American Prison - Shane Bauer 2019-06-11

An enraging, necessary look at the private prison system, and a convincing clarion call for prison reform." -NPR.org New York Times Book Review 10 Best Books of 2018 * One of President Barack Obama's favorite books of 2018 * Winner of the 2019 J. Anthony Lukas Book Prize * Winner of the Helen Bernstein Book Award for Excellence in Journalism * Winner of the 2019 RFK Book and Journalism Award * A New York Times Notable Book A ground-breaking and brave inside reckoning with the nexus of prison and profit in America: in one Louisiana prison and over the course of our country's history. In 2014, Shane Bauer was hired for \$9 an hour to work as an entry-level prison guard at a private prison in Winnfield, Louisiana. An award-winning investigative journalist, he used his real name; there was no meaningful background check. Four months later, his employment came to an abrupt end. But he had seen enough, and in short order he wrote an exposé about his experiences that won a National Magazine Award and became the most-read feature in the history of the magazine Mother Jones. Still, there was much more that he needed to say. In *American Prison*, Bauer weaves a much deeper reckoning with his experiences together with a thoroughly researched history of for-profit prisons in

America from their origins in the decades before the Civil War. For, as he soon realized, we can't understand the cruelty of our current system and its place in the larger story of mass incarceration without understanding where it came from. Private prisons became entrenched in the South as part of a systemic effort to keep the African-American labor force in place in the aftermath of slavery, and the echoes of these shameful origins are with us still. The private prison system is deliberately unaccountable to public scrutiny. Private prisons are not incentivized to tend to the health of their inmates, or to feed them well, or to attract and retain a highly-trained prison staff. Though Bauer befriends some of his colleagues and sympathizes with their plight, the chronic dysfunction of their lives only adds to the prison's sense of chaos. To his horror, Bauer finds himself becoming crueler and more aggressive the longer he works in the prison, and he is far from alone. A blistering indictment of the private prison system, and the powerful forces that drive it, *American Prison* is a necessary human document about the true face of justice in America.

Faith Is Not a Feeling - Ney Bailey 2009-05-20

In 1976 the Big Thompson River flood in Colorado took 150 lives, including those of seven women on staff with

Campus Crusade for Christ International. Deeply grieved by the loss, survivor Ney Bailey embraced a journey of faith that led her to a life-changing truth: No matter how things look and no matter how we feel, God is in control. In Faith is Not a Feeling, Ney reveals how life's tragedies and challenges lead each of us to an important decision about how we will relate to God. Building on a foundation of experiences all believers can relate to, this well-loved speaker and teacher shows how you can take advantage of the endless opportunities life provided to deepen your trust in the Lord. Faith is Not a Feeling has taught hundreds of thousands of people how to choose to believe God's promises over their own personal feelings. Now you, too, can discover the secrets that will allow you to face painful experiences with a measure of objectivity, use your feelings to take you to God, and experience true peace in the midst of failure and trials. Best of all, you will learn how to obediently and confidently take God at His word as you never have before.

The T.B. Joshua I Know - Hephzibah Bisola Johnson
2017-04-12

This is a compilation of a true-life accounts which took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe, Lagos, Nigeria; where the author was trapped through hypnotism, and brainwashing for over a decade with other devotees. She documented her journey into this community who use religious garb to cover their nefarious operation in order to lure the naive, vulnerable, gullible, and the innocent into occultism. She narrates how they lived, how they were systemic initiated into the dark world by deceit, and were terrorised to swear allegiance to secrecy. They also became instruments of deception in the hands of T. B. Joshua to deceive visitors to the Synagogue. Finally, her escape was a grand style of Jehovah where others lost their lives. This is purely to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this

truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to this global deception of T.B. Joshua." This Book is a societal mirror for everyday people, it is saying that, each one of us has the ability to enter into relationship with God individually without depending on another man as a connector. Jesus Christ has made the way. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. What drives people to run from one prophet to another prophetess both false and genuine, which can cause them to eventually fall into error is still at large. Those things that pressurizes people daily, and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers, intending to cut deals with 'God' if possible; rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today. Evil seems to run rampant everywhere. What we need is Peace in God and holding unto His Word. These agents of satan are only having breakthrough at your breakdown. Beware of miracle peddlers, Beware of false prophets, and Beware of false teachers, Jesus warned. This is their time, Run for your life!

