## **The UFO-Christianity Connection** - Fred R. David, PhD 2010-11-15

For many centuries, science and religion have remained staunchly independent. Whenever issues have developed that simultaneously touched on both areas, debate often ensued—for example, when scientists first proposed that the earth revolved around the sun, or when the theory of evolution was proposed. There

has always been a cultural disconnect between science and religion that has caused dissention and distrust. Research conducted by author Fred R. David, however, reveals that the missing link between science and religion may be UFOs or, more specifically, the beings inside those crafts. The UFO-Christianity Connection: Fact or Fiction • reveals that UFOs played a significant role in how ancient civilizations built

megalithic structures and predicted celestial events perfectly; • brings to life the close association that ancient civilizations had with ancient astronauts—whom they called gods or sky people; • reveals that many events described in ancient writings, including the Bible, involved UFO encounters; • gives readers a unique perspective to engage others in discussing angels, God, UFOs, Bigfoot, Satan, giants, the underworld, the flood, Atlantis, and Jesus. The scientific information presented here is vital for people of all faiths on all continents. Explore the missing link that bridges the gap between science and religion.

Thompson/Strickland is the strategic management market leader by a wide margin. With so many business schools offering a strategic management course every term, the case collection in any one edition "wears out" after a few terms. The strong desire of adopters for fresh cases, together with welcome and much needed growth in the supply of first-rate cases being developed each year makes it necessary for us to institute a short case revision cycle and provide a second collection of cases to choose from. The 10th edition, with all its various components, will be available throughout the life cycle of the 11th edition.
