So Far Gone in You [Primal Heat 2] - Lynn Hagen 2015-04-16
[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Olin has skated through life with no clear path or focus, using sarcasm and quick wit to keep others at bay. No one knows the pain he carries inside of him, not even his family. But one man has figured Olin out and Coop is the one man Olin runs farthest from. Cooper Dalton knows Olin's sarcasm for what it is - a defense mechanism to keep everyone out. He's determined to show Olin that being vulnerable isn't a sign of weakness. Unfortunately, the primal heat takes over and Coop has seven days to convince Olin that they were meant to be together or Coop's leopard will reject Olin and their chances of having a life together will forever be lost to them. When perilous circumstance forces them to go into hiding together, Olin can no longer deny what he wants most. But will the bounty on Coop's head end it all? ** A Siren Erotic Romance

Hollywood Highbrow - Shyon Baumann 2007-10-14
Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

Fairy Tale Interrupted - RoseMarie Terenzio 2012-01-24
Working Girl meets What Remains in this New York Times bestselling, behind-the-scenes story of an unlikely friendship between America's favorite First Son, John F. Kennedy Jr. and his personal assistant, a blue-collar girl from the Bronx. Featured in the documentary *I Am JFK Jr.!* From the moment RoseMarie Terenzio unleashed her Italian temper on the entitled nuisance commandeering her office in a downtown New York PR firm, an unlikely friendship bloomed between the blue-collar girl from the Bronx and John F. Kennedy Jr. Many books have sought to capture John F. Kennedy Jr.'s life. None has been as intimate or as honest as *Fairy Tale Interrupted*. Recalling the adventure of working as his executive assistant for five years, RoseMarie portrays the man behind the icon—patient, protective, surprisingly goofy, occasionally thoughtless and self-involved, yet capable of

extraordinary generosity and kindness. She reveals how he dealt with dating, politics, and the paparazzi, and describes life behind the scenes at *George* magazine. Captured here are her memories of Carolyn Bessette, how she orchestrated the ultra-secretive planning of John and Carolyn's wedding on Cumberland Island—and the heartbreak of their deaths on July 16, 1999, after which RoseMarie's whole world came crashing down around her. Only now does she feel she can tell her story in a book that stands as "a fitting personal tribute to a unique boss . . . deliriously fun and entertaining" (Kirkus Reviews).

A Perfect Moment (Fever's Edge 3) - Lynn Hagen 2020-12-21
[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Romance, Contemporary, Alternative, Paranormal, Werewolves, MM, HEA] Nothing seemed to be going right for Trey. This was his fourth job in six months, and he was desperate to keep it. Not only was he struggling with the fact that he'd received an eviction notice, but he was still fearful after witnessing men turning into Rottweilers and then turning into dust. Something wasn't right in his world, and his headaches were getting worse. While standing outside his job, he runs into the hottest guy he has ever laid eyes on, and Ben is determined to make Trey his. Ben couldn't believe he'd run into his mate outside Cute Cuddles Pet Emporium. Trey was gorgeous, and Ben was determined to win his mate over. Let the wooing begin. Unfortunately, someone from Ben's past has come to town, hellbent on revenge. Manny had already slaughtered half of Ben's pack five years ago, and now he wants to finish what he started. It's up to Ben to keep Trey out of the mess, but fate has other plans. Lynn Hagen is a Siren-exclusive author.

Honey Haven, Volume 1 [Thin Line Between: Life in Reverse] (The Lynn Hagen ManLove Collection) - Lynn Hagen 2019-06-03

Thin Line Between [Siren Publishing: The Lynn Hagen ManLove Collection: Alternative Contemporary Paranormal Romantic Suspense Romance, MM, shape-shifter, HEA] Desperate for work, Owen travels to Honey Haven, an isolated hotel deep in the mountains. He's excited to start his new job, and even more thrilled that he gets to live there for free. But his enthusiasm is short-lived. When he steps into the stuffy old hotel, Owen soon finds out that the gorgeous owners aren't the friendly type. To make matters worse, he's told that the hotel is haunted. Caleb knows time is running out. The hotel is hemorrhaging money, and if he and his brothers can't figure out who is sabotaging Honey Haven, the doors will close for good. With enough problems on his hands, Owen walks through the front doors, and Caleb is taken aback by his good looks and sweet nature. He's attracted to Owen, but Caleb doesn't mix business with pleasure and keeps Owen at arm's length. Until one passionate kiss, Owen in danger and a saboteur on the loose forces Caleb to admit what Owen has come to mean to him. *Life in Reverse* [Siren Publishing: The Lynn Hagen ManLove Collection: Alternative Contemporary Paranormal Romantic Suspense Romance, MM, shape-shifter, vampires, HEA] Shane Cabell has a reputation at Honey Haven for being a total slut, a title he doesn't deserve. Sure, he likes to flirt. It's fun and good for his ego, but Shane tones things down, until Kieran Damiani walks through the hotel doors. The new tall, dark, and handsome handyman flips every trigger Shane possesses. Too bad Kieran isn't interested in him. Kieran is running from heartbreak. He takes the job as handyman at Honey Haven to get away from the embarrassment of falling for a player. All he wants to do is