Innovation and Competition in Zimbabwean Pentecostalism
- Ezra Chitando 2021-01-28

Using the concept of a "religious market", this volume explores how African Traditional Religions and churches within Prophetic Pentecostalism in Zimbabwe seek to attract and retain members and clients. Chapters provide extensive coverage of two of the leading churches, namely, Emmanuel Makandiwa's United Family International

Church (UFIC) and Walter Magaya's Prophetic Healing and Deliverance Ministries (PHD). Contributors also explore the strategies adopted by Pentecostalism in general, while others focus on African Traditional Religions. They show that although Prophetic Pentecostalism has gained a significant share of the market in Zimbabwe and in Southern Africa in general, it is not without controversy. In particular, it has been associated with the abuse of women and exploiting members and clients for financial gain. Innovation and Competition in Zimbabwean Pentecostalism is an important contribution to understanding the marketization of religion.

Jerusalem Rising - Doug Hershey 2021

Documented Proof of the Prophetic Promises of God Revealed Thousands of years ago, the prophet Zechariah foretold that the once-revered city of Jerusalem would again shake off its dust and be revived in peace and security. He predicted it would not only become a center of thriving life and seat of international influence but also the place where God himself will return to dwell. This stunning new photo-comparison book and follow-up to Israel Rising documents the long-awaited and ongoing restoration of a city "set in the center of the nations" (Ezekiel 5:5). From its famed walls and gates to the beloved Old City and the new city rising up around it, view some of the oldest photos of Jerusalem ever taken (starting in the 1840s) and see them re-created from the same perspective today—some for the first time ever. Author Doug Hershey and adventure-travel photographer Edden Ram gained exclusive access to storied vantage points to reshoot the exact angles of these stunning and seldom-seen historical photos. The result is an awe-inspiring and groundbreaking collection that will captivate hearts and reveal the accuracy of the prophet's words. The book also features fascinating insights into Jerusalem's first photographers and firsthand accounts from pilgrims, locals, and would-be conquerors that capture the longing and desire for this treasured city, spanning almost 2,000 years. Indeed, the reawakening of the City of Peace is at hand.

Divine Presence amid Violence - Walter Brueggemann
2009-02-11

To pursue the matter of revelation in context, I will address an exceedingly difficult text in the Old Testament, Joshua 11. The reason for taking up this text is to deal with the often asked and troublesome question: What shall we do with all the violence and bloody war that is done in the Old Testament in the name of Yahweh? The question reflects a sense that these texts of violence are at least an embarrassment, are morally repulsive, and are theologically problematic in the Bible, not because they are violent, but because this is violence either in the name of or at the hand of Yahweh. -from chapter 2

The Skeletons in God's Closet - Joshua Ryan Butler
2014-10-21

How can a loving God send people to hell? Isn't it arrogant to believe Jesus is the only way to God? What is up with holy war in the Old Testament? Many of us fear God has some skeletons in the closet. Hell, judgment, and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide. These hard questions leave many wondering whether God is really good and can truly be trusted. The Skeletons in God's Closet confronts our popular caricatures of these difficult topics with the beauty and power of the real thing. Josh Butler reveals that these subjects are consistent with, rather than contradictory to, the goodness of God. He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness. From fresh angles, Josh deals powerfully with such difficult passages as: The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately, The Skeletons in God's Closet uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole. It pulls the "skeletons out of God's closet" to reveal they were never really skeletons at all.

Literature and Culture in Global Africa - Tanure Ojaide

2017-07-06

Engaging and interrogating the idea of a 'Global Africa', this book examines how African literary and cultural productions have changed over the years due to the social and political influences brought about by increased globalisation. Tanure Ojaide takes a variety of European theoretical concepts and applies these to African literature, oral traditions, culture, sexuality, political leadership, environmentalism, and advocacy, demonstrating the universality of the African experience. Challenging African literary artists and scholars to think creatively about the future of the culture and literature, this new collection of literary and cultural criticism from scholar-writer Tanure Ojaide is an essential read for students and scholars of African literature and culture.

The Secret - Sean Kelly & Ted Mann & Byron Preiss

2014-03-18

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12

casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

Winning the Worry Battle - Barb Roose 2018-04-17

Have you ever tried to fight worry with faith and felt you were losing the battle? Have comments like "God's got this!" or "Just pray about it" only left you feeling more burdened? We know we shouldn't worry, but the reality is that we all do at times. Whether it's personal worries about loved ones and daily circumstances or broader concerns about what's happening in the world, we long for something more than platitudes that will help us put real feet to our faith and win the worry battle. Many Christians do not have a full understanding of what it means to fight the good fight of faith. They try to live by faith but in the face of everyday trials and failures, they find themselves disillusioned and discouraged, wondering if they have done something wrong or if living by faith only works for others. The problem for most is simply a lack of understanding regarding what faith is and how it works.

