of \$5 billion a year. But this purely symptom-oriented approach does not eliminate the cause of the illness, and in many cases, sets the stage for even more serious conditions. Most adults living in the industrialized world, and especially those suffering a chronic illness such as heart disease, arthritis, MS, cancer, or diabetes, have hundreds if not thousands of gallstones (mainly clumps of hardened bile) blocking the bile ducts of their liver. This book provides a thorough understanding of what causes gallstones in the liver and gallbladder and why these stones can be held responsible for the most

common diseases so prevalent in the world today. It provides the reader with the knowledge needed to recognize the stones and gives the necessary, do-it-yourself instructions to painlessly remove them in the comfort of one's home. It also gives practical guidelines on how to prevent new gallstones from being formed. The widespread success of *The Amazing Liver and Gallbladder Cleanse* is a testimony to the power and effectiveness of the cleanse itself. The liver cleanse has led to extraordinary improvements in health and wellness among thousands of people who have already given themselves the precious gift of a strong, clean, revitalized liver.  
*Tap Into the Power of the Chant* - Baal Kadmon 2015-07-12

If you have read my other books you know that I recommend the use of mantras as a vehicle for magick. They are very powerful and often times easy to recite. In my other books that deal with mantras I provide a bonus chapter on something called "Siddhi." I have been asked several times to go into greater depth about this and so I have decided to write this text. By attaining Siddhi, while using a mantra, you are literally embodying the power of that mantra. You will have the mantras power. For example, if you are looking to attract material abundance, the seed mantra for that is SHREEM. If you recite SHREEM 10,000 times, you will attain the essence of that Supernatural power. You will be able to recite SHREEM and attain your material goals easily. You will be a magnet as it were. You will attain supernatural powers. In this book, we will discuss, in greater depth, what Siddhi is. After that, I will present a few powerful mantras and provide you the exact number of recitations you will need to attain Siddhi. Not all mantras have the same recitation count. I will also provide helpful tips on how to keep track of your recitations and most importantly, we will discuss the immense responsibility given you once you achieve Siddhi. Do Not take this lightly, once you achieve Siddhi for any given mantra, you will possess that power. USE IT WISELY.

**Kriya Yoga Sets, Meditations & Classic Kriyas** - Yogi Bhajan 2013-06-07

Kundalini Yoga as taught by Yogi Bhajan® "The Kundalini is known as the nerve of the soul. This is to be awakened. Your soul is to be awakened. When soul gets awakened, there remains nothing... If your soul is awakened, what else do you need?" - Yogi Bhajan. Kundalini Yoga is an oral tradition dating back hundreds if not thousands of years. In the early 1970's, when this ancient technology was being presented, students would patiently wait to hear from fellow students and teachers what Yogi Bhajan had just taught. Students took notes, made drawings and passed them on... In a certain sense it was revolutionary that this sacred, once secret science was being recorded and distributed. Never, in history, had this been done before. It was very exciting when a Kriya-write up, manual or a "Beads of Truth"-magazine became available and when the *Meditation Manual for Intermediate Students* was published and distributed, it was a revelation. So many amazing Kriyas! It felt like as long as one had this manual, one could practice Kundalini Yoga for the rest of the life. It was like having the security of a treasure that would never diminish or get old. This wonderful book: *KRIYA - Yoga Sets, Meditations & Classic Kriyas* contains many of the Kriyas from the *Meditation Manual for Intermediate Students* as well as many previously unpublished Kriyas from that era. Some of the models in the book are children of original student-teachers of Yogi Bhajan... You will enjoy these effective and powerful Kundalini Yoga Kriyas. By practicing them, you can uplift yourself and inspire yourself to try some of these again and again! *KRIYA - Yoga Sets, Meditations & Classic Kriyas* from the *Early Teachings of*

Yogi Bhajan contains: Challenging physical Kundalini Yoga Kriyas from the 1970s and 1980s More than 100 Meditations, including Visualizations, Praanayams, Silent Meditations, and Meditations with Mantra Includes Material from the Meditation Manual for Intermediate Students, K.R.I.Y.A., Under the Blue Skies, and more!

*The Practice of Nada Yoga* - Baird Hersey  
2013-12-17

Meditation exercises for listening to the four levels of sound, to still the body, quiet the mind, open the heart, and connect with the Divine • Details the teachings on nada yoga from the Hatha Yoga Pradipika with clear, step-by-step instructions to find and hear the inner sacred sound of nada • Explains

the 4 levels of sound through a series of practical meditation exercises • Includes instructions for a daily nada yoga meditation practice as well as ways to strengthen your advanced practice The ancient practice of nada yoga is not complex. It is the yoga of listening. It is a journey from the noise of the external world inward to a place of peace and bliss, to the source of the transformational power of sound—the nada. By meditating on the inner sacred sound of the nada, we can release ourselves from mind chatter and obsessive thinking. We can still the body, quiet the mind, and open the heart to create a state of mind where joy naturally arises. Sharing his experiential understanding of the classic Hatha Yoga Pradipika, Baird Hersey offers precise, step-by-step instructions on how to find the inner sound of the nada. He explains the first three levels of sound—first, how to truly hear the ordinary sounds of the world around us (vaikhari); second, how to quiet the sounds of the mind (madhyama), such as sound memories and internal dialogue; and third, how to access visual sounds (pashyanti), tapping in to our ability to see sounds and hear colors. Mastering the first three levels prepares one for the fourth level of sound (para), the heart of the practice that connects one to the inner sound of the nada. The author provides detailed exercises to guide you through each level of sound and instructions for a daily nada yoga meditation practice. Hersey explains that by focusing our minds on this internal sound we reunite our essential self with the eternal and infinite. In this re-union we find bliss in both body and mind, an uplifted spirit, and heightened states of consciousness.

[Music and Mantras](#) - Girish 2016-10-04

"Singing is as human as breathing, and this book tells us why." —Mark Guarino, contributing music writer, The Guardian Celebrated yogi-musician Girish opens new possibilities for transforming your life through song, combining the ancient art of singing mantra with twenty-first century neuroscience research. For as long as he can remember, Girish has created rhythm to accompany life. His first experience of music as sacred art came in college, playing with jazz bands. "During improvisational sessions," he recalls, "there were these unexplainable moments of synchronicity and intuition that felt like magic." This led Girish to an unexpected journey—a seeming detour to live as a monk in an ashram for five years that inadvertently nourished his musical artistry. Here, he studied Sanskrit as a means to understand the deeper meanings of ancient chants, which sparked a life-changing event that led him back to music—and to combine music with Sanskrit chants. Now he shares what he's learned to help people of all ages, backgrounds, and traditions to transform body, brain, and life through mantra and music. With Music and Mantras, Girish has created an interactive

toolkit—including more than ninety minutes of companion audio material—for personal transformation through singing, sharing his own experience as a musician, yogi, and former Hindu monk. Weaving simple, elegant mantras from ancient traditions with neuroscience, Girish shows us how to achieve greater peace of mind, clarity, calm, focus, and even improved health and wealth through the yogic art of chanting—an ideal practice for singing our way to happiness, health, and prosperity.