start a new chapter in his life, to become the man he used to be, but starting over is never easy, unless a sexy boss walks into your life and flirts with you within the first five seconds of meeting him. But Kieran has a secret that just might get not only him killed, but Shane as well.

Without a Trace (Fever's Edge 1) - Lynn Hagen

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Romance, Contemporary, Alternative, Western, Shape-shifters, Paranormal, MM, HEA] Redford Cohen had been stabbed and then shot twice, but managed to crawl his way out and survive. Now he is living on a ranch over a thousand miles away from where his attack had happened. But Red is keeping a low profile, refusing to go into town, and refusing to give in to his desires where his boss is concerned. Lincoln keeps dropping hints that he wants Red, but Red is keeping his distance, no matter how hard it is to stay away from the stud. Lincoln knows something is going on with his ranch worker. Red is withdrawn, quiet, and keeps dodging Lincoln whenever they are near each other. Lincoln isn't giving up. Not when Red is his mate. Not when those haunting eyes keep Lincoln up at night, wondering why Red acts the way he does. When his stables catch fire and one of his workers is attacked, Lincoln goes on alert, especially when Red goes missing, and it's up to Lincoln to save him. Lynn Hagen is a Siren-exclusive author.

Alpha Bourne [Primal Heat 1] - Lynn Hagen

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifters, HEA] Talyn Bourne has been alpha for just a year when trouble comes his way. An opposing alpha who'd retired has returned, and he's brought chaos with him. He wants Talyn to hand over his omega. When Talyn refuses, Ethan McBride sends Gabriel Taylor, a man who Talyn kidnaps in order to teach Ethan a lesson. But it's Talyn who learns that sometimes the lines between enemy and lover are blurred. Gabriel has no idea why he was chosen to confront Alpha Talyn Bourne. He hasn't a clue what he's doing and ends up being captured. What confuses him is that Talyn treats him like a guest, not a hostile enemy. When feelings begin to blossom between them, Gabriel knows he has to escape. Trouble is, Gabriel's very own coalition is trying to kill him. But that isn't his only complication. Talyn has gone into primal heat and has set his sights on Gabriel. ** A Siren Erotic Romance

Karidon Wade [Primal Heat 4] - Lynn Hagen 2015-05-15

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, M/M, shape-shifters, spanking, sex toys, HEA] How far would you go to love someone? That was the question that plagued Oliver Taylor when it came to Karidon Wade. The man was on a destructive path and it seemed he was determined to take Ollie with him. But Ollie is just as determined to save Karidon, even if it costs him everything. Karidon has a dark past that wouldn't let him go, that shakes him to his very foundation. Haunted with nightmares of his childhood, Karidon pushes everyone away, hell-bent on destroying himself and making the ones who love him want to hate him. But Ollie isn't giving up so easily, or so he thought. When Karidon loses control and his darkness seems never-ending, Ollie decides that saving Karidon is more than he can handle. Can he love Karidon through his darkest times or will the deep love he has for the man shatter into a thousand pieces? ** A Siren Erotic Romance

Firehouse Rescue [Brac Village 15] - Lynn Hagen

[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, HEA] Parker Southard grew up in a very strange family. All he wanted was to be normal. He shunned what his grandmother tried to teach him. But soon he finds that the one thing he tried to run from has caught up to him and the thing that he turned his back on might be the very thing that saves him. When Rayne DeSilva pulls a car crash victim from a wreck on the back roads of Brac Village, he soon learns that the man he has been looking for his entire life might not survive. It was a miracle that Parker was even alive. When Marino Malone discovers Parker's secret, he sends in his two goons to kidnap Parker. But little does Marino know that Parker isn't so easily threatened. Rayne must convince Parker to embrace who he is if his mate is not only going to survive, but have a fighting chance at happiness. ** A Siren Erotic Romance