This book, inspired by the Book of Joshua, reviews three steps a person can take to Fight In Faith: 1) embrace God's promises, 2) steep your heart in courage, and 3) act in obedience to God's commands. Just as God gave His people victory over their enemies when they fought in faith, He promises to do the same for us. Following the footprints of bold, courageous faith that God gave His people, we'll be equipped with tools to bravely fight in faith and overcome both our daily struggles and the bigger battles we all face. Through examples of how God gave the Israelites victory over their enemies and generously blessed them, too, we'll be victorious in our fight of faith so that we not only radically transform our own lives but unequivocally impact society. A companion six-week Bible study Joshua: Winning the Worry Battle is also available for those who would like to dig deeper into the book's topic. Study components, each available separately, include a Participant Workbook with five days of lessons per week, Leader Guide, and DVD with six 20-25 minute sessions (with closed captioning).

Deliverance from Evil Foundation - Dr. D. K. Olukoya

Law, Religion, Health and Healing in Africa - M.

Christian Green 2022-12-31

The Covid-19 pandemic was global in its spread and reach, as well as in its medical, social and economic effects. In many respects, the global effort to "flatten the curve" produced a flattening of experience around the world and a striking coincidence of similar

experiences in countries the world over. The identity, simultaneity and uniformity of experience were also manifest in common concerns at the intersection of law and religion in many nations around the world, including Africa. The lockdowns and closure of religious worship centres - churches, mosques and religious organisations of all sorts - raised questions of freedom of religion and the related concern for freedom of assembly, along with concerns about the relation of religion to science and public health, religious channels of communication and religious provision of social services. After all, health, communications and social services are all areas in which African religious organisations play key roles. Potential tensions around these issues raised further considerations about the nature of religion-state relations, the status of religious authority and whether religious and state actors would work together or at odds in addressing the Covid-19 pandemic.

Off the Network - Ulises Ali Mejias 2013-06-01

The digital world profoundly shapes how we work and consume and also how we play, socialize, create identities, and engage in politics and civic life. Indeed, we are so enmeshed in digital networks—from social media to cell phones—that it is hard to conceive of them from the outside or to imagine an alternative, let alone defy their seemingly inescapable power and logic. Yes, it is (sort of) possible to quit Facebook. But is it possible to disconnect from the digital network—and why might we want to? *Off the Network* is a fresh and authoritative examination of how the hidden logic of the Internet, social media, and the digital network is changing users' understanding of the world—and why that should worry us. Ulises Ali Mejias also suggests how we might begin to rethink the logic of the network and question its ascendancy. Touted as consensual, inclusive, and pleasurable, the digital network is also, Mejias says, monopolizing and threatening in its capacity to determine, commodify, and commercialize so many aspects of our lives. He shows how the network broadens participation yet also exacerbates

disparity—and how it excludes more of society than it includes. Uniquely, Mejias makes the case that it is not only necessary to challenge the privatized and commercialized modes of social and civic life offered by corporate-controlled spaces such as Facebook and Twitter, but that such confrontations can be mounted from both within and outside the network. The result is an uncompromising, sophisticated, and accessible critique of the digital world that increasingly dominates our lives.

Reasons You Should Not Visit the Synagogue 'church' of All Nations - Bisola Hephzi-bah Johnson 2019-11-03

Immediately after my story of incarceration in the Synagogue which was featured in my first Book began to go viral, other victims of T.B. Joshua from different walks of life got contagious through the act, and courageously spring out of their shell to share with me their personal negative experiences in the Synagogue. The wound many of them had licked privately for many years, and concealed the shame, loses, and embarrassments under the garments of plague of silence. Our silence is on the other hands empowering the psychopaths that are into fakery, molestation, and diabolical acts. We don't want to enable them, this is why we are sharing our stories for others to learn. Some of the stories are hilarious, while majority of them are frightening, disheartening, and sorrowful. I decided to have them shared with you in this book for the same reason why I did mine. To be a light to those who grope in darkness. Spiritual and Physical killings are rampant in the Synagogue, 'church' of all Nations, which is one of the things that cushions T.B. Joshua' demonic powers. I believe no reasonable person will seek for protection, healing or deliverance in such a damned place. The acts of Fatai Balogun alias T.B. Joshua of the Synagogue of satanism and lawlessness can no longer be hidden or covered up, God is helping those that were wounded and abused in this unholy place called the Synagogue to find strength to expose T.B. Joshua, despising the shame so that others may learn and never fall prey of the

RAVENING WOLVES (Matthew 7: 15).

