there are those in town with a different—and deadly—definition of spring cleaning... Love is in the air for Sky and her potential new beau, the town's police chief—until their first date is interrupted by a menagerie of household pets stampeding through the restaurant. Someone's murdered Dr. Gail Pilsner, the Cove's hugely popular veterinarian, releasing all the critters bordered at her clinic. And that someone just may be Orlando Rios, Pilsner's lab tech. Sky believes Orlando is innocent, and thinks her best friend, Chloe Edwards, has more insight about him, since she's known Dr. Pilsner for years. But Chloe hasn't been available lately, spending more and more time with her vocal group, the La Dee Das. And when one of the singers is murdered, Sky

must uncover the link between the veterinarian and the songbirds before a killer finishes cleaning house.

Eugeen Van Mieghem (1875-1930). Augustine Pautre - 2015

In zijn sociale belangstelling werd de Eugène Van Mieghem bijzonder geboeid door de duizenden landverhuizers die hun land van oorsprong (vooral Polen en Rusland) voor de pogroms ontvluchtten om hun geluk te gaan zoeken in de Nieuwe Wereld. In 1901 kende Van Mieghem heel wat succes op de Brusselse salon van "La Libre Esthétique" waar zijn achttal pastels en tekeningen hingen naast werk van Franse impressionisten als o.a. Monet, Cézanne, Pissarro, Renoir en Vuillard. Op 28 januari 1902 huwde hij met zijn verloofde Augustine Pautre, een Brussels

Kingdom of Future's Hope

- Hayley Osborn

2021-07-26

Bria Tremaine is queen of a kingdom she never knew she wanted, no longer anyone's bonded mate, and happy about all of it. She is.

What's not to like about being queen? She hasn't seen Fergus in almost a year, and Jax, when he visits the Seelie Castle, might as well be a stranger. One the eve of the Declaration-an Unseelie contest to find the crown prince a wife-Bria allows herself to see Fergus one last time. She spies on him via the little piece of black glass she hasn't quite been able to throw away. And sees someone pour poison into his drinking glass. With Jax unwilling to believe there is an enemy in the Unseelie castle, and

Bria ever more certain of what she saw, she is left with only one option. Go to Unseelie and find the culprit herself. But she must remain far from Fergus, so their magic doesn't join and cause their bond to regenerate. And she can't let anyone discover her there, lest the Court of Light enact their blood promise and kill Fergus. But both those things are more difficult than anticipated. Enemies are queueing up to bring Bria down, and even though she's in disguise, Fergus seems as drawn to her as she is to him. As it becomes clear that someone wants both Fergus and Bria dead, Bria must decide if she will choose her next move with her heart, or her head. Then she must deal with the repercussions. Shifting Me Softly -
Rachelle A Millar
2020-06-16

I did not have to call into question how I lived my life until it I had to defend it in court. Two years ago, I won a legal case of relocating with my boys to Te Arai, freeing us from the restrictions my ex placed on us. The legal battle lasted five years, but the real fight began with the

birth of my oldest son fourteen years ago. My vision remained the same. I've always lived my life on a trajectory of positivity and promise. Living in Te Arai/our dream home and Turangawaewae put my life on track for the first time in years. (In te reo Maori, our spiritual place, literally translated, where our two feet stand.) Shifting ME Softly describes some restrictions I faced through life. I fought illness at sixteen and was immobile for eighteen months after a snowboarding accident in my thirties. My biggest battle came from facing the legal system over parental arrangements for six years at forty. These hurdles, along with my degrees, gave me the experience and determination to support others. The message is clear. Do not let your

current circumstances be your destiny. Restrictions can be a blessing. Stop and take stock of those blessings. How do these obstacles strengthen us? Using the philosophies of Psychosynthesis and Theta Healing and Leadership theories of Positive Psychology and Emotional Intelligence, Rachelle takes you on a journey of her life and

learnings pivotal in transforming her health, wealth, and happiness. She entrusts you with her story, hoping it strengthens you, taking you forward.