The Sci-Fi Movie Guide - Chris Barsanti 2014-09-22

Once upon a time, science fiction was only in the future. It was the stuff of drive-ins and cheap double-bills. Then, with the ever-increasing rush of new, society-altering technologies, science fiction pushed its way to the present, and it busted out of the genre ghetto of science fiction and barged its way into the mainstream. What used to be mere fantasy (trips to the moon? Wristwatch radios? Supercomputers capable of learning?) are now everyday reality. Whether nostalgic for the future or fast-forwarding to the present, The Sci-Fi Movie Guide: The Universe of Film from Alien to Zardoz covers the broad and widening range of

science-fiction movies. From the trashy to the epic, from the classics to today's blockbusters, this cinefile's guidebook reviews nearly 1,000 of the biggest, baddest, and brightest from every age and genre of cinematic and TV science fiction. You'll find more than just Star Wars, Star Trek, and Transformers, with reviews on many overlooked and under-appreciated gems and genres, such as ... • Monsters! Pacific Rim, Godzilla, The Thing, Creature from the Black Lagoon • Superheroes: Thor, Iron Man, X-Men, The Amazing Spider-man, Superman • Avant-garde masterpieces: Solaris, 2001, Brazil • and many, many more categories and movies!!

Old Granny Fox - Thornton Waldo Burgess 1920

When a deep winter snow carpets the Green Forest and nearby meadow, Granny Fox and Reddy have some disagreements on how best to find some food. But Granny - with her years of experience - wins out over Reddy and teaches him quite a bit about patience, common sense, and resourcefulness.

Primal Seduction (Redemption Security 2) - Lynn Hagen

2021-12-09

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Romance, Contemporary, Alternative, Paranormal, Werewolves, Vampires, MM, HEA] Fate picked one hell of a time to give Teague a mate. He was messed up in the head after being mind-controlled by a vampire, second guessing his own decisions, unsure if he could even trust himself again. Teague's boss, Rhys Maxwell, thought it was a good idea to send him into the field. Teague begged to differ. Austin Girard was being stalked, and before Teague had stepped into the picture, no one would believe the human. The police wanted more proof than some random pictures Austin's stalker had sent him. Teague didn't need any more proof. He saw the fear in his mate's pretty eyes, and knew he had to help in any way he could. Austin was counting on Teague to protect him. Teague was determined to do just that while trying to find his way back from his own personal demons. Teague will fight to the death for the one man who was a balm to his soul. Mr. Rothe (Executive Row 2) - Lynn Hagen 2020-08-25

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Romance, Contemporary, ManLove, Alternative, Werewolves, Shape-Shifters, Paranormal, MM, HEA] Sometimes life threw you a curveball when you were least expecting it. One night while hanging out with my cousin, I saved a man from being hit by a speeding car. I'd shoved him out of the way with no regard to my own safety. Now he thought it was his job to keep me safe, to try and repay a debt I didn't want him to repay. True, he was the most gorgeous man I'd ever met, but I soon found out just how scary his world was, and I wanted no part of it. But Gabriel Rothe was an insistent man, used to getting his way. Without my knowledge, he had someone watching over me. Worse, I had some stranger stalking me, and I had no clue why. Maybe it was the guy who had tried to kill Gabe that night, but one thing was for certain. No matter how hard I tried, I was unable to resist his charms. Lynn Hagen is a Siren-exclusive author.

Murder by Injection - Eustace Clarence Mullins 2016-04-21

The present work, the result of some forty years of investigative research, is a logical progression from my previous books: the