The Wormwood Prophecy - Thomas Horn 2019-12-03

Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. FEATURES AND BENEFITS: Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

The Power of the Decree - Patricia King 2020-06-02

The spiritual exercise of making decrees finds its precedent in both Old and New Testaments--the practice means simply quoting God's promises back to him, "reminding" him of what he has said. This kind of prayer

is one of the most vital forms of intercession. In fact, the practice of decreeing God's Word not only builds our faith but transforms our lives. In this powerful and enlightening book, bestselling author and entrepreneur Patricia King helps readers grasp the power of inspired and finely tuned prayer. King explains how to · find specific texts of Scripture for your need · counter problems with God's Word · speak truth into reality · understand the difference between confessing the Word, proclaiming the Word, and decreeing the Word · and more Join countless believers who love the Word of God and honor its authority through their prayers. Accept the challenge to pray the words of Scripture boldly--in God's timing, for his will and purposes.

Prophetic Forecast - Joshua Giles 2022-04-19

God's global reset has begun--and He WILL get the glory out of the chaos. An unprecedented shaking is underway in the systems and nations of this earth. But even as the world churns with upheaval, you can stand firm. Through biblical teaching and sound prophetic insight, pastor and prophet Joshua Giles will help you discover God's plans and strategies to prepare for the unusual and uncertain times ahead. Here is everything you need to align with heaven's agenda, overcome fear of the future, find your purpose and thrive amid the change. "Joshua Giles reveals how to be positioned as a glorious overcomer and frontliner in the midst of all that lies ahead. I highly recommend this book."--PATRICIA KING, author, minister, media host "Joshua Giles penned a relevant resource with an Issachar anointing and prophetic insight to see from heaven's lens the overall plan of God for the future of the Church."--DR. HAKEEM COLLINS, prophetic voice, international speaker, author of *The Power of Aligning Your Words to God's Will* *Atlas Obscura* - Joshua Foer 2016-09-20

It's time to get off the beaten path. Inspiring equal parts wonder and wanderlust, *Atlas Obscura* celebrates over 700 of the strangest and most curious places in the world. Talk about a bucket list: here are natural wonders--the dazzling glowworm caves in New Zealand, or a

baobab tree in South Africa that's so large it has a pub inside where 15 people can drink comfortably. Architectural marvels, including the M.C. Escher-like stepwells in India. Mind-boggling events, like the Baby Jumping Festival in Spain, where men dressed as devils literally vault over rows of squirming infants. Not to mention the Great Stalacpipe Organ in Virginia, Turkmenistan's 40-year hole of fire called the Gates of Hell, a graveyard for decommissioned ships on the coast of Bangladesh, eccentric bone museums in Italy, or a weather-forecasting invention that was powered by leeches, still on display in Devon, England. Created by Joshua Foer, Dylan Thurau and Ella Morton, ATLAS OBSCURA revels in the weird, the unexpected, the overlooked, the hidden and the mysterious. Every page expands our sense of how strange and marvelous the world really is. And with its compelling descriptions, hundreds of photographs, surprising charts, maps for every region of the world, it is a book to enter anywhere, and will be as appealing to the armchair traveler as the die-hard adventurer. Anyone can be a tourist. ATLAS OBSCURA is for the explorer.

Revival - Martyn Lloyd-Jones 1987-02-01

In every era the church needs revival—certainly today as much as ever. And in the heart of every committed Christian there is the longing for personal revival—to know the quality and depths of spiritual reality, and the presence of God in one's personal life. This was the deepest desire of Dr. Martyn Lloyd-Jones, one of the great 20th-century Bible expositors. It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales, and swept across England and throughout the United States and to the far corners of the world. As Dr. Lloyd-Jones recognized, it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit—and a time of special interest of every Christian who longs for revival today. As Dr. J. I. Packer writes in his foreword, Dr. Lloyd-Jones believed in "the necessity of revival—that is, a

quickenning divine visitation—as the only vent that can avert ultimate spiritual disaster. The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all." Dr. Lloyd-Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible. Clearly and forcefully, he presents a masterful exposition of the circumstances accompanying revival in the past, why each generation needs it, and how it will come about today. We must come to the sovereign God, forsake our sin, and wait upon Him for this special, essential outpouring. God, bring us revival!