expose of the international control of monetary issue and banking practices in the United States; a later work revealing the secret network of organizations through which these alien forces wield political power-the secret committees, foundations, and political parties through which their hidden plans are implemented; and now; to the most vital issue of all, the manner in which these depredations affect the daily lives and health of American citizens. Despite the great power of the hidden rulers, I found that only one group has the power to issue life or death sentences to any American-our nation's physicians. I discovered that these physicians, despite their great power, were themselves subjected to very strict controls over every aspect of their professional lives. These controls, surprisingly enough, were not wielded by any state or federal agency, although almost every other aspect of American life is now under the absolute control of the bureaucracy. The physicians have their own autocracy, a private trade association, the American Medical Association. This group, which is headquartered in Chicago, Illinois, had gradually built up its power until it assumed total control over medical schools and the accreditation of physicians. The trail of these manipulators led me straight to the same lairs of the international conspirators whom I had exposed in previous books. I knew that they had already looted America, reduced its military power to a dangerously low level, and imposed bureaucratic controls on every American. I now discovered that their conspiracies also directly affected the health of every American. This conspiracy has resulted in a documented decline in the health of our citizens. We now rank far down the list of civilized nations in infant mortality and other significant medical statistics. I was able to document the shocking record of these cold-blooded tycoons who not only plan and carry out famines, economic depressions, revolutions and wars, but who also find their greatest profits in their manipulations of our medical care. The cynicism and malice of these conspirators is something beyond the imagination of most Americans. They deliberately mulct our people of millions of dollars each year through "charitable" organizations and then use these same organizations as key groups to bolster their Medical Monopoly. Fear and intimidation are the basic techniques by which the conspirators maintain their control over all aspects of our health care, as they ruthlessly crush any competitor who challenges their profits. As in other aspects of their "behavioural control" over the American people, their most constantly used weapon against us is their employment of federal agents and federal agencies to carry out their intrigues. The proof of this operation may be the most disturbing revelation of my work.

The Men We Became - Robert T. Littell 2013-08-13

For over twenty years Robert Littell was John F. Kennedy Jr.'s closest confidant. Now, in a beautiful and moving memoir, Littell introduces us to the private John. A story of laughter and sorrow, joy and heartbreak, *The Men We Became* is an unforgettable memoir. Rob Littell was a freshman at Brown when he met the young JFK, Jr. during orientation week. Although Littell came from a privileged background, it was worlds apart from the glamorous life of the son of the late President and Jacqueline Kennedy Onassis. Eager to be accepted on his own terms, Kennedy admired Littell's irreverence toward his celebrity and they became close friends. John opened up to Littell on a very personal level, revealing the complex and sometimes tense nature of his relationships with his sister and cousins, as well as his mother's extraordinary influence on John - and how they both worked to keep it from being overbearing. John's marriage had its ups and downs and Carolyn had made enemies of some of his friends, but she was in great shape mentally and physically and they were planning to have children. Littell recounts wonderful dinners at Jacqueline Onassis's apartment where she surprised him with his favorite dinner of specially burned hamburgers and weekends at her retreat in Martha's Vineyard where she critiqued their touch football while lying on a chaise lounge, her face covered in cold cream and cucumber slices. As students, Littell and Kennedy bummed around Europe. They slept in Hyde Park, sampled the pleasures of Amsterdam, ran afoul of customs officers and almost got busted at the Ritz Hotel for smoking pot. They even shared apartments in New York City until Jackie summoned them to dinner one day and gently suggested it was time to grow up. The two went on to pursue their professional lives. John trained as a

lawyer - and Littell speaks of his friend's anguish at repeatedly failing the bar - and then he founded his own political magazine, which seemed only fitting because Kennedy yearned to live up to the family name and accepted that politics would be his destiny. Later on, Littell was a part of JFK, Jr.'s secret wedding to Carolyn Bessette on Cumberland Island, Georgia, and three years later a pallbearer at his funeral. From shared adventures, private moments and lasting memories, Robert Littell offers a unique look at John F. Kennedy Jr.'s life - one that has never been seen before.

The Sex-Starved Marriage - Michele Weiner Davis 2004-01-08

The Nigger of the Narcissus - Joseph Conrad 1919

Antifascisms - David Ward 1996

This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, *Antifascisms* offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Bowser the Hound - Thornton Waldo Burgess 1920

When Bowser the Hound gets lost in the Green Forest, Blacky the Crow and other animals decide to help him.

Devin's Mercy [Shifters of Mystery 4] - Lynn Hagen 2012
[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, werewolves, light consensual BDSM, sex toys, HEA] Devin was forced into a war he didn't believe in. Worse, Devin was used as an outlet for Alpha Martin's sadistic bouts of

rage. When Sage, a longtime friend, hauls Devin home, locking him in a cage for fighting on Martin's side, all hope seems lost that his life will ever be normal again. Mercy walked alone, even with friends surrounding him. Devin was someone from his past, a man he kept at bay. But when Mercy discovers Devin locked up in the basement, a war rages inside himself to stay away from the tempting young man. But his conscience won't let Devin remain behind bars. No matter how attracted he is to Devin, Mercy isn't going to let his libido rule him. As distant as Mercy tries to remain, he finds himself helping the werewolf through his nightmares, finding that Devin still has feelings for Mercy. Can Mercy keep Devin safe when the alpha is determined to destroy the small pack in Mystery? And can Devin heal from wounds so deep that he contemplates ending his very own life? The battle in Mystery is coming to a pinnacle, and Mercy fears the one man he let into his inner circle just might be killed in a war that should have never taken place to begin with. ** A Siren Erotic Romance

Under Western Eyes - Joseph Conrad 2020-12-08

Growing up as an orphan, Razumou adopted the belief that all of Russia was his family, a sentiment that he carries into his higher education. Because of this, when talks of revolution start arising in Russia, Razumou decides to stay neutral. However, this becomes increasingly difficult when most of his classmates start to express their ardent support for a revolution. Still, Razumou decides not to take a stand on either side. Since he feels all of Russia is his family, Razumou equates choosing a side to betrayal. He is privileged enough to hold this neutrality for a while, though, after the assassination of the Minister of the State, Razumou must chose a side. Haldin, one of Razumou's classmates, shows up at Razumou's flat looking disheveled and hoping for asylum after having participated in the assassination of a Russian leader. Reluctantly, Razumou agrees to help Haldin. Feeling guilty and paranoid, Razumou slips into an identity crisis, and is forced to weigh the consequences as he struggles to decide whether to continue providing aid for Haldin, or turn his classmate in to the authorities. Considered to be one of Joseph Conrad's major works, *Under Western Eyes* explores the injustice in the suffering of lower classes, and the unethical disregard for such social problems held

by the rich. Narrated by a Swiss English teacher, *Under Western Eyes* is a unique perspective on revolutions, applicable to both the failed and successful Russian revolutions, changing the audience's perception depending on when it is read. A friend to all is a friend to none, so with the use of complicated moral themes and troublesome characters, *Under Western Eyes* questions the possibility of a truly neutral party. This edition of Joseph Conrad's *Under Western Eyes* is redesigned with the modern reader in mind. With an eye-catching new cover design, and an easy-to-read font, *Under Western Eyes* is accessible and invites conversation.

Wanted [Bound Forever 2] - Lynn Hagen

[Siren Publishing: The Lynn Hagen ManLove Collection: Alternative Contemporary Paranormal Romance, MM, shape-shifter, HEA]

Kidnapped off the street and thrown into a dark cage, Austin feels like his world is ending. He hasn't the first clue why someone took him, until a stranger is tossed into the cage next to him.

Frightened, Austin reaches out and is soothed by the man's deep voice. After Holton rescues him from the lab, Austin's life is never the same. They have to keep moving, staying one step ahead of those who hunt them, but what started out as a terrifying situation turns into hot nights with his dragon warrior. When Holton is recaptured and returned to the lab, he curses Alric for being led astray. If his leader hadn't fallen for Tristan, Holton wouldn't be in

this situation. But a small voice in the dark sends his heart skyrocketing, and Holton will risk everything to free Austin, unaware just how much the man will change his life. Lynn Hagen is a Siren-exclusive author.

Needed [Bound Forever 3] - Lynn Hagen 2018-11-28

[Siren Publishing: The Lynn Hagen ManLove Collection: Alternative Contemporary Paranormal Romance, MM, shape-shifter, HEA] Eli Cannon was assigned by the clandestine agency he works for to protect the "subjects" who escaped the lab, but his job was far from easy. None of the men trust him, and to make matters worse, Eli suspects a mole at the agency. Now he must keep Micah, Alric, and Holton, safe while trying to figure out who is leaking intel to Branson Industry--the company that funds the project. On the run and in hiding, Eli fights his attraction toward Micah, refusing to mix business with pleasure. Only Micah has other plans. Micah isn't sure if Eli is friend or foe, but that doesn't stop him from wanting the man. He's attracted to Eli in ways that drives him insane, and when he finally gives in to those desires, sparks fly between them, igniting a passion neither can get enough of. They just have to take down Branson Industry and destroy those after them if they want a happy life together. Lynn Hagen is a Siren-exclusive author.