Moving in Glory Realms - Joshua Mills 2018-09-04

A Blueprint for Revival! Many believers today yearn for an encounter with the supernatural. They hunger to experience the glory of God they've only read about in the Bible. Joshua Mills believes that all Christians are intended to live, move, and operate within what he calls "glory realms." Now Joshua opens up God's glory by explaining the different realms, spheres, and dimensions of the kingdom. He systematically builds a faith framework in which the reader can begin to move into the glory of God with ease. Joshua breaks down our understanding of God's glory into three parts: first, moving in the Spirit, which is about understanding the different dynamics of faith, anointing, and God's glory; second, moving in the supernatural by recalibrating ourselves to heaven's frequency, working with angels, and accessing the highest power of God's glory so that the miraculous dimension begins to manifest; and third, moving in the heavenlies, dealing with spiritual travel and prophetic encounters, manifesting divine abundance, and living in heavenly revelation. Throughout, Joshua shares many unusual and extraordinary testimonies of God's glory working through uncommon signs and wonders, heavenly experiences, angelic appearances, and other manifestations of the miraculous. Through his dynamic teaching and powerful testimonies, Joshua will not only

help you understand God's glory, he'll also guide you into experiencing and walking in the glory every day.

Epicenter 2.0 - Joel C. Rosenberg 2012-11-16

In his first groundbreaking nonfiction book, now with updated content, New York Times best-selling author Joel C. Rosenberg takes readers on an unforgettable journey through prophecy and current events into the future of Iraq after Saddam, Russia after Communism, Israel after Arafat, and Christianity after radical Islam. You won't want to miss Joel's exclusive interviews with Israeli, Palestinian, and Russian leaders, along with previously classified CIA and White House documents. New content includes the most up-to-date information since the hardcover release in 2006, a new poll about American attitudes toward the Middle East and prophecy, and transcripts of interviews conducted during the interview process for the Epicenter DVD-video.

The Ninth Decade - Carl H. Klaus 2021-09-15

The Ninth Decade is a path-breaking and timely book on aging: the first to focus explicitly and at length on eighty-somethings, the fastest-growing demographic in the industrialized world. Covering eight years in lively six-month installments, Klaus tells a vivid story not only of his own ninth decade and survival routines, but also of his loving companion, Jackie, who is strikingly different from him in her physical well-being, practical outlook, sociable temperament, and vigorous workouts. Cameos of their octogenarian friends and relatives near and far add to a wide-ranging and revelatory portrayal of advanced aging, as do bios of notable octogenarians. The multi-year scope of his chronicle reveals the numerous physical and mental problems that arise during octogenarian life and how eighty-year-olds have dealt with those challenges. *The Ninth Decade* is a unique, first-hand source of information for anyone in their sixties, seventies, or eighties, as well as for persons devoted to care of the aged. Though the challenges of octogenarian life often require specialized care, *The Ninth Decade* also shows the pleasures of it to be so special as to have inspired Lillian Hellman's

paradoxical description of "longer life" as "the happy problem of our time."

Lamb - Christopher Moore 2009-10-13

Everyone knows about the immaculate conception and the crucifixion. But what happened to Jesus between the manger and the Sermon on the Mount? In this hilarious and bold novel, the acclaimed Christopher Moore shares the greatest story never told: the life of Christ as seen by his boyhood pal, Biff. Just what was Jesus doing during the many years that have gone unrecorded in the Bible? Biff was there at his side, and now after two thousand years, he shares those good, bad, ugly, and miraculous times. Screamingly funny, audaciously fresh, *Lamb* rivals the best of Tom Robbins and Carl Hiaasen, and is sure to please this gifted writer's fans and win him legions more.

Heart Berries - Terese Marie Mailhot 2018-02-13

A powerful, poetic memoir of an Indigenous woman's coming of age on the Seabird Island Band in the Pacific Northwest—this New York Times bestseller and Emma Watson Book Club pick is "an illuminating account of grief, abuse and the complex nature of the Native experience . . . at once raw and achingly beautiful (NPR). Having survived a profoundly dysfunctional upbringing only to find herself hospitalized and facing a dual diagnosis of post traumatic stress disorder and bipolar II disorder, Terese Marie Mailhot is given a notebook and begins to write her way out of trauma. The triumphant result is *Heart Berries*, a memorial for Mailhot's mother, a social worker and activist who had a thing for prisoners; a story of reconciliation with her father—an abusive drunk and a brilliant artist—who was murdered under mysterious circumstances; and an elegy on how difficult it is to love someone while dragging the long shadows of shame. Mailhot trusts the reader to understand that memory isn't exact, but melded to imagination, pain, and what we can bring ourselves to accept. Her unique and at times unsettling voice graphically illustrates her mental state. As she writes, she discovers her own true voice, seizes control of her story, and, in so doing,

reestablishes her connection to her family, to her people, and to her place in the world.

Leading Wherever You Are - Teresa Swanstrom Anderson
2020-07-14

No matter where you are, you're leading. Leadership is about more than being the one in front. In our individual areas of influence we can find opportunities to lead every day, and God's Word is full of examples of leadership to inspire us and help us learn. Joshua had one of the hardest leadership tasks in Scripture: to bring the Israelites out of 40 years of wilderness exile. *Leading Wherever You Are* dives deep into Joshua's life to learn from his leadership victories and mistakes. Whatever capacity you lead in, the story of Joshua is rich with lessons for you. Perfect for individual or group study, this Get Wisdom Bible study includes: 7 weeks of in-depth devotionals on the book of Joshua Prayer sections to journal your thoughts at the end of each day 5-8 daily reflection questions for deeper study History Lessons that provide background context for Scripture Guidance on using word study and commentary resources Cross-references to connect God's larger story of the Bible The Get Wisdom Bible Studies empower women to connect with Scripture in a fresh and powerful way and are accessible for Christians in any stage of their faith journey. Get the whole series, and experience soul refreshment in a new way—individually or with friends. "These are some of the best Bible studies on the market. Not only has Teresa found a way to teach biblical truth with profound wisdom, but she does so in a winsome and relatable way." —Kat Armstrong, author of *No More Holding Back* "These guided studies are for any woman who is wrestling with a sense of direction and believing in her worth." —Marshawn Evans Daniels, Godfidence Coach, reinvention strategist for women
Why Church Matters - Joshua Harris 2011-08-16

"Christians belong in churches--the only places where we can thrive and grow spiritually. In *Why Church Matters*, Joshua Harris makes this case with wisdom, clarity, and graciousness." --Charles W. Colson Church isn't where we

go. It's who we are. We were never meant to live our faith in isolation. The church is the place God uses to grow us, encourage us, and use our gifts for His glory. In this honest, personal, and practical book, Joshua Harris shows you why it's time to say yes to church and how to find the right one for you--the place where you can fall in love with the family of God. Includes: What you miss when you miss church Ten questions to ask before you join How to get more out of the best day of the week What Readers are Saying: "This book shows the place of great honor that church holds in Christ's heart and encourages us to value what He values. I've bought multiple copies to give away." --Mike Neglia; Cork, Ireland "Josh Harris does an excellent job of addressing our impulse to church hop." --Garrett Watkins; Atlanta, Georgia "When our family was in the midst of a transition, *Why Church Matters* helped us find the right local church. It will do the same for you." --Andrew Hall; Ilderton, Ontario Previously published as *Stop Dating the Church*

The T.B. Joshua I Know - Bisola Johnson 2018-05-30
This is a compilation of true-life accounts that took place in a Cult Community called The Synagogue, 'church' of all Nations, Ikotun-Egbe, Nigeria; where the author was trapped for over a decade with other devotees through hypnotism and brainwashing. She had documented her journey into this community, who uses religious garb to cover their nefarious operation to lure the innocent into occultism. She wrote how they lived, how they were systemic initiated into the dark world of deceit, and terrorized to swear secrecy allegiance. Finally, her escape was a grand style of Jehovah. This is to EDUCATE people and to give ALL THE GLORY back to God, for His Amazing Saving Grace, His constant Love and His abiding Presence. She said, "If I should denied the world this truth, I became a partaker of evil and Hellfire would have been my eternal abode. I am under obligation and indebted to share; I cannot keep it to myself; it burns in my bones. I will also like to use this as a means of restoring the souls of those who have fallen away due to

this global deception of T.B. Joshua."This Book is a societal mirror for everyday people, it is saying that, each person has ability to discover who God is individually, without depending on another man. This is to stand as a guide to the blind, as a warning to the gullible, and as a light to the simple; because what causes people to panic, and run helter skelter in search of an intermediary between them and their Creator is still prevalent in the world, such as sickness, affliction, trouble, confusion, disease, barrenness, joblessness, etcetera. What drives people to run from one prophet to another prophetess both false and genuine, which can cause them to eventually fall into error is still at large. Those things that pressurizes people daily, and can cause them to be knocking on the doors of prayer contractors and spiritual arrangers, intending to cut deals with 'God' if possible; rather than to go on their knees and be calling upon their Creator for Mercy and a turnaround is still thriving in the world today. Evil seems to run rampant everywhere. What we need is Peace in God and holding unto His Word. These agents of satan are only having breakthrough at your breakdown. Beware of miracle peddlers, Beware of false prophets, and Beware of false teachers, Jesus warned. This is their time, Run for your life!

Book of Numbers - Joshua Cohen 2015-06-09
NATIONAL BESTSELLER • "More impressive than all but a few novels published so far this decade . . . a wheeling meditation on the wired life, on privacy, on what being human in the age of binary code might mean . . . [Joshua] Cohen, all of thirty-four, emerges as a major American writer."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY VULTURE AND ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND THE WALL STREET JOURNAL "Book of Numbers . . . is shatteringly powerful. I cannot think of anything by anyone in [Cohen's] generation that is so frighteningly relevant and composed with such continuous eloquence. There are moments in it that seem to transcend our impasse."—Harold Bloom The enigmatic billionaire founder

of Tetration, the world's most powerful tech company, hires a failed novelist, Josh Cohen, to ghostwrite his memoirs. The mogul, known as Principal, brings Josh behind the digital veil, tracing the rise of Tetration, which started in the earliest days of the Internet by revolutionizing the search engine before venturing into smartphones, computers, and the surveillance of American citizens. Principal takes Josh on a mind-bending world tour from Palo Alto to Dubai and beyond, initiating him into the secret pretext of the autobiography project and the life-or-death stakes that surround its publication. Insider tech exposé, leaked memoir-in-progress, international thriller, family drama, sex comedy, and biblical allegory, Book of Numbers renders the full range of modern experience both online and off. Embodying the Internet in its language, it finds the humanity underlying the virtual. Featuring one of the most unforgettable characters in contemporary fiction, Book of Numbers is an epic of the digital age, a triumph of a new generation of writers, and one of those rare books that renew the idea of what a novel can do. Praise for Book of Numbers "The Great American Internet Novel is here. . . . Book of Numbers is a fascinating look at the dark heart of the Web. . . . A page-turner about life under the veil of digital surveillance . . . one of the best novels ever written about the Internet."—Rolling Stone "A startlingly talented novelist."—The Wall Street Journal "Remarkable . . . dazzling . . . Cohen's literary gifts . . . suggest that something is possible, that something still might be done to safeguard whatever it is that makes us human."—Francine Prose, The New York Review of Books Glory Bible Study - Joshua Mills 2021-09-14 Learn God's Word and grow in the Glory Realm! The mystery to signs, wonders and miracles in the kingdom of god - Davidson Samuel Mc Maxwell Pherson 2021-06-30

In 15 years of Ministry, I have witnessed numerous miraculous signs and wonders, when the kingdom of God, which is the Holy Spirit, is emphasized. In different parts of this book I have shared a few of my experiences with the Holy Spirit. The book outlines what the Kingdom of God is: Powers of the Kingdom, Fundamental Principles of the Kingdom; how to enter the kingdom of God; an analysis of miracles in major denominations and the results of refusing the Kingdom of God. It is my

contribution, to the Body of Christ, as a final appeal to receive the Holy Spirit before it is too late. Without the Holy Spirit, it is impossible to live through these end times of trials and tribulations. Furthermore, the presence and obedience to the Holy Spirit is the only medium to go in the Rapture. Samuel Mc Pherson is a teacher with 27 years of experience in divulging science at CSEC level. Pastor minister with 15 years of soul winning and discipleship experience. He studied at the University of Guyana where he obtained a bachelor of Science (Biology). From 2007 to 2017 he studied Theology. At Northwestern Christian University he obtained a Doctorate (Th.D.) in Theology. Has served in PASTORAL MINISTRY from 2006 to present-15 years of experience in Soul winning through personal evangelism drive and providing pastoral care for discipleship of souls won to the Lord. He has served in Pastoral Ministry from 2006 to the present, providing pastoral care for his disciples. From the same year, he has also been instrumental in the administration of several churches and the planning and building of two churches. He has been involved in children and youth Ministry drive and in the planning and execution of missionary tours to the remote areas of Guyana. Being the pioneer of the building of two local churches in 2013, with efficient and effective administration, many disciples were raised for the Lord thanks to his efforts demposamus volor ant voloritatem ditatem poreptate enissin

Power Portals Study Guide - Joshua Mills 2020-11-24
Become a Conduit of God's Power "I encourage you to read Joshua's book, not only to learn about the glory but also to be changed by the glory." -Bill Johnson "This book is boot camp for the next and greatest move of God's Spirit in history." -Sid Roth All Christians are intended to live, move, and operate in the supernatural realm. But many people aren't sure how to enter into this realm-or how to go deeper in the Spirit. Joshua Mills explains that, much more than sensing what God is doing, we can participate in the supernatural on a daily

basis through divine portals, or gates. In this study guide companion to his book *Power Portals*, Joshua clearly shows believers how they can become conduits of God's power. Within a power portal, we may experience a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions, or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands, and feet. There are also direct heavenly portals and geographical portals, special places where we can experience the release of God's power. The *Power Portals Study Guide*, which can be used by either individuals or groups, contains some brand-new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions, and supernatural activations. Get ready to awaken your connection to the Spirit realm. Get ready to encounter *Power Portals*! "Joshua Mills...has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life." -Becky Thompson "Joshua Mills...gives you teachings you can trust and revelations that get you results." -Tony Kemp #PowerPortalsBook

Nigeria and the Nation-State - John Campbell 2020-12-02
Nigeria matters. It is Africa's largest economy, and it is projected to become the third most populous country in the world by 2050, but its democratic aspirations are challenged by rising insecurity. John Campbell traces the fractured colonial history and contemporary ethnic conflicts and political corruption that define Nigeria today. It was not—and never had been—a nation-state like those of Europe. It is still not quite a nation because Nigerians are not yet united by language, religion, culture, or a common national story. It is not quite a state because the government is weak and getting weaker, beset by Islamist terrorism, insurrection, intercommunal violence, and a countrywide crime wave. This deeply knowledgeable book is an antidote to those who would

make the mistakes of Vietnam, Afghanistan, and Iraq—mistakes based on misunderstanding—in Nigeria. Up to now, such mistakes have largely been avoided, but Nigeria will soon—and Campbell argues already does—require much greater attention by the West.

Origins of the Hebrews - Douglas Petrovich 2021-10-11
One of the most important stories to both the Eastern and Western worlds, as attested by several blockbuster films, is the Bible's account of ancient Israelites who resided in Egypt for over four centuries, then were freed from enslavement by an act of God. Yet until now, no strong case ever has been made to validate these events from the historical and archaeological record. For this reason, an extensive portion of the scholarly world has abandoned the picture presented by the historical record in the Bible, which indicates that Jacob's descendants grew into a nation within the comfort of a divinely prepared incubator, namely Egypt. In lieu of this time-honored account, many scholars have turned to speculative theories about how Israelite origins should be connected to Transjordan or locations even further to the east of the Holy Land, as numerous authors have documented. Are these alternative options appropriate when such minimal effort has been devoted to examining carefully and objectively whether Egypt, in fact, might be the correct location of their origins? An enormous amount of research and the synthesization of historical events and archaeological artifacts has led the author to verify Israelite residence in Egypt from 1876-1446 BC. This research is connected to the unexpected discovery of interconnecting archaeological, epigraphical, and iconographical evidence that attests to the presence of Israelites in Egypt over virtually the entire 430 years. By the sheer volume of verifiable evidence of complementary historical data—when comparing the biblical text and the artifactual and epigraphical record—the author attempts to demonstrate convincingly to objective readers that the biblical story of the Egyptian origins of the Hebrew 'nation' is reliable as a factual account.

Ancient Book of Jasher - Ken Johnson 2008

There are 13 ancient history books that are mentioned and recommended by the Bible. The Ancient Book of Jasher is the only one of the 13 that still exists. It is referenced in Joshua 10:13; 2 Samuel 1:18; and 2 Timothy 3:8. This volume contains the entire 91 chapters plus a detailed analysis of the supposed discrepancies, cross-referenced historical accounts, and detailed charts for ease of use. As with any history book there are typographical errors in the text but with three consecutive timelines running through the histories it is very easy to arrive at the exact dates of recorded events. It is not surprising that this ancient document confirms the Scripture and the chronology given in the Hebrew version of the Old Testament, once and for all settling the chronology differences between the Hebrew Old Testament and the Greek Septuagint. The Ancient book of Jasher is brought to you by Biblefacts Ministries, Biblefacts.org
